To the Administrative Committee
Gale Banks Engineering Employee Savings Plan

We have conducted a DOL limited-scope audit of the financial statements and supplemental schedule of Gale Banks Engineering Employee Savings Plan (the Plan) for the year ended December 31, 2014, and have issued our report thereon dated July 23, 2015. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated February 5, 2015. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2014. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimate affecting the financial statements is in Note C, Fair Value Measurements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with you each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of management of Gale Banks Engineering Employee Savings Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Maginnes Enochs & McLutzy, CLP

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2014 and 2013, and for year ended December 31, 2014, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets (Held at End of Year) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

GALE BANKS ENGINEERING
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

A. Description of Plan

The following description of the Gale Banks Engineering ("Company") Employee Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering all employees of the Company who have completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the maximum amount allowed, subject to limitations set forth by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified plans. The Company may match 50% of participant contributions up to 6% of participant compensation. Participants may contribute up to 100% of their gross pay (excluding bonuses) subject to limitations set forth by the Internal Revenue Service ("IRS").

Participant accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Plan earnings. The participant is responsible for directing the investments of all assets in his or her individual account. Participants may change their investment options daily. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings or losses thereon. Vesting in the employer contribution portion of their accounts is based on years of credited service, as defined in the Plan's provisions. Participants are 100% vested after six years of credited service.

NOTES TO FINANCIAL STATEMENTS

A. Description of Plan, continued

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms are generally from 1-5 years, or up to 10 years for the purchase of a primary residence. The loans bear interest at the prime rate plus 2%, ranging from 4.25% to 5.25% at December 31, 2014. The loans are secured by the balance in the participant's account. Principal and interest is paid ratably through periodic payroll deductions. Loans are reported at their unpaid principal balances.

Payment of benefits

On termination of service, participants with a vested interest in the Plan of more than $5,000 may elect to receive a lump-sum or installment payments equal to the vested value of their account or to defer distribution until retirement, as defined in the Plan's provisions. Employees choosing to defer their distribution continue to participate in investment gains and losses but are no longer eligible for matching contributions by the Company. Terminated employees with a vested account value in the Plan of $5,000 or less may receive benefits only in a lump-sum distribution.

Forfeitures

At December 31, 2014 and 2013, forfeited nonvested accounts were $10 and $10. These amounts may be used to reduce future employer contributions or may be used to pay any administrative expenses of the Plan. For the year ended December 31, 2014, employer contributions were reduced by $7,675 from forfeited nonvested accounts.

B. Summary of significant accounting policies

Basis of accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

B. Summary of significant accounting policies, continued

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note C for discussion of fair value measurements.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to administration are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through July 23, 2015, which is the date the financial statements were available to be issued.

C. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

C. Fair Value Measurements, continued

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity can access at the measurement date.

Level 2

Inputs other than quoted prices included within Level 1 for identical assets that are observable for the asset or liability, either directly or indirectly.

Level 3
Unobservable inputs for the asset or liability.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2014 and 2013:

		Fair Value Measurements at the end of the reporting period using:
December 31, 2014	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)

NOTES TO FINANCIAL STATEMENTS

E. Information prepared and certified by trustee

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2014	2013
Investments, at fair value:		
Guaranteed interest accounts	$ 1,039,679	$ 1,058,804
Pooled accounts and mutual funds	5,354,698	5,445,132
Participant loans	152,466	169,013
Investment income	382,155	883,786

F. Related Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of mutual funds managed by Reliance Trust (ADP). Transactions with the trustees qualify as party-in-interest transactions.

Administrative expenses of the Plan are paid by the Company except for expenses of $700 which were paid by the participants. Indirect compensation amounted to $35,190 for broker/advisor services.

G. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

H. Tax status

The trust established for the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC), and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the IRS dated March 31, 2008. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the appropriate requirements of the IRC.

The U.S. federal jurisdiction in which the Plan files its annual return has a statute of limitations of three years. No open tax returns are currently under examination in the U.S. federal jurisdiction.

GALE BANKS ENGINEERING
EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

I. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
