## Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

## Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by State Street Bank and Trust Company (State Street), the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that State Street holds the Plan's investment assets and executes investment transactions for the years ended December 31, 2014 and 2013. The plan administrator has obtained a certification from State Street as of December 31, 2014 and 2013 that the information provided to the Plan administrator by State Street is complete and accurate.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment at year end, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

**Report on Form and Content in Compliance With DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES

The following description of the AMAX Engineering Corporation (the Plan Sponsor) (the Company) Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that was established in 1985 by the Company to provide benefits to eligible employees of the Company. The Plan covers all employees who have a minimum of 6 months of service and are age 18 or older.

The Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration – At December 31, 2014, State Street Bank and Trust Company (State Street) was the trustee of the Plan. The Company continued to use ADP as its third-party administrator to process and maintain the records of participant data.

Investments – Investments of the Plan at December 31, 2014 are held by State Street and were invested in various mutual funds.

The Plan's investments in the investment funds are valued at fair value as of the last day of the Plan year, as measured by quoted market prices.

Income Taxes – The Plan Sponsor has received a favorable income tax determination letter from the Internal Revenue Service dated August 1, 1994. However, the Plan document has been amended and restated since receiving the determination letter. The Plan Sponsor and administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and they have stated that they will take whatever action is required, if any, to continue the Plan as a qualified plan. Accordingly, they believe that the Plan is qualified and its related trust is tax exempt.

The Plan's tax filings are subject to audit by various taxing authorities. As of December 31, 2014, the Plan is no longer subject to federal or state examinations by tax authorities for years ended before 2010.

## NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Forfeited Accounts – Under the terms of the Plan, forfeited nonvested accounts will be used for restoration of participant accounts, offset Plan expenses and reduce employer's contributions to the Plan, in the order listed. At December 31, 2014 and 2013, forfeited nonvested accounts totaled $7,896 and $4,266, respectively.

Risks and Uncertainties – The Plan provides for various investment options in any combination of mutual funds offered by the Plan. Mutual funds are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Subsequent Events – Subsequent events were evaluated through October 6, 2015, the date the financial statements were available to be issued.

## NOTE 2 – PARTICIPATION AND BENEFITS

Participant Contributions – Participants may elect to contribute a percentage of their eligible pre-tax compensation up to the amount allowable under current income tax regulations. Contributions withheld are invested in accordance with the participant's direction.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

## NOTE 2 – PARTICIPATION AND BENEFITS (Continued)

Employer Contributions – The Company is allowed to make matching contributions as defined in the Plan and as approved by the Board of Directors. The Company makes a matching contribution to eligible participants in an amount equal to 25% of their elective deferrals, up to a maximum of 10% of participant gross compensation. The Company's actual contribution may be reduced by certain available forfeitures, if any, during the Plan year. The Plan also allows for discretionary profit sharing contributions.

Vesting – Participants are immediately vested in their salary deferral, rollover contributions and related earnings. Participants vest ratably and are fully vested in the employer's profit sharing and matching contributions allocated to their account after five years of credited service.

Participant Accounts – Each participant account is credited with the participant's contribution, Plan earnings or losses and an allocation of the Company's contribution. Allocation of the Company's contribution is based on participant contributions or employee compensation, as defined in the Plan.

Payment of Benefits – Upon termination, the participant or beneficiary will receive the benefits in a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Notes Receivable from Participants – The Plan allows participants to borrow not less than $1,000 and up to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the participant's vested balance. Such notes bear interest at the available market financing rates and must be repaid to the Plan within a five-year period, unless the note is used for the purchase of a residence in which case the maximum repayment period is established by the Plan administrator. The specific terms and conditions of such notes are established by the Plan administrator.

## NOTE 3 – PLAN TERMINATION AND/OR MODIFICATION

The Plan Sponsor intends to continue the Plan indefinitely for the benefit of its employees; however, it reserves the right to terminate and/or modify the Plan at any time by resolution of its Board of Directors and subject to the provisions of ERISA. In the event the Plan is terminated in the future, participants would become fully vested in their accounts.

## NOTE 4 – CERTIFIED INFORMATION AND PLAN INVESTMENTS

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information certified by State Street as of December 31, 2014 and 2013, respectively, and transactions entered into during 2014, were used in the preparation of the accompanying financial statements and supplemental schedule. The following table summarizes the fair values of investment funds and other assets that were certified. Individual assets representing 5% or more of the Plan's assets are separately stated.

|---|---|
| Dividends from mutual funds | $ 712,057 |
| Interest from participant notes | 1,336 |
| Net depreciation in fair value of mutual funds | (141,840) |
| | $ 571,553 |

## NOTE 5 – FAIR VALUE MEASUREMENTS

Generally accepted accounting principles establish a hierarchy to prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). Observable inputs are those that market participants would use in pricing the assets based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumption about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1- Values are unadjusted quoted prices for identical assets or liabilities in active markets accessible at the measurement date.

Level 2- Inputs included in quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads and yield curves.

Level 3- Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Plan's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

In accordance with generally accepted accounting principles the following table represents the Plan's fair value hierarchy for its financial assets and liabilities (cash and investments) measured at fair value on a recurring basis as of December 31, 2014.

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | | | | |
| Income funds | $ 1,633,128 | $ - | $ - | $ 1,633,128 |
