Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by State Street Bank and Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2014 and 2013, and for the year ended December 31, 2014 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Basis of Accounting

We draw attention to Note 2 to the financial statements which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1: DESCRIPTION OF PLAN

The following brief description of Christy and Associates, Inc. 401(k) Plan (the Plan) is provided only for general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan provides retirement benefits to all employees of Christy and Associates, Inc., and its affiliated entities, Riverbank Restaurants, Inc., Caron Products & Services, Inc., Lodging Associates of St. Clairsville, Inc., MARCH Investors, Ltd., Georgetown Lodging, LTD, Martel Lodging LTD, Westel Lodging LTD, Rossi Pasta LTD, and Camtel Lodging, Ltd. (collectively referred to as the Employers). All employees of the Employers are eligible to participate once they have completed three months of service. Entry dates are the first day of the month following the completion of the eligibility requirements. The Administrative Committee is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

CONTRIBUTIONS

Each year, participants may elect to contribute up to 75% of pretax annual compensation as defined by the Plan, subject to Internal Revenue Code limits. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company will make a matching contribution on the employee's behalf. Prior to February 1, 2014, the maximum amount of this matching contribution was equal to 25% of the first 4% of the employee's pre tax contribution. Effective February 1, 2014, the maximum amount of this matching contribution is equal to 50% of the first 4% of the employee's pretax contribution. Depending on business conditions, the Company may make a discretionary profit sharing contribution. The Company did not make a profit sharing contribution for the plan year ended December 31, 2014.

PARTICIPANT ACCOUNTS

An individual account has been established for each participant into which the participant's contribution, the Employers' matching contribution, allocations of the Employers' discretionary profit sharing contribution, and Plan earnings, net of an allocation of administrative expense, if any, are accumulated. Allocations of the discretionary profit sharing contribution and administrative expense are based on participant compensation or account balances, as defined. The Plan is participant-directed; therefore, each participant's investment earnings are determined by the participant's individual investment decisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1: DESCRIPTION OF PLAN (Continued)

VESTING

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Employer's matching and discretionary profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may apply for a loan from their account under the Plan. Certain legal restrictions impose limits on the amount of the loan and repayment terms. The minimum loan amount is \$500. The maximum loan amount is equal to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in *The Wall Street Journal* on the 14th of each month, plus two percentage points. Only one loan may be outstanding at a time. Generally, the participant's loan must be repaid through payroll deductions within five years, unless the loan is for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions.

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum or rollover in an amount equal to their vested balance. Upon death, a participant's vested account will be paid to their spouse or beneficiary in a single lump-sum payment. Payment of amounts greater than \$5,000, upon termination of service, may be deferred until the participant reaches age 70½. If the benefit is \$1,000 or less, the benefit will be automatically paid in a lump-sum payment. If the benefit is between \$1,000 and \$5,000, the vested balance will be transferred to an IRA established by the plan sponsor, unless the participant elects otherwise.

FORFEITED ACCOUNTS

As of December 31, 2014 and 2013, forfeited nonvested accounts totaled \$1,460 and \$1,460, respectively. These accounts will be used to reduce future employer contributions.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Transactions are reported on the cash basis, except for excess contributions payable, which are recorded in the year they are correcting, and for net appreciation in fair value of investments, including unrealized gains and losses during the year related to the value of investments.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (Continued)

USE OF ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are reported at their unpaid principal balances. Interest income is recorded on the cash basis. Related fees are paid by the plan sponsor. No allowance for credit losses has been recorded as of December 31, 2014 or 2013.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2014 excess contributions to the applicable participants prior to March 15, 2015.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Employers and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are paid by the plan sponsor. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3: INFORMATION CERTIFIED AND PROVIDED BY TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, except for comparing such information to information included in the Plan's financial statements and supplemental schedule. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2014 and 2013, and net appreciation (depreciation) in fair value of investments, interest and dividend income, and other income for the year ended December 31, 2014, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by State Street Bank and Trust Company (State Street), trustee of the Plan.

The following table presents the value of the investments in this Plan that were certified by State Street. Single investments representing 5% or more of the Plan's net assets as of December 31 are separately identified. In addition, State Street certified as to the completeness and accuracy of notes receivable from participants as reported below.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 1 assets include investments in registered investment companies.
- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. Level 2 assets include investments in common and collective trusts and interest-bearing cash.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan has no level 3 assets.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Registered investment companies: Valued at the daily closing price as reported by the fund. Registered investment company funds held by the Plan are open-end funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Common and collective trusts: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Cash, Interest-Bearing: Valued based on the current market values of the underlying assets of the fund, representing the net asset value of units held by the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5: NET ASSET VALUE (NAV) PER SHARE

In accordance with the fair value measurements and disclosures guidance, the category, fair value, redemption frequency, and redemption notice period for plan investments, the fair value of which are estimated using the NAV per share, as of December 31, 2014 and 2013, are as follows. There were no unfunded commitments as of December 31, 2014 and 2013.

	Fair Value		Redemption Frequency (If Currently Eligible)	Redemption Notice Period
	<u>2014</u>	<u>2013</u>	<u>2014 and 2013</u>

Index funds (c)	<u>543,378</u>	<u>456,417</u>	Daily	Daily
 TOTAL	 <u>\$ 891,213</u>	 <u>\$ 740,662</u>		

(a) Funds in this category seek to maximize current income, to the extent consistent with the preservation of capital and liquidity and the maintenance of a stable \$1.00 per share NAV, by investing in U.S. government securities and in repurchase agreements collateralized by U.S. government securities.

(b) Funds in this category seek a broad diversification and a disciplined rebalancing process to provide growth moderated by exposure to fixed income investments over the long-term.

(c) Funds in this category utilize a “passive” investment approach, attempting to replicate the investment performance of its benchmark through automated statistical analytical procedures.

NOTE 6: RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of common and collective trusts and interest-bearing cash managed by State Street Global Advisors (SSgA), an entity related to State Street. State Street is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Administrative functions are performed by officers or employees of the Employers. No officer or employee receives compensation from the Plan. Administrative expenses for certain trustee fees and the independent auditor’s fees are paid by the Employers no cost to the Plan.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

NOTE 8: TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service, the master prototype plan from which the Plan was drafted has received a favorable opinion letter dated March 31, 2008, stating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Even though the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits - modified cash basis.
