INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
American Asphalt Repair & Resurfacing
Co., Inc. Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of American Asphalt Repair & Resurfacing Co., Inc. Retirement Savings Plan (the Plan), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mid Atlantic Trust Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2014 and 2013, and for the year ended December 31, 2014, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule H, line 4i - Schedule of Assets (Held At End of Year) as of December 31, 2014 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 – PLAN DESCRIPTION

The following description of the American Asphalt Repair & Resurfacing Co., Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age 18 or older, with special provisions for eligible classes of employees receiving wages under a "prevailing wage" law. The Plan is subject to the provisions of ERISA. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Prevailing wage contributions are set aside to be contributed to this Plan on the first day any such wages are paid. Participants may also contribute amounts representing distributions from individual retirement accounts and other qualified defined benefit or defined contribution plans (rollover). Matching and profit sharing amounts may be contributed at the option of the Company's board of directors. Salary deferrals on bonuses are not matched. A participant is eligible for profit sharing contributions if employed on December 31st of the year the contribution is made and he or she has worked at least 1,000 hours. Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, and, if applicable, prevailing wage contributions and allocations of Company matching and profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Death Benefits

The death benefits with respect to each participant shall be paid to the participant's spouse or, if single, to the designated beneficiary. The value of benefits will equal the deceased participant's interest in the Trust as determined by applicable provisions of the Plan.

NOTE 1 – PLAN DESCRIPTION - Continued

Termination of Employment
If employment terminates for reasons other than death, disability, or retirement, the participant is entitled to receive only the vested portion of their account balance. The actual payment of benefits may not begin until the participant is entitled to a distribution under the terms of the Plan. If the terminated participant is employed within six months of termination by another employer who has adopted the Plan, his account balance will be transferred to the new employer's plan.

Plan Investment Options
Upon enrollment in the Plan, participants may direct their contributions in a number of investment options offered by Mid Atlantic Trust Company, the custodian of the plan. The employer contributions are invested in accordance with the participant's investment selection.

Rollovers
At the discretion of the Plan administrator, a participant may be permitted to transfer distributions from other qualified plans into the Plan. The rollover will be placed in a separate account and the participant rollover and earnings thereon are fully vested at all times.

Vesting
Participants are vested immediately in their contributions and prevailing wage contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of service.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at a reasonable rate determined by the plan administrator based on rates charged for similar loans by other lenders. The loans are to be repaid at least quarterly on the basis of substantially level amortization of principal and interest, within five years from the date the loan is made, except when used to acquire a principal residence.

Payment of Benefits
On termination of service for any reason, a participant with balances over $5,000 may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum, installments, or partial distributions. Account balances of $5,000 or less may be distributed as soon as administratively feasible following termination of service.

Forfeited Accounts
At December 31, 2014 and 2013, forfeited non-vested accounts totaled $0 and $2,744 respectively. These accounts will be used to reduce future employer contributions. Also, in 2014, employer contributions were reduced by $2,744 from forfeited nonvested accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, under which contributions and investment income are reported when received rather than when earned and distributions and expenses are recorded when paid rather than when incurred.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits (Modified Cash Basis) presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis) is prepared using the contract value basis for fully benefit-responsive investment contracts.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans are stated at their unpaid principal balance. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2014 or 2013. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions

Payments to participants for contributions in excess of amounts allowed by the IRS are recorded as a reduction to contributions when paid.

Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES - Continued

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Plan pays administrative expenses that consist primarily of fees paid to third-party claims administrators and the trustee. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. Investment related expenses are included in net appreciation of fair value investments.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2015, which is the date the financial statements were available to be issued.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2014 and 2013, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2014, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mid Atlantic Trust Company, the custodian.

Investments that represent five percent or more of total net assets are as follows:

	December 31, 2014	December 31, 2013
Wells Fargo Stable Return Fund Class C	$ 2,895,620	$ 2,562,554
T. Rowe Price Global Technology Fund	438,471	325,817

During the year ended December 31, 2014, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by $271,002 as follows:

Mutual funds	$ 239,029
Common collective trust	31,973
	$ 271,002

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques

NOTE 4 – FAIR VALUE MEASUREMENTS - Continued

used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs to the valuation methodology include:
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Common/Collective Trusts: The fair value is based on the underlying unit value reported by the common collective trust. The use of net asset value as fair value is deemed appropriate as the collective trust fund does not have a finite life, unfunded commitments, or significant restrictions on redemptions.

The Wells Fargo Stable Return Fund ("WFSR Fund") is a common collective trust fund and is a fully benefit-responsive investment contract. As stated in Note 2, the fully benefit-responsive investment contract is presented at fair value on the Statements of Net Assets Available for Benefits and then adjusted to contract value. The WFSR Fund has invested all of its assets in the Wells Fargo Stable Return Fund G ("Fund G"), a collective trust fund sponsored by Wells Fargo. The value of the WFSR Fund is based on the underlying unit value reported by Fund G. Fund G invests in investment contracts and security-backed contracts. An investment contract (IC) is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time.

NOTE 4 – FAIR VALUE MEASUREMENTS - Continued

A security-backed contract has similar characteristics as a traditional investment contract and is comprised of two parts: 1) a fixed-income security or portfolio of fixed-income securities, and 2) a contract value guarantee (wrapper) provided by a third party. The fair value of the IC is based on the present value of future cash flows using the current discount rate. The fair value of a security-backed contract includes the value of the underlying securities and the value of the wrapper contract. The fair value of a wrapper contract provided by a security-backed contract issuer is the replacement cost, and is based on the wrapper contract fees.

The yield earned by the WFSR Fund at December 31, 2014 and 2013 was 1.40% and 1.36% respectively. This represents the annualized earnings of all investments in the WSFR Fund, including the earnings recorded at the underlying collective trust funds, divided by the fair value of all investments in the WFSR Fund at December 31, 2013 and 2012, respectively.

The yield earned by the WFSR Fund with an adjustment to reflect the actual interest rate credited to participants in the WFSR Fund at December 31, 2014 and 2013 was 1.64% and 1.52%, respectively. This represents the annualized earnings credited to participants in the WFSR Fund, divided by the fair value of all investments in the WFSR Fund at December 31, 2014 and 2013, respectively.

The WFSR Fund seeks safety of principal and consistency of returns while attempting to maintain minimal volatility.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014 and 2013:

	Assets at Fair Value as of December 31, 2014

Total assets at fair value	$3,023,089	$2,562,554	$ -	$5,585,643

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

All investments are held with the custodian, Mid Atlantic Trust, subject to certain investment fees paid by the Plan. The custodian is a party-in-interest with respect to the Plan and therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan's recordkeeper is a related party with respect to Beneco Trust Company, the Plan's trustee.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7 - TAX STATUS

The IRS has determined and informed Beneco Trust Company by a letter dated March 31, 2014, that the Beneco Master Plan, adopted by the Company January 1, 2013 via non-standardized plan agreement, and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2011.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
American Asphalt Repair & Resurfacing
Co., Inc. Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of American Asphalt Repair & Resurfacing Co., Inc. Retirement Savings Plan (the Plan), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mid Atlantic Trust Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2014 and 2013, and for the year ended December 31, 2014, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule H, line 4i - Schedule of Assets (Held At End of Year) as of December 31, 2014 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 – PLAN DESCRIPTION

The following description of the American Asphalt Repair & Resurfacing Co., Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age 18 or older, with special provisions for eligible classes of employees receiving wages under a "prevailing wage" law. The Plan is subject to the provisions of ERISA. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Prevailing wage contributions are set aside to be contributed to this Plan on the first day any such wages are paid. Participants may also contribute amounts representing distributions from individual retirement accounts and other qualified defined benefit or defined contribution plans (rollover). Matching and profit sharing amounts may be contributed at the option of the Company's board of directors. Salary deferrals on bonuses are not matched. A participant is eligible for profit sharing contributions if employed on December 31st of the year the contribution is made and he or she has worked at least 1,000 hours. Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, and, if applicable, prevailing wage contributions and allocations of Company matching and profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Death Benefits

The death benefits with respect to each participant shall be paid to the participant's spouse or, if single, to the designated beneficiary. The value of benefits will equal the deceased participant's interest in the Trust as determined by applicable provisions of the Plan.

NOTE 1 – PLAN DESCRIPTION - Continued

Termination of Employment
If employment terminates for reasons other than death, disability, or retirement, the participant is entitled to receive only the vested portion of their account balance. The actual payment of benefits may not begin until the participant is entitled to a distribution under the terms of the Plan. If the terminated participant is employed within six months of termination by another employer who has adopted the Plan, his account balance will be transferred to the new employer's plan.

Plan Investment Options
Upon enrollment in the Plan, participants may direct their contributions in a number of investment options offered by Mid Atlantic Trust Company, the custodian of the plan. The employer contributions are invested in accordance with the participant's investment selection.

Rollovers
At the discretion of the Plan administrator, a participant may be permitted to transfer distributions from other qualified plans into the Plan. The rollover will be placed in a separate account and the participant rollover and earnings thereon are fully vested at all times.

Vesting
Participants are vested immediately in their contributions and prevailing wage contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of service.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at a reasonable rate determined by the plan administrator based on rates charged for similar loans by other lenders. The loans are to be repaid at least quarterly on the basis of substantially level amortization of principal and interest, within five years from the date the loan is made, except when used to acquire a principal residence.

Payment of Benefits
On termination of service for any reason, a participant with balances over $5,000 may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum, installments, or partial distributions. Account balances of $5,000 or less may be distributed as soon as administratively feasible following termination of service.

Forfeited Accounts
At December 31, 2014 and 2013, forfeited non-vested accounts totaled $0 and $2,744 respectively. These accounts will be used to reduce future employer contributions. Also, in 2014, employer contributions were reduced by $2,744 from forfeited nonvested accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, under which contributions and investment income are reported when received rather than when earned and distributions and expenses are recorded when paid rather than when incurred.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits (Modified Cash Basis) presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis) is prepared using the contract value basis for fully benefit-responsive investment contracts.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded when received. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans are stated at their unpaid principal balance. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2014 or 2013. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions

Payments to participants for contributions in excess of amounts allowed by the IRS are recorded as a reduction to contributions when paid.

Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES - Continued

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Plan pays administrative expenses that consist primarily of fees paid to third-party claims administrators and the trustee. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. Investment related expenses are included in net appreciation of fair value investments.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2015, which is the date the financial statements were available to be issued.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2014 and 2013, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2014, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mid Atlantic Trust Company, the custodian.

Investments that represent five percent or more of total net assets are as follows:

	December 31, 2014	December 31, 2013
Wells Fargo Stable Return Fund Class C	$ 2,895,620	$ 2,562,554
T. Rowe Price Global Technology Fund	438,471	325,817

During the year ended December 31, 2014, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by $271,002 as follows:

Mutual funds	$ 239,029
Common collective trust	31,973
	$ 271,002

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques

NOTE 4 – FAIR VALUE MEASUREMENTS - Continued

used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs to the valuation methodology include:
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Common/Collective Trusts: The fair value is based on the underlying unit value reported by the common collective trust. The use of net asset value as fair value is deemed appropriate as the collective trust fund does not have a finite life, unfunded commitments, or significant restrictions on redemptions.

The Wells Fargo Stable Return Fund ("WFSR Fund") is a common collective trust fund and is a fully benefit-responsive investment contract. As stated in Note 2, the fully benefit-responsive investment contract is presented at fair value on the Statements of Net Assets Available for Benefits and then adjusted to contract value. The WFSR Fund has invested all of its assets in the Wells Fargo Stable Return Fund G ("Fund G"), a collective trust fund sponsored by Wells Fargo. The value of the WFSR Fund is based on the underlying unit value reported by Fund G. Fund G invests in investment contracts and security-backed contracts. An investment contract (IC) is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time.

NOTE 4 – FAIR VALUE MEASUREMENTS - Continued

A security-backed contract has similar characteristics as a traditional investment contract and is comprised of two parts: 1) a fixed-income security or portfolio of fixed-income securities, and 2) a contract value guarantee (wrapper) provided by a third party. The fair value of the IC is based on the present value of future cash flows using the current discount rate. The fair value of a security-backed contract includes the value of the underlying securities and the value of the wrapper contract. The fair value of a wrapper contract provided by a security-backed contract issuer is the replacement cost, and is based on the wrapper contract fees.

The yield earned by the WFSR Fund at December 31, 2014 and 2013 was 1.40% and 1.36% respectively. This represents the annualized earnings of all investments in the WSFR Fund, including the earnings recorded at the underlying collective trust funds, divided by the fair value of all investments in the WFSR Fund at December 31, 2013 and 2012, respectively.

The yield earned by the WFSR Fund with an adjustment to reflect the actual interest rate credited to participants in the WFSR Fund at December 31, 2014 and 2013 was 1.64% and 1.52%, respectively. This represents the annualized earnings credited to participants in the WFSR Fund, divided by the fair value of all investments in the WFSR Fund at December 31, 2014 and 2013, respectively.

The WFSR Fund seeks safety of principal and consistency of returns while attempting to maintain minimal volatility.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014 and 2013:

	Assets at Fair Value as of December 31, 2014

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

All investments are held with the custodian, Mid Atlantic Trust, subject to certain investment fees paid by the Plan. The custodian is a party-in-interest with respect to the Plan and therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan's recordkeeper is a related party with respect to Beneco Trust Company, the Plan's trustee.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7 - TAX STATUS

The IRS has determined and informed Beneco Trust Company by a letter dated March 31, 2014, that the Beneco Master Plan, adopted by the Company January 1, 2013 via non-standardized plan agreement, and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2011.
