REPORT OF INDEPENDENT AUDITORS

The Plan Administrator
Associated Grocers of the South, Inc.
Group Health and Dental Care Plan

Report on the Financial Statements

We have audited the accompanying financial statements of Associated Grocers of the South, Inc. Group Health and Dental Care Plan (the Plan), which comprise the statements of net assets available for benefits as of June 30, 2015 and 2014, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Associated Grocers of the South, Inc. Group Health and Dental Care Plan as of June 30, 2015 and 2014, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

The Plan was established to provide comprehensive major medical and dental benefits to all non-union full-time employees and to their enrolled eligible dependents and, effective June 1, 2005, all union employees and their enrolled eligible dependents. The Plan is self-funded by contributions from Associated Grocers of the South, Inc. (the Company) and employees. Benefit payments are made pursuant to plan provisions, from these contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Accounting Policies

The accounting records of the Plan are maintained on the accrual basis.

Accounting Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Contributions

Contributions are made by the Company as needed to fund benefits. Employees may contribute specified amounts, determined by the Company, to fund a portion of their medical benefits and to extend coverage to eligible dependents.

Administrative Costs

The Plan uses the services of a third party to receive, process, and pay medical claims. The Plan pays an administrative fee for these services. Other administrative expenses are absorbed by the Company.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to active employees, former employees and all dependents, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Tax Status

The Plan meets the requirements of Internal Revenue Code (IRC) 501(c)(9) and is, therefore, exempt from Federal income taxes under IRC Section 501(a). Therefore, no provision for income taxes is included in the Plan's financial statements.

Uncertain Tax Positions

The Plan follows the accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ASC 740, Income Taxes. The Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. Previous open tax years may be subject to examination by taxing authorities.

NOTE 2 - PLAN BENEFITS

The Plan is available to all non-union full time employees and, effective June 1, 2005, all union full-time employees of Associated Grocers of the South, Inc. who are scheduled to work thirty or more hours per week, and their enrolled eligible dependents.

The benefits which a participant and his/her eligible enrolled dependents are entitled to are detailed in the Plan document and employee benefit booklet.

The Plan maintains specific stop loss reinsurance.

NOTE 3 - BENEFIT OBLIGATIONS

The benefit claims currently payable include the Plan's liability for claims incurred as of year end but not reported and the Plan's liability for claims reported as of year end but not yet processed. The Plan's liability for claims incurred but not reported is estimated by the third party administrators utilizing actuarial methods which take into consideration prior claims experience and the expected time period from the date such claims are incurred to the date the related claims are submitted and paid.
