INDEPENDENT AUDITORS' REPORT

To the Administrator of
the Savings Incentive Plan for Employees of Dental Depot and Related Entities

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Savings Incentive Plan for Employees of Dental Depot and Related Entities, which comprise the statements of net assets available for benefits as of December 31, 2014 and 2013, and the related statement of changes in net assets available for benefits for the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Bank of Oklahoma, N.A., the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2014 and 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year (page 11), which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial

statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Savings Incentive Plan for Employees of Dental Depot and Related Entities

Notes to Financial Statements

For the plan years ended December 31, 2014 and 2013

Note A – Description of Plan

The following description of the Savings Incentive Plan for Employees of Dental Depot and Related Entities (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Glenn A. Ashmore DDS, Inc. dba Dental Depot and related entities (the “Company”) who have completed one year of service and who have attained the age of twenty-one. The plan entry date is the first day of the quarter following satisfaction of both above requirements. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute a percentage of their compensation up to the maximum limit determined annually by the Internal Revenue Service. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the plan. Participant elective deferrals may not exceed 30% of compensation. The plan currently offers various common collective trusts for the participants. Any employer contribution amounts may be contributed at the Company’s discretion.

The Company may use non-vested, forfeited benefits to reduce Company contributions. During 2014, the Company used \$9,385 forfeited, non-vested benefits to reduce its contributions. The Company had \$4,667 and \$3,974 available for future application as of December 31, 2014 and 2013, respectively.

Participant Accounts

Each Participant’s account is credited with the participant’s contribution, the Company’s contribution, forfeitures of terminated participants non-vested accounts and plan earnings and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts plus earnings thereon is based on years of creditable service. Participant vesting is 20% per year. Participant is 100% vested after 5 years of credited service or if they are employed on or after their normal retirement age.

Payments of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant’s vested interests in his or her account in a lump-sum amount.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

See report of independent auditors.

Savings Incentive Plan for Employees of Dental Depot and Related Entities

Notes to Financial Statements

For the plan years ended December 31, 2014 and 2013

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Note C – Investments

Investments at Fair Value as Determined by Bank of Oklahoma, N.A., Trustee

The following presents investments in Mutual funds and common collective trusts that represent 5 percent or more of the plan's net assets:

	December 31,	
	2014	2013
Bank of Oklahoma, N.A. Managed Allocation Portfolio		
International Strategic Allocation Fund	\$ 129,968	\$ 89,283
Small Cap Strategic Allocation Fund	179,405	100,185
Mid Cap Strategic Allocation Fund	229,759	134,122
Large Cap Strategic Allocation Fund	176,853	97,926
MAP Target 2020 Fund	113,664	148,879
MAP Target 2030 Fund	219,394	260,541
MAP Target 2040 Fund	115,118	103,475
MAP Target 2050 Fund	190,403	237,697
Other investments under 5%	235,051	143,901
Carnival Hill Cash Management	*	*
	<u>\$ 1,589,615</u>	<u>\$ 1,316,009</u>

*Investment balance less than 5% of the Plan's net assets for the applicable year.

During the year ended December 31, 2014, the Plan's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated in value by \$75,849.

Note D – Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

See report of independent auditors.

Savings Incentive Plan for Employees of Dental Depot and Related Entities

Notes to Financial Statements

For the plan years ended December 31, 2014 and 2013

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in active markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014 and 2013.

Pooled collective trusts. Valued at the closing price reported on the active market on which the underlying mutual funds are traded.

Mutual funds: Valued at the net asset value (NAV) of shares held by the plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note E – Plan Termination

Although it has not expressed any intent to do so, Glenn A. Ashmore DDs, Inc. et al. has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

Note F – Tax Status

The Internal Revenue Service has determined and informed Bank of Oklahoma, N.A. by letter that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2010.
