INDEPENDENT AUDITORS' REPORT

The Plan Administrators
Satellites Unlimited 401(k) Plan
Birmingham, Alabama

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Satellites Unlimited 401(k) Plan (the "Plan") which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statements of changes in net assets available for benefits for the years ended December 31, 2014 and 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 which was certified by Wilmington Trust, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2014 and 2013, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Our opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of assets held for investment purposes, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations under the Employee Retirement Income Security Act of 1974.

NOTE 1: DESCRIPTION OF PLAN

The Satellites Unlimited 401(k) Plan (the "Plan") is a defined contribution plan established as of March 1, 2005. The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

Eligibility – The Plan covers substantially all employees of Satellites Unlimited (the "Company") 19 years of age or older who have provided 90 days of service to the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Subject to certain limitations imposed by law, participants are allowed to make contributions to the Plan by electing to reduce their gross pay in an amount equal up to 100 percent of their annual compensation. The Company may make discretionary contributions to the Plan that are allocated to participants based on the level of compensation received that year to the total compensation of all eligible participants. The Company also contributes a discretionary matching contribution based on a uniform percentage of employee salary deferral. The aggregate amount of all contributions is subject to certain limitations imposed by law.

Participant Accounts – Each participant's account is credited with the participant's contributions and an allocation of the Company's contributions and Plan earnings. Allocations of employer contributions are based on eligible annual compensation as defined in the Plan agreement. Benefit payments to participants are based upon vested balances in the employee and employer accounts at the date of benefit determinations.

Vesting – Participants are immediately vested in their employee contributions, including allocated earnings thereon. Participants are 100 percent vested in their employer matching contributions after three years of credited service. Participants are fully vested at the earlier of death, disability, or reaching normal retirement.

Forfeitures – Forfeited balances are used to reduce the Company's matching contribution. Forfeitures during 2014 and 2013 were $18,282 and $18,573, respectively.

Benefits – Distributions to participants take place upon the employee's separation of service, retirement, attaining age 59½, permanent and total disability, or death. Participants may elect to receive a single sum payment or a series of equal installment payments. Benefits are recorded when paid.

Participant Loans Receivable – Participant loans are not allowed.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates – The preparation of the Plan's financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the amounts reported in the accompanying financial statements. Actual results could differ from these estimates.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting – The financial statements of the Plan are prepared under the modified cash basis of accounting. As described in Financial Accounting Standards Board Staff Position, FSP AAG INV-1 and SOP 94-1-1, Reporting of Fully Benefit-Responsive Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans (the FSP), investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. As required by the FSP, the Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on the contract value basis.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. The shares of the investment funds are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Payment of Benefits – Benefits are recorded when paid.

Plan Expenses – All expenses of maintaining the Plan are paid using Plan assets.

Concentration of Credit Risk – At December 31, 2014 and 2013, a significant amount of the Plan's assets are invested in funds managed by an independent company, Wilmington Trust, which serves as investment advisors and as trustee. The investment options offered to participants are designed to provide each participant with the opportunity to diversify the investment of their accounts. Although the Plan administrator has no involvement in the investment transactions of the funds, the Plan administrator periodically monitors the investment performance of the funds and may, pursuant to the provisions of the Plan agreement, elect to change the Plan's investment programs and/or the trustee at any time.

Risks and Uncertainties – The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

SFAS No. 157, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

NOTE 3: FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on quoted market prices.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2014 and 2013, are reported in net appreciation in fair value of investments.

NOTE 4: INVESTMENTS

The Plan's investments at December 31, 2014 and 2013, were held by the Wilmington Trust which invests each participant's accounts as directed by the participant in one or more funds. NOTE 5: INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated August 7, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

NOTE 6: PARTY-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by an affiliate of the trustee; therefore, those transactions qualify as party-in-interest transactions.

NOTE 7: PLAN TERMINATION

Although it has not expressed any interest to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 8: INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator obtained a certification from Wilmington Trust that such information is complete and accurate as of December 31, 2014 and 2013. The Trustee manages the funds on behalf of the Plan.

NOTE 9: SUBSEQUENT EVENTS

The Plan did not have any subsequent events through October 9, 2015, which is the date the financial statements were available to be issued.

NOTE 10: INCOME TAXES

The tax years ended December 31, 2012, 2013, and 2014, remain subject to examination by the IRS.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
