NOTES TO THE FINANCIAL STATEMENTS

1. Description of the Plan

The following description of the Rhode Island Mayoral Academy 401(k) Profit Sharing Plan and Trust (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution 401(k) plan covering substantially all employees of the Rhode Island Mayoral Academy Blackstone Valley (BVP) who are at least twenty-one (21) years old. The Plan sponsor is BVP with the trustee of the Plan being an employee of BVP. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is maintained and administrated by BVP. Transamerica Financial Life Insurance Company (TFLIC) is the appointed custodian of the Plan, and acts at the direction of the Plan's administrator. Paychex, Inc. (Paychex) is the recordkeeper of the Plan and maintains participant account records and instructs the custodian to execute transactions, such as benefit payments to participants.

Contributions

Participants may elect to contribute up to 96% percent of their eligible compensation, not to exceed annual limitations as permitted by the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (participant rollovers).

BVP contributes an employer matching contribution to the Plan. The amount of this matching contribution is equal to 100% of participant's elective deferrals which do not exceed 5% of the participant's compensation.

BVP may also contribute a discretionary profit sharing contribution equal to a percentage of each eligible participant's compensation for the plan year compared to all qualifying participants for the plan year. To be eligible to receive a profit sharing contribution, an employee must be a participant of the Plan and must have worked at least 500 hours of service during the Plan year. During 2014, BVP did not elect to make a profit sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution, BVP's contribution and their allocation of Plan earnings (losses) and any expenses incurred. Allocations are based on compensation or individual participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**RHODE ISLAND MAYORAL ACADEMY 401(k)
PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2014 and December 31, 2013**

Participant Notes Receivable

Participants may borrow from their account an amount up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Note terms range from one to five years, or up to ten years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Sponsor. Principal and interest is paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their voluntary and employer matching contributions plus the allocation of Plan earnings on those contributions, at the time of allocation. Participants become vested in BVP's discretionary profit sharing contribution and the allocation of Plan earnings on those contributions is as follows: 0% less than 1 year, 40% after 1 year, 60% after 2 years, 80% after 3 years, and 100% after 4 years.

Payment of Benefits

On retirement, death, disability or termination of service, a participant (or participant's beneficiary in the event of death) receives a lump-sum amount or installment payments equal to the value of the participant's vested interest in his or her account. If a participant has reached age 59½, distributions of amounts in the employee deferral account may be made, at the participant's election without requiring the participant to terminate employment.

Hardship withdrawals from the Plan are not permitted.

Forfeitures

Participants in the Plan who leave the employment of BVP before completing four years of service forfeit the non-vested profit sharing portion of their accounts. Forfeitures may be used to reduce future employer contributions. As of December 31, 2014 and 2013, there were no forfeited non-vested balances.

Plan Termination

BVP expects to continue the Plan indefinitely. However, BVP reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants. Any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Fully Benefit-Responsive Investment Contracts

Authoritative guidance defines the circumstances in which an investment contract is considered fully benefit-responsive and provides certain reporting and disclosure requirements for fully benefit-responsive investment contracts held by defined contribution, health and welfare and pension plans.

Specifically, the Plan invests in the Transamerica Stable Value Focus Fund. This type of contract does not have specific underlying assets assigned; however, the Transamerica Stable Value Option investment is backed by the general account of Transamerica Life Insurance Company (Transamerica). While Transamerica or TFLIC declare rates periodically and back the principal and interest of the investment choice, any guarantee is subject to the claims paying ability of the insurance company. This investment choice is not guaranteed by the FDIC or any other government agency. Although plan participants generally may withdraw assets from the Stable Value Option investment choice without restrictions, Transamerica or TFLIC may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The Statement of Changes in Net Assets Available for Plan Benefits is prepared on a contract value basis which approximates fair value.

As of December 31, 2014 and 2013, the Plan had \$99,917 and \$53,762, respectively, invested in the Transamerica Stable Value Focus Fund.

The investment fund's average yield and crediting rates for the year ended December 31, 2014 were 1.04% and 1.10%, respectively.

Valuation of Investments and Income Recognition

Investments are reported at fair value, except for the group annuity contract, which is reported at contract value, which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 3).

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation included in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**RHODE ISLAND MAYORAL ACADEMY 401(k)
PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2014 and December 31, 2013**

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balances and are secured by the balance in the respective participant's account. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within stated terms. Delinquent notes receivable from participants are reclassified as distributions based on terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2014 and 2013.

Contributions

Employee and employer matching contributions are recorded bi-monthly when BVP remits the payroll deductions for investment into the Plan.

Payment of Benefits

Benefits are recorded when paid to participants or their designated beneficiaries.

Administrative Expenses

Expenses incurred in the administration of the Plan are paid by BVP unless BVP directs that such expenses shall be paid by the Plan. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account. Investment management and recordkeeping fees, if applicable, are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single custodian. The Plan's exposure to credit risk is associated with the outside entity's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements with the custodian. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

**RHODE ISLAND MAYORAL ACADEMY 401(k)

Subsequent Events

Management has evaluated subsequent events through October 6, 2015, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Group annuity contract: Valued at contract value which approximates fair value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Pooled separate accounts: Valued using the net asset value (NAV) provided by the administrator of the fund based on the valuation of the fair value of the underlying investments. Participant transactions (purchases and sales) may occur daily.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2014 and December 31, 2013**

The Plan's level two investments at December 31, 2014 and 2013 are reported at fair value as follows:

	2014	2013
Group annuity contract	\$ 99,917	\$ 53,762
Pooled separate accounts:		
Blended	334,900	165,380

Index	3,220	-
Value	182,121	112,928
Total	\$ 1,691,677	\$ 1,076,821

4. Investments

The fair value of individual investments that represent 5% or more of the Plan's net assets are as follows:

	2014	2013
Invesco Charter B Fund	\$ 642,863	\$ 479,394
Janus Triton Fund	187,706	129,747
Loomis Sayles Investment Grade Bond Fund	104,218	N/A
Morgan Stanley Growth Fund	103,463	N/A
Transamerica Stable Value Focus Fund	99,917	N/A
Aegon High Yield Bond Fund	N/A	75,759
Prudential Jennison Mid Cap Growth Fund	N/A	63,064

During the year ended December 31, 2014, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in fair value by \$75,397, all of which was attributable to the pooled separate account investments.

5. Investment Contract with Insurance Company

The Plan offers a group annuity investment option sponsored by TFLIC (see Note 2). Amounts held in connection with this investment are held in TFLIC's general account. The value of the investment and contract value included in the financial statements, as reported to the Plan by TFLIC, is equal to the sum of the contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

**RHODE ISLAND MAYORAL ACADEMY 401(k)
PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2014 and December 31, 2013**

The guarantee of values provided for investments made with Transamerica Financial Life Insurance Company under the Plan's investment contract are based on the financial strength and claims paying ability of Transamerica Financial Life Insurance Company. As of the date of the audit report, the most recent independent credit ratings for Transamerica Financial Life Insurance Company are as follows:

Moody's: A1 Standard & Poor's: AA-

6. Income Tax Status

The underlying standardized prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2008, stating that the form of the plan is qualified under Section 401 of the IRC and, therefore, the related trust is tax-exempt. The Plan Sponsor has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2014, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2011.

7. Summary of Financial Data Certified by the Custodian

The following is a summary of financial information and data certified by Transamerica Financial Life Insurance Company, the custodian of the Plan:
