INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Healthcare Associates of Irving 401(k) Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Healthcare Associates of Irving 401(k) Retirement Plan (Plan), which comprise the statement of net assets available for benefits as of December 31, 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Principal Trust Company and Transamerica Life Insurance Company, the custodians of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that Principal Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2014, and for the period January 28, 2014 to December 31, 2014, and that Transamerica Life Insurance Company held the Plan's investment assets and executed investment transactions as of December 31, 2013, and for the period January 1, 2014 to January 27, 2014. The plan administrator has obtained certifications from the custodians as of and for the years ended December 31, 2014 and 2013, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of Schedule H, Line 4i- Schedule of Assets Held at December 31, 2014 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2013 Financial Statements

The financial statements of the Plan as of December 31, 2013, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Transamerica Life Insurance Company, the custodian of the Plan. Their report, dated September 30, 2014, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

HEALTHCARE ASSOCIATES OF IRVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 1. Plan Description

The following brief description of Healthcare Associates of Irving 401(k) Retirement Plan (Plan) is provided for general informational purposes only. Participants should refer to the Plan document for more complete information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General

The Plan, formed January 1, 2012, is a defined contribution plan covering all employees of Healthcare Associates of Irving, LLP (Company) who are age 21 years or older. Employees are eligible to begin participating on the earliest semi-annual date, January 1 or July 1, after completing 1,000 hours of service.

Contributions

Participating employees may elect to contribute up to the lesser of 100% of their eligible compensation, as defined by the Plan, or the maximum amount allowed by the Internal Revenue Service (IRS). Participants age 50 or over are allowed catch-up contributions. Rollover contributions to the Plan are also allowed. Participants direct the investment of their contributions into various investment options offered by Principal Trust Company.

The Plan requires a basic Safe Harbor matching contribution of 100% of employees' contributions up to 3% of eligible compensation for the year, plus 50% of employees' contributions that exceed 3% of their compensation but that do not exceed 5% of their compensation. Safe Harbor matching contributions are made on a semimonthly basis.

The Company may also make discretionary and profit sharing contributions to the Plan. In order to be eligible for these contributions, a participant must have completed at least 1,000 hours of service during the Plan year and be employed on the last day of the Plan year. The Company did not make any discretionary or profit sharing contributions during the year ended December 31, 2014.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and allocations of the Plan's earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings and account balances, as defined. Investment income or loss is allocated daily based on the ratio of each participant's account balance at the end of each day. The participant contributions are made each pay period.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary of a deceased participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or have the payment paid as a direct rollover to an IRA account or another employer's tax qualified plan.

HEALTHCARE ASSOCIATES OF IRVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 1. Plan Description (Continued)

Vesting

Participants are 100% vested in salary deferral amounts and Safe Harbor matching contributions. Employer discretionary matching contributions and profit sharing contributions are vested in accordance with the schedule below.

<u>Years of Service</u>	<u>Percentage Account Balance</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

Forfeitures shall be used to reduce any future employer contributions. The Plan used \$892 from forfeitures to reduce employer contributions during the Plan year. The Plan maintained a balance of \$2,086 in the forfeiture account at December 31, 2014.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. A participant may have three loans outstanding at a time. Loan transactions are treated as a transfer to (from) the investment fund and from (to) the participant loan fund. Loan terms range from one to five years or twenty years if the purpose of the loan is to acquire a primary residence. The loans are secured by the balance in the participants' accounts. The interest rate charged on participant loans ranged from 4.25% to 5.25% during the current year. Principal and interest are paid ratably through semimonthly payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts. The Company will direct the distribution of the accounts in a manner permitted by the Plan as soon as practicable.

Administration of the Plan

Certain expenses to maintain the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in notes receivable. Investment related expenses are paid by the Plan.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America (GAAP) and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Uses of Estimates

Preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment Contracts

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statements of net assets available for benefits present the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statement of changes in net assets available for benefits is prepared using the contract value basis for fully benefit-responsive investment contracts.

Payment of Benefits

Benefit payments are recorded when paid.

HEALTHCARE ASSOCIATES OF IRVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 2. Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses had been recorded as of December 31, 2014 or 2013. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Date of Management's Review

Subsequent events have been evaluated for potential recognition or disclosure through October 14, 2015, which is the date the financial statements were available to be issued.

Note 3. Income Tax Status

The Plan has received a determination letter from the IRS dated December 10, 2009, stating that the Plan is qualified, under the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the years ended December 31, 2013 and 2012 are still subject to income tax examinations.

Note 4. Certified Investments

Other than the fair value of the guaranteed investment contract and the related adjustment from fair value to contract value for fully benefit-responsive investment contracts, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments, and notes receivable from participants held at December 31, 2014 and 2013, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2014, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Transamerica Life Insurance Company and Principal Trust Company (the custodians of the Plan). The contract value of the guaranteed investment contract was certified by the custodians.

Note 5. Party-in-Interest

The Plan invests in units of pooled separate accounts managed by Transamerica Life Insurance Company and Principal Trust Company, who act as custodians of the Plan's assets, as defined by the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules.

HEALTHCARE ASSOCIATES OF IRVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 6. Investments

Investments representing 5% or more of the Plan's net assets at December 31, 2014 are as follows:

PRIN TRUST TGT 2025 FD R3	\$ 818,694
PRIN TRUST TGT 2030 FD R3	528,790
PRIN TRUST TGT 2035 FD R3	147,741
PRIN TRUST TGT 2040 FD R3	294,374

Investments representing 5% or more of the Plan's net assets at December 31, 2013 are as follows:

VANGUARD TARGET RET 2030	\$ 329,231
VANGUARD TARGET RET 2040	299,125
AMERICAN FUNDS EUROPAC GROWTH	124,165
AMERICAN FUNDS AMCAP	142,054

During the year ending December 31, 2014, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$111,390 as follows:

Pooled Separate Accounts	\$ 112,206
Mutual Funds	(833)
Stable Value Fund	<u>17</u>
Total	<u>\$ 111,390</u>

Note 7. Guaranteed Investment Contract

The Plan has a fully benefit-responsive guaranteed investment contract with Principal. Principal maintains the contributions in a collective trust. The trust is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

HEALTHCARE ASSOCIATES OF IRVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 7. Guaranteed Investment Contract (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan's management believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The blended net crediting rate on the investment contract at December 31, 2014 was 1.862%.

Note 8. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

HEALTHCARE ASSOCIATES OF IRVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

Note 8. Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Pooled separate accounts – Valued at the net asset value of shares held by the Plan at year-end.

Mutual funds – Valued at the net asset value of shares held by the Plan at year-end.

Stable value fund – Valued at the net asset value of shares held by the Plan at year-end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair values of assets measured on a recurring basis at December 31, 2014 are as follows:

Fair Value Measurements at Reporting Date Using:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
