## Independent Auditor's Report

To the Administrative Committee of  
HemaCare Corporation 401(K) Profit Sharing Plan  
Van Nuys, California

### Report on the Financial Statements

We were engaged to audit the accompanying financial statements of HemaCare Corporation 401(K) Profit Sharing Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2014, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2014, that the information provided to the plan administrator by the trustee is complete and accurate.

### Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2014 financial statements. Accordingly, we do not express an opinion on these financial statements.

### **Other Matters**

The supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2014, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

The financial statements of the Plan as of December 31, 2013, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Reliance Trust Company, the trustee of the Plan. Their report, dated September 4, 2014 indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### **Report on Form and Content in Compliance With DOL Rules and Regulations**

The form and content of the information included in the 2014 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**HEMACARE CORPORATION**  
**401(K) PROFIT SHARING PLAN**  
Notes to Financial Statements  
December 31, 2014

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of the HemaCare Corporation 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. The Plan was effective January 1, 1990. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

**General** – The plan is defined contribution plan established for the benefit of all employees of HemaCare Corporation (the “Company”). The plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (“IRC”) and similar state tax laws. For the year ended December 31, 2014, Reliance Trust Company (“Reliance Trust”) served as the custodian of the Plan’s assets, and DailyAccess Corporation, a third-party employee benefit administrator, provided record keeping and investment accounting services. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

**Eligibility** – Employees of the Company who have reached 18 years of age and have completed one month of service are eligible to participate in the Plan and make elective deferral contributions. Plan participants are eligible to receive employer discretionary matching contributions and non-elective contributions after completing one year of service.

**Participant Contributions** – Each year, participants may contribute up to 75% of pretax annual compensation, subject to certain limitation under the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make an additional catch-up contribution. Participants may also make Roth 401(k) contributions, and rollover amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain limitations, as defined in the Plan.

**Employer Contributions** – The Company may make discretionary matching contributions or non-elective contributions, as determined by the Company’s board of directors. All employer contributions, if any, are invested in the same manner that the participant directs his or her contributions. The Company did not make any matching or elective contributions during 2014.

**Participant Accounts** – Individual accounts are maintained for each of the Plan’s participants to reflect the participant’s contributions, rollovers from qualified plans of the participant’s previous employers, Company matching and non-elective contributions, and allocations of the Plan’s earning and administrative expenses. Plan earnings and expenses are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting** – Participants are immediately vested in their salary deferral contributions, plus actual earnings thereon. The portion of the participants’ account attributable to the Company’s matching contributions plus actual earning, becomes 20% vested every year following a full year of service as defined, and continues to vest at the rate of 20% for each successive year of service until 100% vested after five (5) years of service.

**Investment Options** – Participants direct their salary deferral contributions and Company contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via the Internet website or using the automated telephone system offered by the custodian.

**401(K) PROFIT SHARING PLAN**  
Notes to Financial Statements  
December 31, 2014

**NOTE 1 – DESCRIPTION OF THE PLAN – (CONTINUED)**

**Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balance, or \$50,000. The maximum loan amount will be reduced by the participant's highest outstanding loan balance in the previous 12 months even if the amounts have been repaid. A participant may have up to three loans outstanding at one time.

The loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan Administrator (currently all notes receivable bear interest at 4.25%). Loan terms are specified for each loan. Loans must be repaid within a five-year period or within a fifteen-year period if the loan is used to purchase a principal residence. Principal and interest are paid through bi-weekly payroll deductions. All loans become due and payable within 30 days of a participant's termination of employment with the Company.

**Benefit Payments** – Upon normal retirement, retirement due to permanent disability, death, termination and hardship, participants or the participants' beneficiaries are eligible to receive their vested interest in funds either in the form of payment beginning at 70 ½ or in a lump-sum payment.

**Forfeitures** – Participant's accounts are forfeited if the employer contribution portion has not fully vested at the time of withdrawal. Forfeitures may first be used to pay any administration expenses and then any remaining forfeitures will be used to reduce any matching contributions. As of December 31, 2014, forfeited non-vested accounts totaled \$1,623.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting** – The accompanying financial statements of the Plan are prepared under the accrual method of accounting and include only the assets, liabilities, and changes in the net assets of the Plan in conformity with accounting principles generally accepted in the United State of America ("GAAP").

**Use of Estimates** – The preparation of the Plan's financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Notes from Participants** – Notes from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are forfeited as distributions based upon the terms of the Plan document and participant loan policy.

**Investment Valuation and Income Recognition** – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for its investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for applicable investments.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)**

**Payment of Benefits** – Benefit payments to participants are recorded upon distribution.

**Administrative Expenses** – Administrative expenses are paid using forfeited amounts, and the remaining expenses are paid directly by either the Company or by the Plan, as defined in the Plan document. Administrative expenses were \$40,229 during the year ended December 31, 2014.

**Plan Termination** – Although, it has not expressed any intent to do so, the Company by action of its Plan Administration, has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, further contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for benefits would be distributed to the participants based on each participant's interest in the Plan.

**Risk and Uncertainties** – The Plan provides for various investment options in funds which participants can invest in a combination of equity, fixed income securities and other investments. Investments are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investments, it is at least reasonable possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

**Subsequent Events** – The Plan Administrator has evaluated subsequent events October 13, 2015; the date financial statements were available to be issued.

The custodian also certified the completeness and accuracy of \$20,616 of net appreciation in the Plan's certified investments (including gains and losses on investments bought and sold, as well as held during the year) related entirely to the mutual funds and \$316,393 of interest and dividend income related to Plan assets for the year ended December 31, 2014.

**NOTE 4 – OTHER ASSETS**

The Plan maintains various investments and notes from participants that are not certified by the custodian. These investments are allocated to the principal shareholder of the Company, who is responsible for directing these investments. The notes receivable from participants represent amounts borrowed by participants from the Plan.

At December 31, 2014 and 2013, assets held by the Plan that were not certified included the following:

|                                     | <u>2014</u>      | <u>2013</u>       |
|-------------------------------------|------------------|-------------------|
| HermaCare Corporation, common stock | <u>\$ 33,687</u> | <u>\$ 44,642</u>  |
| Notes from participants             | <u>\$ 99,950</u> | <u>\$ 163,046</u> |

Net depreciation in the investments (including gains and losses on investments bought and sold, as well as held during the year) related to non-certified assets totaled \$5,339, and there was \$4,942 of interest on notes from participants related to non-certified assets for the year ended December 31, 2014.

**NOTE 5 – FAIR VALUE MEASUREMENTS**

FASB Accounting Standards Codification Topic No. 820, Fair Value Measurements and Disclosures ("ASC 820"), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels on the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; or (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**NOTE 5 – FAIR VALUE MEASUREMENTS – (CONTINUED)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value:

|                    |                                                                                                                            |
|--------------------|----------------------------------------------------------------------------------------------------------------------------|
| Cash:              | Valued at the carrying value, which approximates fair value due to short term nature of such instruments.                  |
| Money market fund: | Valued at the carrying value, which approximates fair value due to the short term nature of such investments.              |
| Mutual funds:      | Valued at the net asset value ("NAV") of shares held by the Plan at year end.                                              |
| Common stock:      | Valued at the closing price reported on the active market on which the individual stocks, funds or partnership are traded. |

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014 and 2013:

|                   | Fair Value Measurements<br>Using Level 1 Values |                     |
|-------------------|-------------------------------------------------|---------------------|

**NOTE 6 – TAX STATUS**

Effective March, 31, 2008, the Plan adopted a non-standardized form of a prototype plan sponsored by DailyAccess Corporation. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

**NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Reliance Trust Company is the custodian as defined by the Plan and therefore is considered a party-in-interest with respect to the Plan; therefore these transactions qualify as party-in-interest transactions permitted by the Plan. Administrative fees related to the Plan's existence that are paid by the Plan Sponsor are considered related-party transactions. Notes from participants and the related interest income of \$4,942 are considered related party transactions.

In 2008, the Company made a matching contribution to the Plan in the form of common stock of the Company. The Plan allows participants to transfer funds from the Company's common stock fund into other investments offered by the Plan at any time during the year; however, investments in Company common stock are not allowed.

As of December 31, 2014 and 2013, the aggregate investment in Company common stock was as follows:

|                                       | <u>2014</u>      | <u>2013</u>      |
|---------------------------------------|------------------|------------------|
| HemaCare Corp. commons stock (shares) | 177,952          | 177,952          |
| Common stock, at fair value           | <u>\$ 33,687</u> | <u>\$ 44,642</u> |

**NOTE 8 – EXCESS CONTRIBUTIONS PAYABLE TO PARTICIPANTS**

The Plan failed the actual deferral percentage ("ADP") test for the years ended December 31, 2014 and 2013. In order to comply with the ADP test, the Plan refunded contributions subsequent to year end to certain participants.

Amounts totaling \$11,800 and \$53,829 are recorded as excess contributions payable to participants in the accompanying Statements of Net Assets Available for Benefits at December 31, 2014 and 2013, respectively, and contributions were reduced by \$11,800 in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2014.
