Plan Administrator and Trustees
Associated Urological 401(k) Profit Sharing Plan and Trust
Palos Heights, Illinois

We have conducted a DOL limited-scope audit of the financial statements of Associated Urological 401(k) Profit Sharing Plan and Trust (the Plan) for the year ended December 31, 2014 and have issued our report thereon dated October 12, 2015. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to and have not, expressed an opinion on those financial statements and supplemental schedule as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated November 20, 2014. Professional standards also require that we communicate to you the following information related to our audit:

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2014. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The financial statement disclosures are neutral, consistent and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial and communicate them to the appropriate level of management. There were no misstatements detected as a result of audit procedures.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 12, 2015.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

We have communicated a significant deficiency in internal control in a separate letter to the Plan Administrator, Trustees and Management dated October 12, 2015.

Other Matters

This information is intended solely for the use of the Plan Administrator, Trustees and management of Associated Urological 401(k) Profit Sharing Plan and Trust and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Ostrow Reisin Berk & Abrams, LLP.

Independent Auditor's Report

Plan Administrator and Trustees
Associated Urological 401(k) Profit Sharing Plan and Trust
Palos Heights, Illinois

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Associated Urological 401(k) Profit Sharing Plan and Trust (the Plan), which comprise the statement of net assets available for benefits – modified cash basis, as of December 31, 2014 and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company (the Trustee), except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2014, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2014 financial statements. Accordingly, we do not express an opinion on the 2014 financial statements referred to in the first paragraph.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matter – Supplemental Schedule

The supplemental schedule of assets (held at end of year) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2013 Financial Statements

The statement of net assets available for benefits – modified cash basis of the Plan as of December 31, 2013, was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the predecessor auditors not to perform and they did not perform any auditing procedures with respect to the information certified by Reliance Trust Company (the Trustee). Their report, dated October 9, 2014, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of Associated Urological 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan was established in 2005 to allow Associated Urological Specialists, LLC (the Company) to share a portion of its profits with its employees, to promote within them the strongest interest in the successful operation of the business, to increase efficiency in their work, to assure them that they will share in the prosperity of the business and to provide them with an opportunity for accumulation of funds for retirement. The Plan is a defined-contribution plan covering all eligible employees of the Company who have at least six months of eligibility service and are age twenty one or older. Eligibility service is 1,000 hours for elective deferrals and safe harbor contributions and one year for employer profit sharing plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year, participants may contribute pre-tax compensation up to the lesser of the Federal Statutory limit including the catch up contribution, if applicable or 90% of the participant's annual compensation, subject to certain limitations, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan does not permit nondeductible contributions by participants.

The Company is required to make safe harbor contributions of 3% of all eligible employees' compensation on an annual basis.

Each year, the Company may contribute a discretionary profit sharing contribution to participants. These contributions are subject to legal, Plan and compensation limitations. Furthermore, generally a participant must be employed on the last day of the year to receive a contribution. During the year ended December 31, 2014, the Company made a \$452,907 discretionary contribution to the Plan.

**ASSOCIATED UROLOGICAL 401(k)
PROFIT SHARING PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Description of the Plan (continued)

Vesting:

Participants are immediately 100% vested in their elective deferrals. Vesting for employer contributions is based on years of continuous service in accordance with the following table:

Completed years of service	Percentage of account balance vested
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Forfeited accounts:

At December 31, 2014 and 2013, forfeited nonvested accounts totaled \$20,429 and \$13,234, respectively. Forfeitures from participant's nonvested accounts may be used to reduce employer contributions or pay administrative fees. The amount of forfeited nonvested accounts used in 2014 was \$-0-.

Notes receivable from participants:

Active participants may borrow from their accounts an amount equal to the lesser of \$50,000 or 50% of their vested account balance. Active participants can only have one outstanding loan at a time. The minimum amount a participant can borrow is \$1,000. Loans are secured by the balance in the participant's account and bear interest at a rate equal to the Prime rate as published in the Wall Street Journal on the 14th day of each month plus one percent. The note interest rate will be determined on the date of the loan request and will not change for the duration of the loan repayment period. Principal and interest is paid ratably through bi-weekly payroll deductions. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

1. Description of the Plan (continued)

Payment of benefits:

On retirement or termination of service, a participant may elect to receive a lump-sum, partial payment, installment payments or an annuity contract in an amount equal to the value of his or her account.

Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses) and charged with an allocation of administrative expenses, if any. Allocations are based on participant's share of employer contributions or account balances, as prescribed by the Plan. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account balance. The Plan allows participants to direct contributions to any of the provided investment alternatives.

2. Summary of significant accounting policies

Basis of accounting:

The accompanying financial statements are prepared under the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, certain additions to net assets are recognized when received rather than when earned and certain deductions from net assets are recognized when cash is disbursed rather than when the obligation is incurred.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Transactions are recorded at trade date. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Realized gains and losses are computed either by the average value or specific identification of the securities sold.

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Notes receivable from participants:

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

The Company directly absorbs a majority of all costs related to the administration of the Plan.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results could differ from those estimates.

4. Fair value measurements

Financial Accounting Standards Board Accounting Standards Codification 820 (FASB ASC 820) *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the asset or liability;• inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	---

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. Fair value measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes that the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014 and 2013.

Assets at fair value as of December 31, 2014:

	Level 1
Mutual funds:	
Money market	\$ 973,064
Fixed income funds	662,420
Equity funds	4,980,559
Blended funds	4,932,737
Total assets at fair value	\$ 11,548,780

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. Fair value measurements (continued)

Assets at fair value as of December 31, 2013:

	Level 1
Mutual funds:	
Money market	\$ 1,074,501
Fixed income funds	694,560
Equity funds	4,057,129
Blended funds	4,915,260
Total assets at fair value	\$ 10,741,450

5. Plan termination

It is the intent of the Trustees to continue the Plan in full force and effect. However, in the event of termination and in order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved by the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan. In the event of Plan termination, participants would become 100% vested in their employer contributions.

6. Tax status

The Plan adopted a Volume Submitter Profit Sharing Plan with CODA (Cash or Deferred Arrangement) which received a favorable opinion letter from the Internal Revenue Service (IRS) as of March 31, 2008, which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (the Code) and that any employer adopting this form of the Plan will be considered to have a qualified plan under Section 401(a) of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its tax qualification. Although the Plan has been amended and restated since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and, as a result, no provision for income taxes has been included in the financial statements.

ASSOCIATED UROLOGICAL 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

7. Risks and uncertainties

The Plan provides for various investment options in mutual funds. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the various risk factors, in the near term, could materially affect the participant's account balances and the amounts reported in the financial statements.

8. Party-in-interest transactions

Parties-in-interest are defined under Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. Indirect fees were paid to Merrill Lynch during the year ended December 31, 2014. Merrill Lynch is the investment advisor and, therefore, these transactions qualify as party-in-interest.

9. Subsequent events

The Plan Administrator has reviewed and evaluated subsequent events from December 31, 2014, the financial statement date, through October 12, 2015, the date the financial statements were available to be issued. No events have occurred in this period that would be required to be recognized and/or disclosed in these financial statements as required by generally accepted accounting principles.
