INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Sherman & Howard Retirement Plan #1
Denver, Colorado

REPORT ON FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Sherman & Howard Retirement Plan #1 (the "Plan"), which are comprised of the statement of net assets available for benefits as of December 31, 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

To the Board of Trustees
Sherman & Howard Retirement Plan #1
Page Two

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Sherman & Howard Retirement Plan #1 as of December 31, 2014, and the changes in net assets available for benefits for the year ended December 31, 2014, in accordance with accounting principles generally accepted in the United States of America.

REPORT ON SUPPLEMENTARY INFORMATION

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

OTHER MATTER - 2013 FINANCIAL STATEMENTS

Prior Year Auditors

The financial statements of the Plan as of December 31, 2013 were audited by other auditors, whose report dated September 11, 2014 expressed an unmodified opinion on those statements.

SHERMAN & HOWARD RETIREMENT PLAN #1

Notes to Financial Statements

Note 1 - Description of the Plan and Significant Accounting Policies

The following description of Sherman & Howard Retirement Plan #1 (the "Plan") provides only general information. Participants and all others should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

General

The Plan is a single-employer defined contribution plan, established March 31, 1968, and subsequently amended, by the law firm of Sherman & Howard L.L.C. (the "Firm" or "Plan Sponsor"). The Firm maintains a total of five separate retirement plans (the "Plans") for the members and employees of the Firm. The retirement plans include two defined benefit plans, Sherman & Howard Equity Member Cash Balance Plan A and Sherman & Howard Equity Member Cash Balance Plan B, and three defined contribution plans, Sherman & Howard Retirement Plan #1, Sherman & Howard Retirement Plan #2, and Sherman & Howard Retirement Plan for Associates. The plan assets for the three defined contribution plans (the "Combined Plans") are maintained collectively in a trust, and the recordkeeping is maintained at both the combined and individual plan levels. The Plan represents 47% of the Combined Plans' assets held in the trust.

The Plan Sponsor administers the Plans. Charles Schwab Bank Business Trust Division ("Schwab") serves as custodian and manages the Combined Plans' assets. Milliman USA, Inc. ("Milliman") maintains the Combined Plans' records. The Combined Plans offer participants a variety of investment options, and individuals may invest in the various investment options through self-directed brokerage accounts or the Firm's selected investment funds.

Eligibility

In order to become eligible and participate in employee deferrals, one year of service is required prior to an entry date of the Plan (January 1 or July 1) for participants to make contributions by salary reduction under Internal Revenue Code ("IRC") Section 401(k). Under certain circumstances, a new employee or member may be credited with past service from a previous employer and become eligible to make employee deferrals prior to completing one year of service at the Firm.

In order to become eligible for employer contributions, an employee, member, or employee of a member of the Firm must have completed two years of service (1,000 hours in an employment year to be considered one year of service) without an intervening break in service prior to an entry date of the Plan (January 1 or July 1). Participants must be employed on the last day of the year and must complete 1,000 hours of service during the year to be eligible to receive employer contributions except in the circumstances of death, disability, or attainment of normal retirement age. Under certain circumstances, a new employee or member may be credited with past service from a previous employer and become eligible for employer contributions prior to completing two years of service at the Firm.

SHERMAN & HOWARD RETIREMENT PLAN #1

Notes to Financial Statements

Note 1 - Description of the Plan and Significant Accounting Policies (continued)

Eligibility (continued)

Employees, counsel, and non-equity members whose last names begin with the letters A to I and all equity members are eligible to participate in the Plan. Employees, counsel, and non-equity members whose last names begin with the letters J through Z are not eligible to participate in the Plan. Associate employees are not eligible to participate in the Plan.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted the United States of America.

Participants' Accounts

Each participant's account is credited or charged with the participant's salary deferral and an allocation of the Firm's contributions, Plan earnings, and Plan expenses. Allocations of employer contributions are based on participant compensation, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance.

Employer and Employee Contributions

The Combined Plans provide for contributions to all participant groups based on eligible compensation at a contribution percentage determined at the Firm's discretion.

Employer contribution percentages for each Plan year shall be adjusted as may be required so that employer contributions for the Plan year are non-discriminatory. The employer contribution for equity members is split evenly between Retirement Plan #1 and Retirement Plan #2. The employer contributions for the other participant groups are made to the retirement plan in which the individual participates, as determined by the eligibility terms defined above. Employer contributions are funded on an annual basis.

Participants' contributions by salary reduction under IRC Section 401(k) are allowed and limited by the Plan and the dollar maximum set by law. Participants may make contributions up to 100% of their annual compensation, not to exceed \$17,500 as limited by the IRS for 2014. In addition, participants who have attained age 50 by December 31st may make a "catch-up" contribution of up to \$5,500, as allowed by the IRS in 2014.

IRC Section 415 limits the aggregate contribution made to all plans, which may reduce the contribution allowed under this Plan. Participants direct 100% of their contributions into various investment options offered by the Plan. The Plan also permits rollover contributions from other qualified defined benefit or defined contribution plans or IRAs. Employee contributions to the Plan are made through regular payroll deductions.

SHERMAN & HOWARD RETIREMENT PLAN #1

Notes to Financial Statements

Note 1 - Description of the Plan and Significant Accounting Policies (continued)

Investment Options

The investments of the Plan assets are 100% participant directed. Upon enrollment, and at any time thereafter, participants can direct the investment of their account balances to either of the following two alternative investment programs and the various investment choices within each alternative: Core Mutual Funds ("Core Funds") or the self-directed brokerage accounts - Schwab Personal Choice Retirement Account ("PCRA").

The daily accounting and valuation services for the Core Funds and the PCRA's are performed by Milliman. Investments are valued on a daily basis. The participants can access Milliman's website at anytime to make transfers among the various Schwab funds and their PCRA's.

Vesting

A participant's deferrals and all other contributions made to the Plan are 100% vested at all times under the Plan.

Participant Loans

Loans from a participant's retirement account are not permitted under the terms of the Plan. In the event that the Firm acquires another firm, any existing loans under the retirement plan of the acquiree may be rolled into this Plan and subject to the original payment terms.

Payment of Benefits

Distributions to participants are available upon retirement, death, total disability, or termination of employment. Upon retirement, death, total disability, or termination of employment, a participant may elect to receive either a lump-sum amount or monthly, quarterly, or annual installments. Annuities are available as the form of benefit for assets from the merged Money Purchase Pension Plan (which was merged into the Plan in a prior year). In-service withdrawals are available to participants who have attained age 59½ or who have experienced a hardship. For individuals with a remaining balance in the individual's former Money Purchase Pension Account, the individual must have attained the age of 62 to make in-service withdrawals of such amounts. The normal retirement age under the Plan is 65. Participants may withdraw money attributed to their rollover balances at any time. Accounts with balances less than \$1,000 may be immediately distributed upon a distribution event. Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

SHERMAN & HOWARD RETIREMENT PLAN #1

Notes to Financial Statements

Note 1 - Description of the Plan and Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan provides for various investments that, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Plan participants may elect to invest in various investment options through self-directed brokerage accounts. This offering carries risks, including the potential for significant concentrations in individual securities and lack of diversification for the participant's portfolio.

Additionally, some investments held by the Plan are invested in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

Valuation of Investments and Income Recognition

Investments are stated at fair value. Investments in mutual funds, bonds, and self-directed brokerage accounts are reported at the last reported sales price at the end of the respective period using quoted market prices. Money market funds are stated at net asset value.

The net realized and unrealized investment gain or loss (net appreciation or depreciation in fair value of investments) is reflected in the accompanying statement of changes in net assets available for benefits and is determined as the difference between fair value at the beginning of the year (or date purchased if during the year) and selling price (if sold during the year) or year-end fair value. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized on the accrual basis. Dividends are recognized on the ex-dividend date.

As the investments are commingled in the Combined Plans and maintained together, the assets in the investment funds are presented in Note 2 at the combined level with a breakdown to the individual plan level. For financial reporting purposes, the investments are allocated to the retirement plans based on a summary of the participants' account balances by source of contributions, income, and asset type. The amounts reported for the respective classifications of investment income represent the income on separately identifiable assets and an allocation of the income on the combined investments.

Notes to Financial Statements

Note 1 - Description of the Plan and Significant Accounting Policies (continued)

Investment and Administrative Expenses

The investment expenses paid by the Plan are primarily brokerage fees. The Plan Sponsor pays administrative expenses that include audit fees, actuary and investment consultant fees, third-party administrator fees (to the extent not paid by revenue sharing), compensation of the Plan manager, bank charges, and other office expenses. The Plan Sponsor makes advances to the Plan to pay expenses such as bank charges, wire transfer fees, and any Plan administrative expenses automatically deducted from the Plan's bank accounts. As of December 31, 2014 and 2013, respectively, there is a balance of \$1,000 and \$844 remaining from the Plan Sponsor's advances, which is reported as a liability of the Plan.

Note 3 - Fair Value Measurements

Generally accepted accounting principles require disclosure about how fair value is determined and establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013:

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Corporate bonds and certificates of deposit: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

U.S. government securities: Valued using pricing models maximizing the use of observable inputs for similar securities.

Money market funds: Valued using the closing price reported on the active market on which the fund is traded.

The following tables set forth by level, within the fair value hierarchy, a summary of the Combined Plans' investments measured at fair value on a recurring basis.

The Level 2 investments are generally comprised of short-term, fixed-income investment options that are largely liquid and are designed to not lose much value. These investment options may include stable value, money market, short-term bond, and guaranteed interest accounts. They are considered to be among the least risky forms of investment options. However, they typically have a lower rate of return than equities or longer-term fixed-income investment options over long periods of time. Depending on the objectives of the investments options, they may experience price fluctuations and may lose value.

There were no changes to the valuation techniques used during the period.

Note 4 - Related Party and Party-in-Interest Transactions

The Firm established the Plan and, as its primary contributor, is considered to be a related party to the Plan. Certain plan investments are money market funds and participant self-directed investment accounts managed and held by Schwab, the custodian. These transactions qualify as party-in-interest and are exempt from the prohibited transaction rules.

Note 5 - Plan-to-Plan Transfers

In 2014 and 2013, balances for participants whose employment classification changed during the year were transferred among the Firm's Combined Plans, based on the eligibility requirement of the Plans.

Net transfers	<u>\$ (114,240)</u>	<u>\$ 483,303</u>	<u>\$ (369,063)</u>

Note 6 - Plan Tax Status

The Plan obtained its latest determination letter January 16, 2013, in which the IRS stated that the Plan and related trust were in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Firm and Plan management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and the related trust continues to be tax exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2014 and 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

Most recently, the Plan Sponsor adopted an amended and restated Adoption Agreement effective January 1, 2014 to update adopting employers, service with other employers, and clarification of definitions, in addition to meeting the restatement requirement by the IRS on pre-approved base plans. No additional determination letters have been requested.

Notes to Financial Statements

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Firm has the right under the Plan to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated for any reason, all participants become 100% vested, and the Plan administrator is to distribute each participant's interest to the participant or the participant's beneficiary.

Note 8 - Subsequent Events

The Plan has evaluated all subsequent events through the auditors' report date, which is the date the financial statements were available for issuance, and determined that there were no subsequent events requiring recognition or additional disclosure in the financial statements.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Sherman & Howard Retirement Plan #1
Denver, Colorado

REPORT ON FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Sherman & Howard Retirement Plan #1 (the "Plan"), which are comprised of the statement of net assets available for benefits as of December 31, 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Sherman & Howard Retirement Plan #1 as of December 31, 2014, and the changes in net assets available for benefits for the year ended December 31, 2014, in accordance with accounting principles generally accepted in the United States of America.

REPORT ON SUPPLEMENTARY INFORMATION

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

OTHER MATTER - 2013 FINANCIAL STATEMENTS

Prior Year Auditors

The financial statements of the Plan as of December 31, 2013 were audited by other auditors, whose report dated September 11, 2014 expressed an unmodified opinion on those statements.
