THYBAR CORPORATION SALARY SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

Years Ended December 31, 2014 and 2013

NOTE 1 – DESCRIPTION OF THE PLAN:

The following description of the Thybar Corporation Salary Savings Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description for more information.

General

The Plan is a defined contribution plan with a plan year beginning January 1 and ending December 31.

The Plan covers the following employees who have at least six months of service and who work at least 83 hours per month. All employees of the Company who have reached age 20-1/2 including employees of certain related businesses are eligible, except for leased employees, members of Sheet Metal Workers Union Local 265 hired before January 1, 2011, employees not employed by the adopting employer, employees who are not otherwise eligible for other fringe benefit plans of the employer, and non-resident aliens. Members of Sheet Metal Workers Union Local 265 are eligible to make elective deferral contributions to the Plan but the Employer will not fund any employer contributions to these employees under this Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may elect to voluntarily defer from 2% to 93% of their pre-tax annual compensation. Contributions may not exceed the limitations prescribed by law. Rollovers from another employer's qualified retirement plan are accepted. The Company contributes an employer match contribution as a discretionary percentage of the salary deferrals made by each participant. The Company contributes an amount equal to 25% of the salary deferrals made by each participant. The employer shall not make matching contributions with respect to elective deferrals in excess of 6% of a participant's compensation. Contributions to the Plan are invested in various mutual funds and securities as directed by the Plan's participants.

In addition, the Company contributes 3% of each eligible participant's annual compensation as a safe harbor non-elective contribution. This safe harbor contribution is made to the Thybar Corporation Employee Stock Ownership Plan. The Company did not make any safe harbor contributions to union employees for the year ended December 31, 2014.

Vesting

Participants are fully vested in their salary deferral and employer safe harbor accounts as of the first day in which they participate in the Plan. Participants are 20% vested in their employer match accounts after two years of vesting service as defined by the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (CONT'D):

Vesting (Cont'd)

Participants are 100% vested in their employer match accounts plus actual earnings thereon after six years of credited service or upon reaching normal retirement age.

Participant Accounts

Each participant's account is credited with the participant's contributions, the employer's matching and safe harbor contributions, and earnings or losses. Allocations are based on the participant's earnings or account balances, as defined. Plan earnings are allocated on a daily basis. The benefit to which a participant is entitled to is the vested benefit that can be provided from the participant's account. Participants self-direct their contributions to the 401(k) plan and their share of the Company's employer match contribution among the investment options available under the Plan.

Payment of Benefits

Upon termination of employment with the Company, or retirement, attainment of age 59 ½ with five years of plan participation, disability, or death, the entire vested amount of the participant's account balance is payable to the participant or participant's beneficiaries. A participant may elect to receive one's vested account balance as a lump sum distribution, a rollover into another qualified plan, or a combination of more than one distribution type.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a fixed rate determined by the plan administrator. Principal and interest are paid ratably through regular payroll deductions.

Forfeitures

Forfeitures are retained in the Plan and are used to pay administrative expenses and reduce any future employer contributions. The forfeiture account balance was $5,552 and $5,021 at December 31, 2014 and December 31, 2013 respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following accounting policies, which conform with generally accepted accounting principles, have been used consistently in the preparation of the Plan's financial statements:

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statements of Net Assets Available for Benefits present the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investments

The Plan's investments are stated at fair value, which generally represents reported market value as of the last business day of the year. Investments in money market funds are carried at cost, which approximates fair value. Dividends, interest, capital gains, realized and unrealized gains and losses and investment expenses for mutual funds are included in net appreciation (depreciation) in fair value investments in the Statement of Changes in Net Assets Available for Benefits, and consist of the realized gains or losses and the unrealized appreciation or depreciation of these investments.

The Plan has entered into a benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company (Voya). Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment is included in the financial statements at fair value with an adjustment to contract value as reported to the Plan by Voya. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed minimum interest rate is 3%.

Administrative Expenses

Certain management, administrative and legal services are provided to the Plan by Thybar Corporation without charge to the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D):

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3 – FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

	Fair Value	Level 1	Level 2	Level 3
December 31, 2014				
Money market funds	$ 5,552	$ 5,552	$ -	$ -
Other stock and bond funds	6,435,109	6,435,109	-	-
Investment contract	1,537,698	-	1,537,698	-
Total	$ 7,978,359	$ 6,440,661	$1,537,698	$ -
December 31, 2013				
Money market funds	$ 5,021	$ 5,021	$ -	$ -
Other stock and bond funds	5,838,734	5,838,734	-	-
Investment contract	1,521,631	-	1,521,631	-
Total	$ 7,365,386	$ 5,843,755	$ 1,521,631	$ -

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 or Level 2 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONT'D):

Level 1 Fair Value Measurements

The fair value of funds is based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of funds investing in fixed maturity securities are measured based on the pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs.

Level 3 Fair Value Measurements

Valuation is based on significant unobservable inputs including the reporting entity's own assumptions in determining the fair value of investments.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2014 and 2013 are reported in net appreciation/depreciation in fair value of investments.

NOTE 4 – INVESTMENTS:

The Statements of Net Assets Available for Benefits for the years ended December 31, 2014 and December 31, 2013 and the investment activities for the years then ended included on the Statement of Changes in Net Assets Available for Benefits, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

NOTE 6 – RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – PRIORITIES UPON TERMINATION:

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 8 – TAX STATUS:

The Internal Revenue Service has issued an opinion letter dated March 31, 2008 indicating that the Plan, as designed, is a qualified plan under Internal Revenue Code Section 401(a). Management believes that the Plan, as designed, is being operated in accordance with applicable regulations and, therefore, is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code.

NOTE 9 – AMOUNTS ALLOCATED TO WITHDRAWN PARTICIPANTS:

Approximately $2,065,140 and $2,038,418 of plan assets have been allocated to the accounts of persons who are no longer active participants of the Plan as of December 31, 2014 and 2013 respectively, but who have not yet received distributions as of that date.

Subsequent events were evaluated through October 13, 2015, which is the date the financial statements were available to be issued.
