INDEPENDENT AUDITOR'S REPORT

Empire State Highway Contractors Association, Inc.
Retirement Plan for the Employees of
Tetra Tech Construction, Inc.
Mayfield, New York

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Empire State Highway Contractors Association, Inc. Retirement Plan for the Employees of Tetra Tech Construction, Inc. (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified or provided by NBT Bank, N.A., the trustee of the Plan, except for comparing this information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's assets and executes transactions. The Plan Administrator has obtained certifications from the trustee as of December 31, 2014 and 2013, and for the years then ended, that the information provided to the Plan Administrator by the trustee is complete and accurate.

An Independently Owned Member, McGladrey Alliance

McGladrey Alliance is a premier affiliation of independent accounting and consulting firms. McGladrey Alliance member firms maintain their name, autonomy and independence and are responsible for their own client fee arrangements, delivery of services and maintenance of client relationships.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As further discussed in Note A, the Plan was merged into the Tetra Tech, Inc. and Subsidiaries Retirement Plan effective December 31, 2014. Our disclaimer of opinion is not modified with respect to this matter.

Other Matter

The supplemental schedule of assets held and schedule of reportable transactions as of or for the year ended December 31, 2014, are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purposes of additional analysis and are not a required part of the financial statements. These supplemental schedules are the responsibility of the Plan's management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified or provided by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

EMPIRE STATE HIGHWAY CONTRACTORS ASSOCIATION, INC. RETIREMENT PLAN FOR THE EMPLOYEES OF TETRA TECH CONSTRUCTION, INC.

December 31, 2014 and 2013

NOTE A--DESCRIPTION OF PLAN

The following description of Empire State Highway Contractors Association, Inc. Retirement Plan for the Employees of Tetra Tech Construction, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all non-leased and non-union employees of the Tetra Tech Construction, Inc. and Tetra Tech Construction Craft Payroll, LLC (collectively, the Company). Employees are eligible to participate on commencement of employment. Employment with all employer members of the Empire State Highway Contractors Association, Inc. (ESHCA) is credited as service when determining a year of vesting service and eligibility for early retirement. The Plan is subject to the provisions of ERISA. The Board of Governors (BOG) is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investments, monitors the investment performance and reports to the BOG.

All of the Plan's investments are held in a bank-administered trust fund. None of these investments are participant directed.

Plan Merger: Effective December 31, 2014, the sole Director of the Company adopted a resolution to merge the Plan into the Tetra Tech, Inc. and Subsidiaries Retirement Plan (Tetra Tech Plan). As a result, net assets of \$31,268,505 became subject to and governed by the terms of the Tetra Tech Plan as of December 31, 2014. Due to the nature of the Plan and timing of contributions, physical transfer of assets occurred through multiple transactions in 2015. The Plan was amended in its entirety to incorporate the terms of, and to become part of, the Tetra Tech Plan. Additionally, effective December 31, 2014, NBT Bank N.A. was removed as trustee of the trust established under the Plan, and Wells Fargo Bank N.A., in its capacity as trustee of the Tetra Tech Plan, became the successor trustee.

Contributions: The Company makes contributions to the Plan in an amount equal to the sum of:

- (1) any specified prevailing pension supplement as indicated by wage schedules issued by the New York State Department of Labor under Article 8, Section 220, of the New York State Labor Law, or by the U.S. Department of Labor under the Davis-Bacon Act,

NOTE A--DESCRIPTION OF PLAN--Continued

Contributions--Continued:

- (2) 1.5% of compensation of participants for whom no contribution is made under (1) above, and
- (3) any additional amount determined by the Company's Board of Directors in its discretion.

Additionally, each participant may elect to voluntarily make employee after-tax contributions, not to exceed amounts which would cause the Plan to violate certain nondiscrimination requirements, or limitations on benefits, through a payroll withholding agreement, or by a lump sum payment to the trust.

Participant Accounts: Each participant's account is credited with an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts and charged with Plan losses and an allocation of administrative expenses. Allocations are based on specified formulas which consider participant earnings and account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. In order to be eligible for an allocation of annual Company contributions and forfeitures, a participant must either complete 1,000 hours of service (or such adjustment of hours downward in order to obtain 70% employee eligibility), have attained age 59½, retire, die, or become disabled during the Plan year.

Vesting: Vesting of a participant's account is based upon years of service in which a participant is credited with at least 1,000 hours of service (or such adjustment of hours downward as previously noted). Vesting is graded as follows:

	<u>Vested Percentage</u>
After 2 years of vesting service	20%
After 3 years of vesting service	40
After 4 years of vesting service	60
After 5 years of vesting service	80
After 6 years of vesting service	100

Participants always own 100% of their employee after-tax accounts and rollover transfer accounts.

NOTE A--DESCRIPTION OF PLAN--Continued

Forfeitures: When termination of employment with the Company occurs, the nonvested portion of a participant's account represents a forfeiture. Forfeitures are held in the participant's account until the participant has incurred 5 consecutive one year breaks-in-service. As of the end of each Plan year, forfeitures, which have become available, are reallocated to eligible participants in accordance with the Plan agreement. At December 31, 2014 and 2013, forfeitures being held totaled \$2,600,512 and \$2,694,591, respectively; forfeitures reallocated in 2014 and 2013 totaled \$498,696 and \$317,621, respectively.

As a result of the Plan Merger, effective December 31, 2014, the remaining forfeitures held will be allocated subject to the provisions of the Tetra Tech Plan.

Payment of Benefits: On termination of service due to death, disability or normal retirement (age 65 or age 55 and completion of 6 or more years of vesting service), a participant may elect to receive an amount equal to the participant's account balance in either a lump-sum amount, or in periodic payments over a period of up to 15 years.

In the event of the termination of a participant's employment for any reason other than normal retirement, death or disability, the participant's vested account balance will become payable at his or her normal retirement date. The participant may request that his or her benefits commence as of the beginning of any month following a Plan year in which the participant has incurred 3 consecutive one year breaks-in-service from all employer members. A participant who has not severed employment with the employer member may also request a distribution once they attain age 55 and has completed 6 or more years of vesting service.

NOTE B--SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value (see Note D). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The investment in the collective trust is valued at the redemption price of the units of participation as determined by NBT Bank, N.A., the trustee and fund sponsor, and is based on the quoted market value of the underlying investments in the trust. The BOG determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

NOTE B--SUMMARY OF ACCOUNTING POLICIES--Continued

Investment Valuation and Income Recognition--Continued: Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the accrual basis.

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Events Occurring After Report Date: The Plan Administrator has evaluated events and transactions that occurred between December 31, 2014 and October 9, 2015, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. There were no such events or transactions identified by the Plan Administrator, other than the Plan Merger (Note A).

NOTE C--INVESTMENTS

NOTE C--INVESTMENTS--Continued

During 2014 and 2013, the Plan's investment in the collective trust (including units of participation bought, sold, and held during the year) appreciated in value by \$1,765,021 and \$4,776,878, respectively.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability; and• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

Following is a description of the valuation methodologies used for investments measured at fair value:

Interest-bearing cash: The fair value of interest-bearing cash approximates its carrying value due to the nature of the instrument.

Collective trust: The Plan's interest in the collective trust is based on periodic valuations performed by the trustee using current market values of the underlying assets of the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in methodologies used at December 31, 2014 and 2013.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

Investments at Fair Value as of:				
December 31, 2014				
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 37,668	\$ -0-	\$ -0-	\$ 37,668
Collective trust	-0-	30,487,903	-0-	30,487,903

NOTE E--TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated July 15, 2011 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE F--PARTIAL PLAN TERMINATION

In 2014, the Company downsized its operations which resulted in a partial plan termination. All participants affected by the partial plan termination became 100% vested in their respective account balances as of December 31, 2014.

NOTE G--RELATED PARTY AND PARTIES IN INTEREST TRANSACTIONS

The Plan has not considered Company contributions to the Plan or benefits paid by the Plan to participants as party in interest transactions.

Tetra Tech Construction, Inc., sponsor of the Plan, is an employer member of ESHCA, a trade association of non-union heavy highway construction contractors ("employer members"). ESHCA acts as third-party contract administrator. Fees paid by the Plan for administrative, accounting, legal, investment management, and other professional services are allocated to the Plan based on its pro rata share of the collective trust's investments. The Plan's administrative expenses amounted to \$170,544 and \$84,222 for the years ended December 31, 2014 and 2013, respectively.

NOTE G--RELATED PARTY AND PARTIES IN INTEREST TRANSACTIONS--Continued

The Plan Administrator and legal counsel to the Plan believe all party in interest transactions qualify for either statutory or administrative exemption from the prohibited transaction rules under ERISA.

NOTE H--RISKS AND UNCERTAINTIES

The Plan invests primarily in a collective trust. The collective trust's underlying securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
