Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Humedica, Inc. 401(k) Retirement Plan as of December 31, 2014, and the changes in net assets available for benefits for the year ended December 31, 2014 in accordance with accounting principles generally accepted in the United States of America.

Other Matter - Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) as of December 31, 2014 and schedule of delinquent participant contributions for the year ended December 31, 2014 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Compiled 2013 Financial Statements

We have compiled the accompanying statement of net assets available for benefits of Humedica, Inc. 401(k) Retirement Plan as of December 31, 2013. We have not audited or reviewed the accompanying statement of net assets available for benefits and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist Plan management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2014 and 2013 and for the Year Ended December 31, 2014

NOTE 1 - Description of the Plan

The following description of the Humedica, Inc. 401(k) Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Humedica, Inc. ("the Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). All employees who have completed at least 1 month of service with the Company, as defined in the Plan, and are age 21 or older are eligible to participate.

Contributions

Each year, the participants may contribute an amount up to the maximum dollar amount permissible under the Internal Revenue Code ("the Code"). Elective deferrals include pre-tax deferrals and/or Roth deferrals. Eligible employees are automatically enrolled at an employee pre-tax contribution rate of 3% of their eligible pay, unless they decline to participate within a prescribed time limit or they elect a different pre-tax and/or Roth contribution rate. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions, subject to limitations imposed by the Code.

The Company may, in its discretion, contribute an additional amount to the Plan, to be distributed among participants pro rata based upon compensation within limitations as determined by the Code. No discretionary contributions were made for the year ended December 31, 2014.

Effective December 31, 2014, the plan was frozen to all future contributions.

Participant Accounts

Each participant's account is credited with the participant's salary reduction contributions, rollover contributions and an allocation of the Company's contributions and plan earnings (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Classification

All investments are participant directed. Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them through a registered investment company.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2014 and 2013 and for the Year Ended December 31, 2014

NOTE 1 - Description of the Plan (cont.)

Vesting

Participants are immediately vested in their salary reduction and rollover contributions plus earnings thereon. Participants who leave the Plan because of death, early or normal retirement, or disability retirement, as defined in the Plan, are considered 100% vested. Company contributions and earnings thereon vest in accordance with provisions of the Plan as follows:

Less than 1 year	0%
1	25%
2	50%
3	75%
4 or more	100%

Forfeited Accounts

As of December 31, 2014 and 2013, there were no forfeited nonvested accounts.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined in the Plan document. The Plan provides for normal retirement at age 65. The total vested portion of a participant's account balance is distributed in the form of a lump-sum payment. Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the Plan.

There are no amounts owed to the participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2014 and 2013.

Termination of Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. These loans are secured by the balance in the participant's account. The loans bear interest at rates which are commensurate with local prevailing rates as of the date of the inception of the loan as determined by the Company. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

The Company pays a portion of the Plan's administrative expenses.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2014 and 2013 and for the Year Ended December 31, 2014

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Risks and Uncertainties

The Plan has investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 5 Fair Value of Financial Instruments for details on inputs, valuation techniques and fair value measurement level within the fair value hierarchy.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in the fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the period. The net realized gains or losses on the sale of investments represents the difference between the sale proceeds and the fair value of the investments as of the beginning of the period or the cost of the investments if purchased during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Humedica, Inc. 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

T. Rowe Price Retirement 2025 Fund	\$ 657,035	\$ 515,773
T. Rowe Price Retirement 2030 Fund	429,307	306,679

Mutual funds	\$ 45,688
--------------	-----------

NOTE 4 - Fair Value of Financial Instruments

The Plan follows U.S. GAAP for measuring, reporting, and disclosing fair value. These standards apply to all assets and liabilities that are measured, reported, and/or disclosed on a fair value basis.

As defined in the accounting standards, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities measured, reported and/or disclosed at fair value will be classified and disclosed in one of the following three categories:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly.

Level 3 - Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Mutual funds: Valued at the daily closing price reported by the fund.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2014 and 2013 and for the Year Ended December 31, 2014

NOTE 4 - Fair Value of Financial Instruments (cont.)

The Company is responsible for the determination of fair value. Accordingly, the Company performs periodic analysis on the prices received from T. Rowe Price Retirement Plan Services, Inc. ("the Custodian") to determine whether the prices are reasonable estimates of fair value. As a result of these reviews, the Company has not historically adjusted the prices obtained from the Custodian. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The table below presents the balances of assets measured at fair value on a recurring basis by level within the hierarchy.

Humedica, Inc. 401(k) Retirement Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2014 and 2013 and for the Year Ended December 31, 2014

NOTE 5 – Party-in-interest

The Plan pays various fees to the Custodian, including recordkeeping and investment management fees. These transactions are exempt party-in-interest transactions.

NOTE 6 - Tax Status

The Plan uses a prototype plan document sponsored by the Custodian. The Custodian received an opinion letter from the Internal Revenue Service (IRS), dated March 31, 2008, which states the prototype document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the determination letter, the Company believes that the Plan is designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014 and 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Company believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 7 – Late Contributions

During 2014, the Employers failed to remit all employee contributions to the Plan on a timely basis, which is a prohibited transaction under ERISA. The Plan Administrator has calculated the lost earnings to the participants and has contributed that amount to the Plan in order to correct the prohibited transactions.
