Ski Windham 401(k) Plan

Notes To Financial Statements
December 31, 2014

1. Description of the Plan

The following description of the Ski Windham 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Ski Windham Operating Corporation or any affiliate who have adopted the Plan (the "Company" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may elect to defer up to 100% of their eligible compensation on a pre-tax basis, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The amount of the Employer matching contribution will be determined each year. For 2014, the Employer matching contribution was 33% of a participant's contribution up to a maximum amount of 6% of their base compensation. Employees must be employed on the last day of the year to receive the contribution, unless employment ends due to retirement, disability, or death.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The Employer's matching contributions become gradually vested based on a participant's years of service as follows:

Years of Vesting Service	Vesting Percentage
Less than Two Years	0%
Two Years but less than Three Years	20%
Three Years but less than Four Years	40%
Four Years but less than Five Years	60%
Five Years but less than Six Years	80%
Six or More Years	100%

1. Description of the Plan *(continued)*

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. Forfeited account balances are retained in the Plan and may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future Employer contributions to the Plan. At December 31, 2014 and 2013, forfeited non-vested accounts totaled $4,066 and $4,063. During 2014, no forfeitures were used by the Company.

Unallocated Plan Asset Account

The Plan and Great-West have entered into a revenue sharing arrangement whereby a portion of the revenue earned by certain funds is passed through to the Plan for payment of permitted Plan expenses. In order for the Plan to receive credits as a result of this arrangement and to use this credit to pay Plan expenses, the Company created the Plan Credit Account under the Plan. The Plan Credit Account is a cash account within the Plan, similar in design to forfeiture accounts, and is used to record keep the redistribution of plan-generated fund revenue that exceeds the costs associated with plan administration. The Plan Credit Account balance was $3,342 and $1,909 at December 31, 2014 and 2013. During 2014, no unallocated plan assets were used from the Plan Credit Account.

Notes Receivable from Participants

Participants may borrow from their account balance a minimum of $1,000 up to a maximum amount of the lesser of 50% of their vested account balance or $50,000 less the highest outstanding loan balance over the previous twelve months. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the plan administrator. The term of a loan can range from one to five years or up to ten years if the purpose of the loan is for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions.

Payments of Benefits

Upon termination of a participant's employment as a result of retirement (as permitted), death, disability, dismissal, or resignation, as defined by the provisions of the Plan, the participant's account shall be paid to the participant, or designated beneficiary, in a lump-sum amount or in monthly installments.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements

The Plan follows U.S. GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. As of December 31, 2014 and 2013, all of the Plan's investments were valued using level 1 inputs.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares in mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend dates. Interest income is recorded as earned on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

With the exception of the Plan's record-keeping fees and participant loan expenses (loan setup and loan maintenance fees) which are charged to the individual participant's account, all other administrative expenses incurred by the Plan are paid by the Company. Investment related expenses are included in the NAV of the respective funds and, consequently, those expenses are not separately reflected but are a component of net appreciation in fair value of investments.

2. Summary of Significant Accounting Policies *(continued)*

Accounting for Uncertainty in Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition and/or disclosure. The Plan is no longer subject to examinations by the applicable taxing jurisdictions for periods prior to December 31, 2011.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 13, 2015.

3. Information Certified (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life & Annuity Insurance Company of New York, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2014 and 2013, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2014, and the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2014.

4. Investments

The following table states the asset classes of the investments held by the Plan at December 31:

	2014	2013
Mutual Funds		
Balanced	$ 920,444	$ 890,626
Fixed income	69,041	59,000
Equities	621,552	682,631
Total Mutual Funds	1,611,037	1,632,257
Money Market Fund	24,493	21,653
	$ 1,635,530	$ 1,653,910

4. Investments *(continued)*

The following investments represent 5% or more of the Plan's net assets available for benefits as of December 31:

	2014	2013
Vanguard Lifestrategy Growth Inv	$ 402,457	$ 370,795
Vanguard Lifestrategy Moderate Growth	366,966	368,678
Vanguard Selected Value Inv	235,187	244,426
Target Small Capitalization Value	111,590	196,446
Fidelity Spartan Extended Market Index Inv	91,960	121,223
Vanguard Lifestrategy Income Inv	98,499	*

* - Amount was less than 5% of the Plan's net assets available for benefits.

The Plan's mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $95,838 for the year ended December 31, 2014.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

6. Income Tax Status

The Plan adopted a volume submitter plan sponsored by Conrad M. Siegel, Inc. The volume submitter plan has received an opinion letter dated March 31, 2008 from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the determination letter; however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

7. Party-in-Interest Transactions

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statement of net assets available for benefits.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
