Compass Community Health 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2014 and 2013

Note 1: Description of the Plan

The following description of the Compass Community Health 401(k) Profit Sharing Plan & Trust (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan is a defined contribution plan sponsored by Compass Community Health (Company) for the benefit of its employees expected to work at least 1,000 hours in a year. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). State Street Bank and Trust Company served as the trustee of the Plan until December 20, 2013 and Mid Atlantic Trust Company became trustee of the Plan beginning December 20, 2013. ADP Retirement Services served as the record-keeper of the Plan until December 20, 2013 when record-keeping was transferred to Paychex Retirement Services.

Effective December 20, 2013, Mid Atlantic Trust Company became the trustee and custodian of the Plan. All assets were transferred to the new trustee and custodian at the end of the day on December 31, 2013 and were in-transit to Mid Atlantic Trust Company at December 31, 2013.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to 85% of eligible compensation. Employee rollover and employee Roth contributions are also permitted. The Company may make discretionary matching and non-elective contributions. Non-elective contributions are based on various allocation groups that the participants belong to during the plan year. In 2014 and 2013, employer contributions were calculated but not remitted or approved prior to the issuance of the respective year's financial statements. Therefore, no employer contribution receivable has been recorded. The employer contribution related to 2013 was recorded as revenue in 2014, when it was remitted. The allocation groups are determined by job title and years of service with the Company. Contributions are subject to certain limitations.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

Compass Community Health 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2014 and 2013

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary and rollover contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. Participants vest in Company contributions and earnings and losses thereon as follows:

Years of Service	Vested Percentage
Less than 2 years	0%
At least 2, but less than 3	20%
At least 3, but less than 4	40%
At least 4, but less than 5	60%
At least 5, but less than 6	80%
6 or more	100%

When the Company changed record-keepers and trustees of the Plan in 2013, the Company immediately vested all Company contributions that were made up to that point. Company contributions made after that point (which includes 2013 and subsequent contributions) are subject to the above vesting schedule. The nonvested balance is forfeited upon termination of service. Forfeitures are used to reduce Company contributions.

Payment of Benefits

Upon termination of service, a participant may receive a lump-sum amount equal to the value of his account or a joint and survivor annuity. At December 31, 2014 and 2013, there were no amounts allocated to accounts of terminated or retired participants who have elected to withdraw from the Plan but have not yet been paid.

Forfeited Accounts

At December 31, 2013, forfeited nonvested accounts totaled \$45,208 (none in 2014). In 2014, employer contributions were reduced by \$45,989 from forfeited nonvested accounts (none in 2013).

Compass Community Health 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2014 and 2013

Notes Receivable from Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be \$500. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance, less the highest outstanding loan balance the participant held under the Plan during the previous one-year period. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on prime rate published in *The Wall Street Journal* on the 14th day of the month, plus two percentage points. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Tax Status

Beginning December 20, 2013, the Plan operates under a volume submitter adoption agreement in connection with a prototype 401(k) profit-sharing plan and trust sponsored by Paychex. Prior to December 20, 2013, the Plan operated under a nonstandardized adoption agreement in connection with a prototype 401(k) profit-sharing plan and trust sponsored by Automatic Data Processing, Inc. (ADP). This prototype plan document has been filed with the appropriate agency and has obtained a determination letter from the Internal Revenue Service stating that the prototype constitutes a qualified plan under Section 401 of the Internal Revenue Code and that the related trust was tax exempt at that time.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3: Certification of Plan Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street Bank and Trust Company, the trustee of the Plan until December 20, 2013 and Mid Atlantic Trust Company, the trustee of the Plan beginning on December 20, 2013, have certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investment income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2014 and 2013
- Investment information included in the accompanying schedule of assets (held at year end) as of December 31, 2014

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**Compass Community Health 401(k)
Profit Sharing Plan & Trust
Notes to Financial Statements

At December 31, 2014, the fair value of individual investments that represented 5% or more of the Plan's net assets available for benefits were as follows:

American Century One Choice 2040	173,045
Blackrock Equity Dividend Fund	297,091
Franklin Income Series Fund	413,172
Franklin Rising Dividends Fund	319,650
Goldman Sachs Balanced Strategy Portfolio	510,671
JPMorgan Core Bond Fund	206,919

At December 31, 2013, no individual investment represented 5% or more of the Plan's net assets available for benefits.

Interest and dividends realized on the Plan's investments for the years ended 2014 and 2013 were \$89,932 and \$72,192, respectively.

Note 5: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan paid \$3,431 and \$4,467 of record-keeping fees during 2014 and 2013, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 6: Plan Amendment

Effective December 20, 2013, the Plan was amended and restated ("Plan Amendment") and a new trustee, record-keeper and custodian ("Trustee") of the Plan was appointed. Plan assets transferred to the new Trustee were transferred into funds comparable to those offered by the previous custodian. The conversion initiated a "Black Out" period beginning December 25, 2013, and continued through January 25, 2014. During this period, funds could not be applied to the employee-selected funds with the Trustee or withdrawn from the Plan until the Trustee had time to accurately complete the conversion. During this period, employee contributions continued to be made through payroll deductions and the contributions were deposited and held in the Equity Fund until the completion of the Black Out period. At the end of the Black Out period, these funds were transferred to the new Trustee and invested in funds as requested by each participant.

Note 7: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2014 and 2013:

		December 31, 2014
