To the Administrative Committee of
Korea Express USA 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Korea Express USA 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. However, because of the matter described in the Basis for Disclaimer of Opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Retirement Service, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executed investment transactions. The plan administrator has obtained certifications from the trustee as of and for the year ended December 31, 2014, that the information provided to the plan administrator by the trustee is complete and accurate.

(CONTINUED)

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2014 financial statements. Accordingly, we do not express an opinion on the 2014 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at end of the year) as of December 31, 2014, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2013 Financial Statements

The financial statements of the Plan as of December 31, 2013, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any audited procedures with respect to the information certified by John Hancock Retirement Services, the trustee of the Plan. Their report, dated October 10, 2014, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

KOREA EXPRESS USA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013

Note 1 - Description of Plan

The following description of the Korea Express USA 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - Korea Express USA, Inc. (the “Company” or “Plan Sponsor”) established the Plan effective February 4, 2010. The Plan is a defined contribution plan covering all employees of the Company who are age twenty-one or older with three (3) months of service. Plan entrance dates are the first business day of each quarter. The Board of Directors of the Company is responsible for administration and management of the Plan. All investments of the Plan are participant-directed. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Merger - On January 1, 2014, the Board of Directors of CJ America, Inc., a controlling party of the Company, approved the merger of this Plan into the CJ America, CJ Group, TMI 401(k) Retirement Plan (“CJ 401(k) Plan”) effective February 24, 2014. As a result, all investments in the total amount of \$930,792 were transferred from the Plan into the CJ 401(k) Plan on that date. Due to this merger, the Company changed its plan administrator from Red Bank Pension Services to Automatic Data Processing.

Contribution - Each year, participants may contribute up to 100% of pretax annual compensation, as defined by the Plan and subject to certain limitations as a salary deferral. In addition, participants may separately elect to defer up to 100% of any bonuses paid during the year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan sponsor may contribute 100% of participant deferrals up to 3% of annual compensation. A “catch-up” provision of an additional \$5,500 is allowed for each year of 2014 and 2013 for employees age of 50 or older. Effective for the 2009 plan year, participants become eligible to receive employer’s contributions, after they complete 3 months of services with the employer and are employed on the last day of the Plan. Plan participants direct the investment of their contributions and the employer matching contribution into the various investment options offered by the Plan.

Participant Accounts - Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants’ non-vested accounts are used to supplement future employer matching and profit sharing contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts, plus earnings thereon, is 100% following three years of continuous service. Years of service for vesting are counted from the date of hire with a year of service for each plan year during which a participant earns credit for 1,000 hours of service.

**KOREA EXPRESS USA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013**

Note 1 - Description of Plan (Continued)

Payment of Benefits - On termination of service due to death or disability, all amounts credited to a participant's account become fully vested. The death benefit will be paid to a participant's beneficiary in a single lump-sum payment. Payment of disability benefits will be made as if a participant had retired. For termination of service due to other reasons, a participant may receive the value of only the vested interest in his or her account as a lump-sum payment. Financial hardship and in-service distributions are also permitted provided certain eligibility requirements are met.

A participant may delay the receipts of benefits unless a distribution is required to be made because a participant's vested benefits in the Plan do not exceed \$5,000. However, if a participant is a 5% owner, distributions are required to begin no later than the April 1st following the calendar year in which a participant reaches age 70½. If participant is not a 5% owner, distributions are required to begin no later than the April 1st following the later of calendar year in which the participant reaches age 70½ or the calendar year in which the participant retires.

Participant Loans – Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's account, bear a reasonable rate of interest, and have a defined repayment schedule. Principal and interest are paid through payroll deductions.

Administrative and Investment Management Expenses - Record keeping and custodial fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan. All other expenses of the Plan are paid by the Plan sponsor.

Forfeited Accounts – Forfeitures will be used first to restore previously forfeited account balances of returning participants who are so entitled. Remaining forfeitures will be used to pay plan administrative expenses and to reduce any employer contributions.

Note 2 - Summary of Significant Accounting Policies

The accounting and reporting policies of the Plan conform to accounting principles generally accepted in the United States of America (US GAAP).

Accounting Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual method of accounting.

KOREA EXPRESS USA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013

Note 2 - Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition - All investments are carried at fair value or an approximation of fair value. Quoted market prices are used to value investments and shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. All Plan assets were transferred to the CJ 401(k) Plan on February 24, 2014.

Interest income is recorded on the accrual basis. The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Non-Distributed Benefits - The Plan does not accrue non-distributed benefits related to participants who have withdrawn from the Plan, but recognizes such benefits as a deduction from net assets in the period in which such benefits are paid.

Participant Loans - Participant loans are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Plan Administrative Expenses - Cost of administration of the Plan is absorbed by the Plan sponsor.

Termination of the Plan - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 3 – Investments

Unaudited Information Certified by the Plan Trustee

The Statements of Net Assets Available for Benefits, the investment activities included in the Statement of Changes in Net Assets Available for Benefits for the period ended December 31, 2014, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA of 1974. The information certified includes total investments of \$-0- and \$903,574 at December 31, 2014 and 2013, respectively, and related gains of \$13,166 for the period ended December 31, 2014.

**KOREA EXPRESS USA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013**

Note 3 – Investments (Continued)

The following presents investments that represent 5 percent or more of the Plan's net assets at December 31, 2014 and 2013:

	<u>2014</u>	<u>2013</u>
Mutual funds:		
Lifestyle Moderate	\$ -	\$ 751,391

During the period ended December 31, 2014, the plan's investments appreciated in value by \$12,938.

Note 4 - Fair Value Measurements

ASC 820-10 establishes a framework for measuring fair value as it related to financial assets and liabilities and to nonfinancial assets and liabilities measured at fair value on a recurring basis. Such framework provides fair value three-level valuation hierarchy based on upon observable and unobservable inputs with preference given to observable inputs.

The three levels of the fair value hierarchy are defined as follows:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets.

Level 2 - Significant other observable inputs other than Level 1 prices such as quoted prices in markets that are not active, quoted prices for similar assets, or other inputs that are observable, either directly or indirectly, for substantially the full term of the asset.

Level 3 - Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

DECEMBER 31, 2014 AND 2013

Note 4 - Fair Value Measurements (Continued)

The Plan assets, measured at fair value on a recurring basis as of December 31, 2014 and 2013, were as follows:

<i>At December 31, 2014:</i>	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
No plan assets	\$ -	\$ -	\$ -

Mutual funds	847,543	-	-
Participant loans	-	-	36,631
	<u>\$ 848,387</u>	<u>\$ -</u>	<u>\$ 36,631</u>

The table below sets forth a summary of a changes in the fair value of the Plan's level 3 assets for the period ended December 31, 2014:

Balance, beginning of year	\$ 36,631
Purchases, sales, withdrawals and transfers, net	(36,631)
	<u>\$ -</u>

Note 5 – Income Tax Status

The Plan document is a volume submitter that the Company adopted with specific provisions customized to meet the needs of the sponsor and the participants. The volume submitter has received a favorable determination letter dated February 4, 2010, from the Internal Revenue Service that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

**KOREA EXPRESS USA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013**

Note 5 – Income Tax Status (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 – Party-in-Interest Transactions

Certain Plan investments in pooled separate accounts are managed by the custodian of the Plan. Purchases and sales of these funds are performed in the open market at fair value and qualify as party-in-interest. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 8 – Subsequent Events

Plan management has evaluated all subsequent events to the statements of net assets available for benefits date of December 31, 2014 through the date that the financial statements were available to be issued on October 13, 2015.
