EMCORE CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

NOTE 1. PLAN DESCRIPTION

The following description of the EMCORE Corporation 401(k) Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees, as defined by the Plan, who have been employed by EMCORE Corporation (the "Company" and the "Plan Sponsor") for 60 days and have attained 20 years of age. In addition, participants must complete 1,000 hours of service and be employed by the Company on the last day of the Plan year in order to be eligible for Company discretionary profit sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participant Contributions

Participants are permitted to make contributions from one percent to 30 percent of pretax annual compensation, as defined in the Plan and subject to certain limitations under the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan. The Plan includes an automatic enrollment provision that all eligible employees are automatically enrolled at a deferral rate of three percent, increasing by one percent annually up to six percent of eligible compensation, as defined in the Plan.

Company Contributions

The Company makes a discretionary matching contribution of 50 percent of the first six percent of base compensation that a participant contributes to the Plan, which is calculated on a bi-weekly basis and contributed on a monthly basis. All Company contributions are in the form of the Company's common stock. During the year ended December 31, 2014, the Company made a discretionary matching contribution of \$872,536, net of forfeitures of \$60,051. The Company may also at its discretion choose to make an additional profit sharing contribution, of which none was made for the year ended December 31, 2014.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution, if any, and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. Participants are vested in Company contributions at 20 percent after one year of service and an additional 20 percent each year thereafter until 100 percent vested upon five years of service. While still employed by the Company, a participant also becomes fully vested in Company contributions upon death, total disability, or upon reaching age 60.

EMCORE CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

NOTE 1. PLAN DESCRIPTION (Continued)

Forfeitures

Forfeitures of Company contributions may be used to pay Plan administrative expenses and to reduce Company contributions. During 2014, forfeitures of \$22,504 were allocated as an additional 2013 Company matching contribution and \$60,051 were used to reduce the 2014 Company matching contributions. As of December 31, 2014, forfeitures of \$70,006 are available for future use.

Payment of Benefits

On termination of service for any reason, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or in installment payments, as permitted under the Plan.

Plan Termination

The Company may amend or terminate the Plan at any time, subject to the provisions of ERISA. If the Plan is terminated, the rights of all participants to their interests in the Plan will become fully vested and nonforfeitable.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from data provided by Prudential Bank & Trust, F.S.B (the "Trustee") and Prudential Insurance Company of America (the "Custodian") (collectively "Prudential").

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. The investments and changes therein of the funds have been reported to the Plan by Prudential using fair value. Accounting principles generally accepted in the United States of America require that the amount representing the difference between the fair value of a fully benefit-responsive investment contract and the contract value be presented on the face of the statements of net assets available for plan benefits. As of December 31, 2014 and 2013, there is no difference between the contract value and fair value for the Prudential Guaranteed Income Fund, accordingly no adjustment is presented.

EMCORE CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Investments are valued daily. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Risk

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

Administrative Expenses

Certain administrative expenses incidental to the administration of the Plan, including fees of the Trustee, Custodian, and independent public accountants may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan.

Most investment options have fees that reduce the overall return on assets. The net appreciation of investments is reflected net of these fees.

According to the Administrative Service Agreement between the Company and Prudential, Prudential is required to make quarterly contributions to an ERISA Expense Account in the amount of \$13,750. The funds in the ERISA Expense Account may be used to pay Plan administrative expenses during the year and any remaining balance at the end of the year may be allocated to participants. During the year ended December 31, 2014, Prudential contributed \$55,000 to the ERISA Expense Account and \$56,441 of Plan administrative expenses were paid from the ERISA Expense Account. The net appreciation of investments is inclusive of these contributions. As of December 31, 2014, there was \$6,438 of funds available in the ERISA Expense Account.

Benefits Payable to Participants

Benefits are recorded when paid.

Fair Value

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable. The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

EMCORE CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Mutual Funds – This category consists of publicly traded funds of registered investment companies. The net asset value of the mutual fund's shares is quoted on the exchange where the fund is traded and therefore classified as Level 1 within the valuation hierarchy.

Common Stock – Valued at the closing price reported on the active market on which the individual security is traded and therefore is classified as Level 1 within the valuation hierarchy.

Guaranteed Income Fund – The Guaranteed Income Fund ("GIF") is a fully benefit-responsive investment fund and is classified as a Level 2 investment. The GIF is valued based upon the participant contributions made in the fund, plus earnings from bonds, less withdrawals and fees.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Investments at Fair Value as of December 31, 2014

Recent Accounting Pronouncement

On July 31, 2015, the FASB issued a new Accounting Standards Update ("ASU") that simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts, plan investment disclosures, and measurement date practical expedient. The guidance is contained in ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans, Topic 960; Defined Contribution Plans, Topic 962; and Health and Welfare Benefit Plans, Topic 965: Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. The amendments are effective for all plan years beginning after December 15, 2015. Plan management does not expect this pronouncement to have a material impact on the Plan's financial statements.

NOTE 3. INVESTMENTS

Investment options are selected by the Plan Sponsor and are participant-directed. The participants have several investments they can choose from. See the attached Schedule of Assets (Held at End of Year) for a detailed listing of investments.

The following presents investments that represent five percent or more of the Plan's net assets at December 31:

	2014	2013
EMCORE Corporation Common Stock	\$ 3,595,475	\$ 3,688,254
Prudential Guaranteed Income Fund	6,062,242	5,968,127
American Funds American Mutual Fund	4,146,927	3,938,390

MFS Utilities Fund	2,548,685	2,356,501
Delaware Diversified Income Fund	3,285,431	3,266,525

For the year ended December 31, 2014, net appreciation of investments in registered investment companies (mutual funds) was \$1,772,211 and net appreciation on EMCORE Corporation common stock was \$208,861.

EMCORE CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

NOTE 3. INVESTMENTS (Continued)

The Plan entered into a fully benefit-responsive investment contract with Prudential. Prudential maintains the contributions in a commingled separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Prudential is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan.

Since the GIF is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the contract. Contract value, as reported to the Plan by Prudential, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of Prudential or otherwise. The crediting interest rate is based on a formula agreed upon with Prudential, but may not be less than 1.50 percent. Such interest rates are viewed on a semi-annual basis for resetting. The contract value is also the fair value to be disclosed.

Certain events limit the ability of the Plan to transact at contract value with Prudential; however, Prudential has indicated that generally there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days.

Average yields for the Prudential Guaranteed Income Fund:	<u>2014</u>	<u>2013</u>
Based on actual earnings	2.00%	2.10%
Based on interest rate credited to participants	2.00%	2.10%

NOTE 4. NOTES RECEIVABLE FROM PARTICIPANTS

Participants in the Plan may borrow against their vested account balance within specified guidelines, as defined in the Plan. The loan interest rate is set at one percent above the prime rate, as defined in the Plan. The loans are stated at the unpaid principal amount, secured by the balance in the participant's account and bear interest at 4.25 percent. Principal and interest is paid ratably through payroll deductions. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 5. TAX STATUS

The Company adopted a prototype plan document which is the subject of a favorable tax opinion letter from the IRS dated March 31, 2008. The Company routinely self-reviews the administration of the Plan and self-corrects any compliance issues in accordance with the Employee Plans Compliance Resolution System ("EPCRS"). The Company has identified an operational error and corrected it through the Self-Correction Program under the EPCRS. Accordingly, the Company believes that the Plan currently is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

EMCORE CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014

NOTE 5. TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 6. FINANCIAL DATA CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Trustee and Custodian and was not subjected to any auditing procedures performed by the independent public accountants:

- a. Participant-directed investments and notes receivable from participants as shown in the accompanying statements of net assets available for plan benefits as of December 31, 2014 and 2013.
- b. Net appreciation of investments, interest and dividend income on investments, and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for plan benefits for the year ended December 31, 2014.
- c. Investments and participant loans as of December 31, 2014 as listed in the accompanying Schedule of Assets (Held at End of Year).

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Prudential. Transactions with Prudential are party-in-interest transactions for which exemptions exist. Prudential received \$29,875 for loan administration and transaction fees during 2014, of which \$16,441 was paid from the ERISA Expense Account, and \$13,434 was paid by participants through the Plan. In addition, Prudential also receives indirect compensation from certain funds based on a formula. The Plan also paid \$40,000 to the Plan's investment advisor, all of which was paid from the ERISA Expense Account.

NOTE 9. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through October 14, 2015, which is the date that the financial statements were available to be issued, and determined that there were no subsequent events or transactions that required recognition or disclosure in the financial statements, except as disclosed below:

- Effective January 15, 2015, a portion of the Plan was spun off into the SolAero Technologies Corp. 401(k) Plan and assets of approximately \$10,400,000 were transferred out of the plan and into the SolAero Technologies Corp. 401(k) Plan.
- Effective April 24, 2015, the Plan Sponsor resolved that Company contributions will no longer be made in Company common stock and will be made in cash starting in June 2015. In addition, participants will be given the option to voluntarily liquidate their Company common stock for a period of six months. Any Company common stock remaining in the Plan after the six month period will be liquidated by the Company and invested in the qualified default investment alternative designated for the participant.
