NCSOFT West 401(k) Plan

Report on Financial Statements

We were engaged to audit the financial statements of NCSOFT West 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2014, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Principal Life Insurance Company and Principal Trust Company, the custodians of the Plan's investment assets, except for comparing such information with the related information included in the 2014 financial statements and supplemental schedules. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certifications from the custodians as of and for the year ended December 31, 2014, that the information provided to the Plan Administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2014 financial statements. Accordingly, we do not express an opinion on the 2014 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedules

The supplemental schedules of Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter – 2013 Financial Statements

The financial statements of the Plan as of December 31, 2013, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal Life Insurance Company and Principal Trust Company, the custodians of the Plan's investment assets. Their report, dated October 10, 2014, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2014 financial statements and supplemental schedules, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United State of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NCSOFT WEST 401(k) PLAN

Notes to Financial Statements

December 31, 2014 and 2013

NOTE 1 – ORGANIZATION AND DESCRIPTION OF THE PLAN

The provisions of the NCSOFT West 401(k) Plan (the Plan) were effective September 1, 2001. The Plan has been amended to comply with current legislation. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of NC Interactive, LLC (the Company) and related subsidiaries which are adopting employers of the Plan. The adopting employers are ArenaNet, LLC, and Carbine, LLC. Employees are eligible to participate in the Plan if they are twenty-one years of age or older and are not a nonresident alien. Employees eligible to participate in the Plan may enroll on the first day of the month following the date the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Fiduciary Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

The Plan provides for automatic enrollment of participants. Newly eligible participants are enrolled in the Plan at a salary reduction rate of 3%. Participants may elect to contribute up to 85% of their eligible compensation to the Plan on a pretax basis and/or as an after-tax Roth contribution, as defined in the Plan document, within statutory limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. These contributions are paid to the Plan after each pay period. Participants may elect to change or stop the payroll deductions at any time. Participants may also contribute amounts representing distributions from other qualified plans.

The Company may make discretionary matching and profit sharing contributions. For 2014, the Company elected to make matching contributions of 10% of participant contributions. No profit sharing contributions were made in 2014. Employer contributions are paid to the Plan in the following year.

Participant Accounts

Individual accounts are maintained by Principal Life Insurance Company (Principal Life), the Plan's custodian and recordkeeper. Each account is credited with the participant's contribution, the Company's contributions, if any, and allocations of investment income and losses on the individual account balances, and administrative expenses. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct participant and Company contributions among various mutual funds and pooled separate accounts held by Principal Life and Principal Trust Company (Principal Trust), the custodians of the Plan's assets.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and discretionary profit sharing contributions is based on years of credited service, as defined in the Plan document, with 25% vesting each year, and 100% vesting after four years of service. Upon normal retirement (65), death or disability, participants become fully vested in all benefits.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a lesser of \$50,000 or 50% of their vested account balance. Terms of the notes receivable may not exceed five years. The notes receivable are secured by the vested balance in the participant's account and bear interest at a reasonable interest rate as determined by the Plan Administrator at the time of issuance. The interest rate was 3.35% for all receivables outstanding at December 31, 2014 and 2013. Principal and interest is paid through payroll deductions.

Payment of Benefits

Benefits may be distributed upon retirement, death, disability or other termination of employment. Benefits equal to the value of the participant's vested account may be paid in a lump-sum or installments depending on certain factors as described in the Plan document and at the participant's election. Under certain hardship circumstances or attainment of age 59½, participants may request a distribution of their account balance prior to retirement.

Forfeited Accounts

Upon termination, participants' non-vested account balances are forfeited. Forfeitures may first be used to pay administrative expenses if not paid by the Company. Any remaining forfeitures may be used to reduce employer contributions. During 2014, forfeitures of approximately \$20,000 were used to pay administrative expenses. At December 31, 2014 and 2013, forfeited non-vested accounts totaled \$1,362 and \$416, respectively.

Administrative Expenses

The Plan's investment fund options are subject to investment management fees and certain revenue sharing fees, as disclosed in each fund's prospectus. A majority of these fees are charged directly against each fund's investment performance and, therefore, are included in net appreciation in the accompanying Statement of Changes in Net Assets. Revenue sharing fees are collected from various mutual fund companies by the Plan's custodians and are used to offset the Plan's third party administration fees and custodial fees. Remaining unpaid Plan administration expenses, including the annual audit fee, may be paid by the Company and therefore, expenses paid by the Company are excluded from these financial statements. Plan administration expenses not paid by the Company may be paid out of the assets of the Plan or deducted from participants accounts on a pro-rata basis. Participant loan and distribution transaction fees charged by Principal are deducted from the accounts of the respective Plan participants and are recorded as expenses by the Plan.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies used by the Plan:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Fiduciary Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest, if any. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2014 or 2013. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The date to which events occurring after December 31, 2014, have been evaluated for possible adjustment to the financial statements or disclosure therein is October 9, 2015, which is the date on which the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access (level 1 measurements) and the lowest priority to the valuation methodology that are unobservable and significant to the fair value measurement (level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are deemed open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (level 1 measurement).

Pooled Separate Accounts – Valued at the NAV of units of an insurance company pooled separate account. The NAV, as provided by the investment custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate account, the insurance company reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There may be a market rate adjustment upon full redemption of the pooled separate accounts if market value is less than contract value upon liquidation (level 2 measurement).

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by nature and risk of investment, and level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014 and 2013:

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)**Fair Value of Investments that Calculate Net Asset Value**

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2014 and 2013:

December 31, 2014	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	\$ 9,883,741	n/a	Daily	1 business day
December 31, 2013	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	\$ 8,021,902	n/a	Daily	1 business day

Pooled Separate Accounts – The investments' objectives are to maximize total returns, achieve capital growth, and to maximize current income consistent with their comparatively low risk profile, and liquidity. The investments seek to achieve this objective by investing primarily in mutual funds with varying degrees of risk.

NOTE 4 – INVESTMENTS

The following investments at fair value represent 5% or more of the Plan's net assets at December 31 of either year:

	2014	2013
Principal SAM Balanced Separate Account	\$ 3,530,054	\$ 2,722,323
Vanguard Equity-Income Fund	2,988,105	2,708,552
Vanguard International Growth Investors Fund	1,842,097	2,059,375
PIMCO Total Return C Fund	1,468,685	1,318,513
Principal SAM Conservative Growth Separate Account	1,399,982	944,890
Principal Large Cap S&P 500 Index Separate Account	1,358,026	1,149,844

NOTE 5 – INFORMATION CERTIFIED BY CUSTODIANS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Principal Life and Principal Trust are the custodians of the Plan's investments and notes receivable from participants. Accordingly, the custodians have certified that the following data included in the accompanying financial statements, notes and supplemental schedule on page 14 is complete and accurate.

- 1) Fair value of pooled separate accounts as of December 31, 2014 and 2013.
- 2) Fair value of mutual fund investments as of December 31, 2014 and 2013.
- 3) Outstanding balances of notes receivable from participants as of December 31, 2014 and 2013.
- 4) Net appreciation in fair value of pooled separate accounts, net appreciation in fair value of mutual funds, dividends, interest on notes receivable, and other income for the year ended December 31, 2014.
- 5) The information in the supplemental schedule on page 14.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements, notes and supplemental schedule on page 14.

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain Plan investments are units of participation in pooled separate accounts managed by Principal Life, the custodian. Therefore, transactions with Principal Life and its affiliates qualify as party-in-interest transactions. Fees paid by the Plan to Principal Life and its affiliates amounted to \$81,537 for the year ended December 31, 2014. Additionally, Principal Life and its affiliates receive revenue sharing fees from various mutual fund companies to offset its Plan administration costs.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts.

NOTE 8 – TAX STATUS

The Plan operates under provisions of a prototype plan which received an opinion letter from the Internal Revenue Service dated March 31, 2014, which stated that the prototype plan, as then designed, was acceptable under section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

NOTE 8 – TAX STATUS (continued)

GAAP requires the Plan Administrator to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for periods prior to December 31, 2011.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan allows participants to invest in investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 10 – PROHIBITED TRANSACTIONS

During 2012, 2013 and 2014, the Company determined that it failed to remit to the Plan's custodian certain employee contributions totaling approximately \$194,000 within the period prescribed by the Department of Labor (DOL) regulations. Delays in remitting employee contributions to the custodian were due to administrative errors. The Company remitted the employee contributions and made contributions to the affected participants' accounts to compensate those participants for the potential lost income due to the delays in 2013, 2014 and 2015.
