Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Vectrus 401(k) Plan, formerly Exelis Systems Corporation Retirement and Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2014, and 2013, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this include the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, F.S.B. the custodian and trustee, respectively, of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the administrator that the custodian and trustee hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the custodian and trustee as of December 31, 2014 and 2013, and for the year ended December 31, 2014, that the information provided to the plan administrator by the custodian and trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financials.

Other Matter – Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2014 is required by the Department of Labor (DOL) Rules and Regulations of Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis of Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule.

Emphasis of Matter

As further discussed in Note 1, The Plan was amended to change the contracted employees that are participating in the Plan and allow for the spin-off of the assets of the employees that are no longer eligible for the plan to another plan sponsored by Exelis, Inc. In 2014, assets of approximately \$86,000,000 were spun-off from the Plan related to these events. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in those financial statements and supplemental schedule, other than that derived from the information certified by the custodian and trustee, have been audited by us in accordance with auditing standards generally accepted in the United State of America and, in our opinion, are presented in compliance with the Department of Labor's Rule and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Vectrus 401(k) Plan
NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2014 AND 2013, AND FOR THE
YEAR ENDED DECEMBER 31, 2014

1. DESCRIPTION OF THE PLAN

The following description of the Vectrus 401(k) Plan, formerly Exelis Systems Corporation Retirement and Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General—The Plan is a defined contribution plan sponsored by the Vectrus Systems Corporation (the “Company”). An Eligible Employee shall become a Participant on the day he becomes an Eligible Employee as defined in the Eligibility section below. Prudential Bank & Trust, F.S.B. is the trustee of the Plan (“Trustee” or “Prudential”) and Prudential Retirement Insurance and Annuity Company is the custodian of the insurance contract. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company is the Administrator of the Plan.

The Plan sponsor amended the Plan effective January 1, 2014 to incorporate all previous amendments. The Plan sponsor also amended the Plan effective February 2, 2014, March 24, 2014, April 14, 2014, August 24, 2014 and September 25, 2014. The Plan was amended to change the contracted employees that are participating in the Plan and allow for the spin-off of the assets of the employees that are no longer eligible for the Plan to another plan sponsored by Exelis, Inc. In 2014, assets of approximately \$86,000,000 were spun-off from the Plan related to these events. The Plan was also amended to allow for participants to contribute to the Plan on an after tax basis.

On September 27, 2014, Exelis, Inc. spun-off Exelis Systems Corporation (the Plan sponsor), a division of Exelis, Inc., and renamed the Company Vectrus Systems Corporation. Vectrus, Inc. is the parent company of Vectrus Systems Corporation. The Plan was amended and restated effective September 27, 2014. The Plan name changed to Vectrus 401(k) Plan and the Plan sponsor became Vectrus Systems Corporation. Exelis, Inc. became a Participating Employer of the Plan. The provisions of the Plan were amended to allow for the transfer in of accounts of all active Management Benefitted employees that are participants in the Exelis Salaried Investment and Savings Plan (the Exelis ISP). These employees will receive a matching contribution of \$.50 up to 8% of eligible compensation but are not eligible for the employer contributions defined in Note 1. See Note 10 for further discussion regarding the transfer from the Exelis ISP.

Eligibility—An employee is eligible to participate in the plan under the following requirements:

- They are an employee of the Company or a Participating Employer and:
 - works and are paid from an account maintained in the United States;
 - works and are paid outside of the United States, are paid in United States currency and are a United States citizen or tax resident; or
 - works and are paid outside of the United States, are paid in a currency prescribed under an applicable contract that is other than United States currency and are a United States citizen or tax resident, provided that they are subject to United States employment and Federal income taxes and the contributions to the Plan are calculated and deducted from their pay in United States currency.

Employees that are employed by the Company or a Participating Employer and are covered by a contract or collective bargaining agreement, are eligible to participate in the Plan only if the contract or collective bargaining agreement provides the employee is eligible to participate. Appendix A of the Plan document lists the contracts and collective bargaining agreements that are covered.

- An employee is not eligible to participate in the Plan if:
 - the employee is eligible to participate in any other 401(k) plan sponsored by Vectrus Systems Corporation or any Affiliated Employer,
 - works in Puerto Rico,
 - employed by Vectrus Federal Services International, Ltd., or
 - they are an employee of an Affiliated Employer that is not a Participating Employer.

Contributions—Under the provisions of the Plan, allowable contributions are outlined as follows:

- **Participant Contributions**—Participants can contribute on a pre-tax, Roth after tax; or a combination thereof, as permitted by Section 401(k) of the Code, an amount from 1% to 70% of their compensation as defined by the Plan, limited by the requirements of the Code. Participants can also make after tax contributions up to 25% of their base earnings (this is limited to 12% for Highly Compensated Employees (HCE's)). Employees may contribute "rollover" contributions from another qualified plan upon becoming an eligible employee. Participation in employee contributions may begin the first day of the month following the completion of 30 days of employment from date of hire.
- **Employer Contributions**—The Company may make a contribution to the Plan on behalf of each participant in an amount equal to the specifications outlined in Appendix A of the Plan document. The governing contract or collective bargaining agreement will dictate the amount of the Employer matching and Employer non-matching contributions. Participation in employer non-matching contributions begins on their date of hire, if applicable. Participation in the employer matching contributions, if applicable, begins on the same date as employee contributions.

Participant Accounts—Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Employer's matching contribution, and allocations of Employer non-matching contributions, and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options—Participants designate the funds in which their contributions and Employer contributions are to be invested. All investments are participant-directed. The Plan offers various mutual funds, pooled separate accounts and a group annuity contract.

Vesting—Participant's interest in their contributions and Employer contributions is fully vested at all times.

Notes Receivable from Participants—Participants may borrow from their fund account balance in any whole dollar amount which must be a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the participant's vested interest in their account, reduced by the highest outstanding loan balance, if any, during the prior 12 month period. Loan terms range up to 4 years. A participant who is using the loan for the purchase of a primary residence may elect to repay the loan over a period of whole years between 1 and 9. A participant's Roth and after tax account balance will be taken into consideration for purposes of calculating a participant's available loan balance; however, loans may not be taken from the participant's Roth Account. The interest rate for loans issued by the Plan shall be computed by adding one percent to the

prime rate from the Wall Street Journal for the last business day of the quarter preceding the quarter in which the loan is processed. Principal and interest are paid ratably through payroll deductions. Participants may have one loan outstanding at any given time. The interest rate is determined at the time the loan is processed, and shall remain in effect for the term of the loan with the exception of loans while the participant is on leave under the Uniformed Services Employment and Reemployment Rights Act.

Payments of Benefits—Upon termination of employment (including death, disability, or retirement), a participant or his/her surviving spouse beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his/her account paid in cash or as a rollover to another qualified plan or an individual retirement account, or periodic payments under one of two alternative installment options. In any case, a participant or his/her surviving spouse beneficiary whose vested account balance is more than \$5,000 may elect to keep his/her account balance in the Plan until the year in which the participant reaches/would have reached age 70½. In-service withdrawals are permitted if certain criteria are met.

Notwithstanding any provision of the Plan to the contrary, no withdrawal may be made from the participant's Roth account unless the withdrawal is made after the close of the five-consecutive-calendar-year period that began on the first day of the first calendar year in which the Participant made a Roth contribution to the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan utilizes various investment instruments, including mutual funds, pooled separate accounts and group annuity contract. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements and participants' accounts balances.

Investment Valuation and Income Recognition—The Plan's investments are measured at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market members at the measurement date (i.e. an exit price). A more detailed description of the individual types of securities can be found in Note 3.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends and capital gains are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan has entered into a benefit-responsive investment contract (the “Guaranteed Income Fund”) with Prudential. The Guaranteed Income Fund represents 14.9% and 27.7% of total assets available for benefits as of December 31, 2014 and 2013, respectively. Prudential maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for the participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan.

As described above, because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the guaranteed investment contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1.5%, such interest rates are reviewed on a semiannual basis for resetting. The fair value of the investments in these funds is estimated to equal to the contract value as of December 31, 2014 and 2013 as contract value is a good proxy for fair value. The average effective yield of the Guaranteed Income Fund for the years ended December 31, 2014 and 2013 was 1.65% and 1.85% respectively, and the crediting interest rate was 1.65% and 1.85%, respectively. Generally, there are not any events that could limit the ability of the Plan to transact at contract value. In addition, there are not any events that allow the issuer to terminate the contract and that require the plan sponsor to settle at an amount different from the contract value; however, there are certain limitations upon certain pool transfers and discontinuance transfers which are in excess of 10% of total assets as of the beginning of the year of the event. If such an event occurs Prudential has the right under the contract to defer payments, which typically is 90 days but could be up to 5 years. Plan management does not believe the occurrence of such events is probable as of December 31, 2014.

Contributions—Participant contributions and related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participants’ compensation.

Administrative Expenses—The Plan Sponsor provides accounting and other administrative services to the Plan at no charge. Administrative expenses are paid by the Plan or the Company in accordance with the Plan document. Certain investment related expenses reduce investment income in the accompanying statement of changes in net assets available for benefits. During the year ended December 31, 2014, Prudential contributed to the Plan certain amounts which were used to pay Plan expenses, including investment advisory fees. These amounts are shown net of expenses on the statement of changes in net assets available for benefits and were immaterial to the Plan’s financial statements. Administrative fees not paid directly by participants or the Company are paid by the Plan. Expenses paid by the Company have been excluded from these financial statements.

Benefits Paid to Participants—Benefit payments to participants are recorded upon distribution. Additionally, for loans declared in default the principle and accrued interest are recorded as a distribution.

Notes Receivable from Participants—Participant loans are measured at their unpaid principal balance. Any accrued but unpaid interest was de minimis. Delinquent participant loans are recorded as distributions based on the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2014 or 2013.

3. FAIR VALUE MEASUREMENT

Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets and liabilities; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available or quoted prices in an active market for similar assets and liabilities; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques—Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

- Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Pooled separate accounts (“PSAs”) - Fair value is estimated based on NAV, which is used as a practical expedient to estimate fair value. While NAV for a PSA is quoted in a market that is not active, classification in the fair value hierarchy is based on the observability of the investments held in the PSA. Accordingly, the Plan has classified PSAs based on the lowest level input that is significant to NAV. There are no unfunded commitments related to the PSAs and investments in PSAs can be redeemed on a daily basis.
- Group annuity contract – The fair value is based on unobservable inputs and is valued by Prudential Retirement Insurance and Annuity Company at contract value, which represents deposits to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees as discussed in Note 2. The Plan was transacting at contract value on the measurement date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

Transfers Between Levels— The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan Administrator evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers between levels for the years ended December 31, 2014 and 2013.

4. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments include shares of mutual funds, PSAs and a group annuity contract managed by Prudential. Prudential is the trustee and custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

Certain administrative functions are performed by the officers and employees of the Company (who may also be participants in the Plan) at no cost to the Plan.

The Plan issues loans to participants which are secured by the vested balance of the participant's account.

These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory or administrative exceptions from the Code and ERISA's rules on prohibited transactions.

5. INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The following is a summary of the unaudited information regarding the Plan as of December 31, 2014 and 2013 and for the year ended December 31, 2014 included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Prudential, the trustee and custodian of the Plan, and furnished to the Plan administrator. 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Participant loans are reported as notes receivable from participants in the accompanying financial statements as required by the current authoritative guidance; however, for Form 5500 purposes and reporting on supplemental Schedule of Assets (Held at End of Year) they are shown as investments.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time. At the time of termination, the Plan shall be valued and distributions to participants shall be made.

9. FEDERAL INCOME TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Plan administrator by a letter dated October 6, 2014, that the Plan is qualified and therefore is tax-exempt, under the appropriate sections of the Code. The Plan has been amended since the date of this letter; however, Plan management believes the Plan and Trust continue to be tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is not subject to income tax examinations for years prior to 2011.

10. SUBSEQUENT EVENTS

The Plan sponsor has evaluated subsequent events through October 13, 2015 which is the date of the financial statements were available to be issued. No events or transactions discovered during this evaluation require recognition or disclosure in the financial statements other than the events noted below.

The Plan sponsor amended the Plan during 2015 effective January 30, 2015, February 4, 2015, March 12, 2015, May 5, 2015, May 13, 2015, May 21, 2015 and July 10, 2015. These amendments include changes to contracted employees that are eligible for the Plan.

Effective December 31, 2014 the accounts of the Management Benefitted employees participating in the Exelis ISP were effectively transferred to the Plan. The transfer of assets included Exelis and Vectrus stock funds which were recorded as a receivable, as of December 31, 2014, on the Statement of Net Assets Available for Benefits. The Plan was amended to accept the Exelis and Vectrus stock shares from the Exelis ISP plan. On January 22, 2015, the assets from the Exelis ISP plan were transferred to the Vectrus 401(k) Plan. Vectrus Management made the decision that the Exelis and Vectrus stock would be liquidated in 2015.

Prior to Exelis and Vectrus stock being liquidated in 2015, Exelis, Inc. was acquired by Harris Corporation on May 29, 2015. Vectrus Management made the decision to not accept Harris stock into the Vectrus 401(k) Plan from the acquisition. Instead, the Harris stock was liquidated with the cash proceeds deposited into the participants account according to their investment elections. This was completed by June 5, 2015.

The liquidation of Vectrus Stock occurred on September 15, 2015 with assistance from Evercore Trust Company, N.A.
