We have audited the accompanying financial statements of International Brotherhood of Electrical Workers Local 683 - Profit Sharing Annuity Plan, which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2014 and 2013, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of (1) assets (held at end of year) as of December 31, 2014 and (2) reportable transactions as of December 31, 2014 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL 683-PROFIT SHARING ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2014 and 2013

1. Description of Plan:

The following description of the International Brotherhood of Electrical Workers Local 683 - Profit Sharing Annuity Plan ("Plan") provides only general information. Participants should refer to the amended and restated Plan document effective January 1, 2009 plus the amendments adopted by the Board of Trustees for more complete information.

A. General -

The Plan is a multiemployer defined contribution plan established pursuant to a collective bargaining agreement between the International Brotherhood of Electrical Workers Local 683 ("Local") representing the employees, and the Columbus Division of the Central Ohio Chapter, National Electrical Contractors Association ("Association"). The Plan covers all members of the Local employed under the terms of the collective bargaining agreement with the members of the Association. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions -

Association employers make contributions to the Plan for each hour paid to participants. Effective August 1, 1995, each eligible participant shall be permitted to make Elective Deferrals as a member of Group A or Group B. An employer which is required to contribute to the Trust Fund on behalf of a participant shall contribute the hourly contribution as elected for Group A or Group B per the Collective Bargaining Agreement.

C. Participant Accounts -

Each participant's account is credited with the contributions received on behalf of the participant from the Association employers. As of the last day of each Plan Year, the Administrative Manager shall revalue the total accumulated assets of the Fund and shall, after providing for payment of all reasonable and necessary expenses in the application of the Trust Fund, allocate earnings and losses on the investments generated from such assets on a pro rata basis determined by the value of the Individual Participant's Credit Account.

INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL 683-PROFIT SHARING ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2014 and 2013

1. Description of Plan, continued:

C. Participant Accounts, continued -

Participants participating in the Participant-Directed portion of the Plan (accounts with segregated investments) shall receive only the income or loss on such segregated investments and shall be responsible for the payment, on a pro rata basis, all reasonable and necessary investment expenses, administration expenses, and amount for reserves or such other purposes as the Trustees shall decide. The valuation of a Participant's Participant-Directed Investments shall be the total amount of the Participant's Participant-Directed account as of the date of the payment of the lump sum or other benefit, less the charge for expenses and/or other deductions against the Participant-Directed account.

D. Vesting -

Participants are immediately vested in any contribution to their account plus the earnings thereon.

E. Notes Receivable From Participants -

Participants may borrow from their credit accounts after the participant's credit account accumulates \$10,000 and then such loans are limited to a minimum loan of \$5,000 and further limited so that total loans will not exceed 50% of the participant's credit account with maximum outstanding loans of \$50,000. The loans are secured by the balance in the participant's credit account and bear an interest rate which is 2% above the prime rate charged by JP Morgan Chase Bank, NA at the time the loan was granted.

F. Payment of Benefits -

Upon termination of service due to death, disability, retirement or a break in service with no employer contributions for a period of 24 consecutive months, a participant shall be entitled to the full value of the credit account. If the value of a participant's credit account derived from employer contributions exceeds \$1,000, the participant and the participant's spouse (or if either the participant or the participant's spouse has died, the survivor) must consent to any distribution of such account balance.

INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL 683-PROFIT SHARING ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2014 and 2013

1. Description of Plan, continued:

F. Payment of Benefits, continued -

A married retired Participant's account benefits will be distributed in the form of a joint and survivor annuity over the estimated life expectancy of the participant and their beneficiary. The participant may elect, with the consent of his or her spouse, to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution or substantially equal periodic installments per the Plan guidelines.

2. Summary of Significant Accounting Policies:

A. Basis of Accounting -

The financial statements of the plan are prepared on the accrual basis of accounting.

B. Estimates -

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition -

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

5. Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

5. Fair Value Measurements, continued:

Corporate Obligations, Mutual Funds, (reported in active markets) and U.S. Government Agencies Obligations are valued at the closing price reported in the active markets in which the individual securities are traded, are rated as level 1.

U.S. Government Obligations are corroborated by observable market data in inactive markets and are reported as level 2.

Common and Collective Trusts are corroborated by observable data provided by the 2014 audited financial statements based on the calculated net asset value per unit reported in the financial statements and are reported as level 2 investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2014 and 2013.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on net asset value (NAVs) per unit as of December 31, 2014.

December 31, 2014

	Fair Value	Redemption Frequency	Redemption Notice Period
Common & Collective(a)	13,419,683	Daily	See (a)
Common & Collective(b)	27,248,245	Daily	See (b)

a) Common & Collective Trust Fund. The fund's objective is to as nearly as practical replicate the performance of the Standard & Poor's 500 Index, by purchase and sale of those equities which compose the S&P 500 Index. The valuation of the Fund is performed as of the close of business on each day on which the New York Stock Exchange is open for business. Units are issued and redeemed daily at net asset value per unit. Notice of intention with respect to admissions and withdrawals must be given before 3:00 PM Eastern Time of the Valuation Date. Settlement occurs on the next business day after the Valuation Date. There is no lockup period or other restrictions on withdrawals.

5. Fair Value Measurements, continued:

b) Common & Collective Trust Fund. The Trust's primary investment objectives are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity. The trust holds primarily synthetic guaranteed investment contracts. The net unit values of the classes of the Trust are determined as of the close of each business day. Participant units are issued and redeemed only at the end of each day and at the net unit value at contract value, provided that the redeeming participant plans comply with the required one-year notice provision. Effective May 1, 2013, the required one-year notice provision was changed to a two-year provision. When the market value of units is less than their contract value, participant plans may also elect to withdraw units at their market value upon 10 days' notice.

6. Accounts Receivable - Employers:

Employers' contributions based on hours paid to union members during a particular month are not paid until the following month and, therefore, represent a receivable at each month's end.

7. Related Party Transactions:

The Plan is administered by I.B.E.W. Local 683 Fringe Benefit Fund, Inc. (a non-profit corporation) organized by the board of Trustees of the I.B.E.W. Local 683 Profit Sharing Annuity Plan, Pension Plan, Educational Plan and Health and Welfare Plan. Administration fees for 2014 and 2013 were \$77,183 and \$77,000, respectively.

8. Plan Termination:

Although it has not expressed any intent to do so, the Plan may be terminated at any time upon the written agreement of the Local and the Association and subject to the provisions of the ERISA. Upon termination, contributions to the Plan would cease and the fund would be distributed in accordance with the terms and provisions of the Plan.

9. Tax Status:

The Internal Revenue Service (IRS) has determined and informed the Plan by a letter dated June 12, 2012, that the amended and restated Plan document effective January 1, 2009 and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the plan is qualified, and the related trust is tax-exempt. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

10. Concentrations:

During the year ended December 31, 2014 two employers comprise approximately 49% of the total employer contributions.

The Plan maintains cash balances in excess of \$250,000 in a bank, which is insured by the Federal Deposit Insurance Corporation up to \$250,000 at December 31, 2014. The Plan's uninsured balance totaled \$1,099,847 at December 31, 2014.

11. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

One of the Plan's investments has a small portion of derivatives included in its total assets. The management of the investment fund is confident that any losses on derivatives would be an insignificant amount of its total assets.

12. Plan Amendment:

The Board of Trustees approved the Second and Third Amendments to the Plan at the December 19, 2013 meeting. The Second Amendment is effective September 18, 2013 and amends Section 2.38 of Article II regarding the definition of spouse. The Third Amendment is effective January 1, 2014 and amends Section 7.04 of Article VII regarding distributions in the event of termination of employment under the circumstances described in Section 6.05.

The Board of Trustees approved the Fourth Amendment to the Plan at the October 23, 2014 meeting. The Fourth Amendment is effective January 1, 2014 and amends Section 6.03(B)(3) of Article VI regarding the frequency of partial distributions from a participant's credit account.

The Board of Trustees approved the Fifth Amendment to the Plan at the December 18, 2014 meeting. The Fifth Amendment is effective January 1, 2015 and amends Section 16.01 of Article XVI regarding frequency of hardship withdrawals and limits the number of hardship withdrawals to 5 per participant's lifetime, amends Section 16.04 of Article XVI regarding permitted reasons for hardship withdrawals and adds Section 20.07 to Article XX to prohibit participants who have received a loan under the Plan's loan program from transferring his/her credit account balance to or from the Participant-Directed Investment portion of the Plan while there is an outstanding loan balance.

Because of the numerous plan changes and complexity of each modification, it is suggested that participants should review the Amendments to the International Brotherhood of Electrical Workers Local 683 Profit Sharing Annuity Plan for more detailed information.

The financial effects of these amendments, if any, are not determinable.

13. Subsequent Events:

The Plan has evaluated subsequent events through October 10, 2015, the date the financial statements were available to be issued.
