INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Big Sandy Furniture, Inc. 401(k) Plan
Franklin Furnace, OH

Report on Financial Statements

We were engaged to audit the accompanying financial statements of Big Sandy Furniture, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of February 28, 2015 and December 31, 2014, and the related statement of changes in net assets available for benefits for the period from January 1, 2015 to February 28, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Financial Statements as of February 28, 2015

Our responsibility is to express an opinion on the financial statements as of February 28, 2015 and for the period from January 1, 2015 to February 28, 2015 based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements as of February 28, 2015 and for the period from January 1, 2015 to February 28, 2015.

Auditor's Responsibility for the Financial Statements as of December 31, 2014

Our responsibility is to express an opinion on the financial statements as of December 31, 2014 based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion on the Financial Statements as of December 31, 2014 paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the Financial Statements as of December 31, 2014

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the investment assets held by Community Trust and Investment Company, the trustee of the Plan, and transactions in those assets were excluded from the scope of our audit of the Plan's financial statements as of December 31, 2014, except for comparing the information provided by the trustee, which is summarized in Note 4, with the related information included in the financial statements.

Disclaimer of Opinion on the Financial Statements as of December 31, 2014

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the Financial Statements as of December 31, 2014 paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements as of December 31, 2014.

Opinion on the Financial Statements as of February 28, 2015

In our opinion, the financial statements referred to in the first paragraph of the Plan as of February 28, 2015 and for the period from January 1, 2015 to February 28, 2015, present fairly, in all material respects, the financial status of the Plan as of February 28, 2015, and changes in its financial status for the period from January 1, 2015 to February 28, 2015 in conformity with accounting principles generally accepted in the United States of America.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the December 31, 2014 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Board of Directors of Big Sandy Furniture, Inc., the Plan's sponsor, approved a resolution to merge the Plan into the Big Sandy Superstores 401(k) Plan, effective January 1, 2015, and all transfers to the Big Sandy Superstores 401(k) Plan were completed by February 28, 2015. Our opinion is not modified with respect to that matter.

**BIG SANDY FURNITURE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FEBRUARY 28, 2015 AND DECEMBER 31, 2014**

(1) DESCRIPTION OF THE PLAN

The following description of the Big Sandy Furniture, Inc. (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Plan Merger

On December 23, 2014, the Board of Directors of Big Sandy Furniture, Inc. approved a resolution to become a participating employer in the Big Sandy Superstores 401(k) Plan, a multiple employer plan, and merge the Plan into the Big Sandy Superstores 401(k) Plan, effective January 1, 2015. There are no substantial changes in eligibility requirements, vesting, participant benefits and investment options under the Big Sandy Superstores 401(k) Plan. All participants' investments were transferred directly from the Plan to the Big Sandy Superstores 401(k) Plan by February 28, 2015.

General

The Plan was a defined contribution plan covering all employees of the Company who have attained age 21 and have completed 1,000 hours of service. Employees were enrolled in the Plan on the first day of the month coinciding with or next following the date on which an employee met the eligibility requirements.

The Plan was a prototype plan sponsored by Community Trust and Investment Company. Broker's commissions associated with investment transactions and investment management fees were paid by the Plan. The Plan was regularly updated to comply with tax legislation. It was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions

Each year, participants were able to contribute a percentage of their pay to the Plan, up to the maximum allowable contribution, as defined in Federal legislation. This amount was then deposited in the participant's account as a 401(k) contribution. Upon becoming eligible to participate, employees were automatically enrolled at a 3% pre-tax contribution level. Participants who attained age 50 before the end of the Plan year were eligible to make catch-up contributions.

Participants could rollover amounts from other eligible retirement plans to the Plan. The amounts transferred were allocated to the participant's rollover contribution account. Such amounts and any earnings or losses were fully vested at all times.

Matching Contribution

Each plan year or, if the Company so chose, at the same time tax-deferred contributions are contributed or any other time as permitted by law and regulation, the employer could have made a regular matching contribution to the participant's account of 25% of the participant's 401(k) contribution. Compensation earned before first becoming eligible to participate was excluded in determining the amount of the match. For the period from January 1, 2015 to February 28, 2015, the Company did not elect to make a matching contribution.

Participant Accounts

Each participant's account was credited with (a) the participant's contribution, (b) the Company's contribution and (c) Plan earnings. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant could direct employee and employer contributions in any of the investment options available to the Plan. Participants could change their allocation percentages at any time.

Payment of Benefits

Employees were eligible for retirement benefits upon reaching age 65 and were also eligible for benefits due to death or disability. Participants or their beneficiaries were able to elect a single lump sum payment of their entire vested account balance, or a portion of their vested account balance. Participants could make hardship withdrawals under prescribed circumstances, up to the value of their vested account balance. Withdrawals after the attainment of age 59 ½ could be made without penalty.

Vesting

Participants were immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon was based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	0%
2	20
3	40
4	60
5	80
6	100

Forfeited Accounts

Nonvested accounts of terminated employees were used to offset plan expenses or reduce the employer's contributions. Forfeited nonvested accounts totaled \$1 at December 31, 2014. During the period from January 1, 2015 to February 28, 2015, no forfeitures were utilized to offset plan expenses.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using U.S. generally accepted accounting principles and the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through December 14, 2015, which is the date the financial statements were available to be issued.

(3) INVESTMENTS

At December 31, 2014, the fair value of investments that represent 5% or more of the Plan's net assets were as follows:

	December 31, 2014
Metwest Total Return Bond Fund	\$ 215,163
Vanguard Growth Index	678,555
Vanguard Selected Value	117,810
Harbor International Fund Inst	211,305
Oakmark Equity & Income Fund	758,893

During the period from January 1, 2015 to February 28, 2015, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the period) depreciated in value as follows:

Mutual funds	\$ 36,696
--------------	-----------

(4) INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA for the financial statements as of December 31, 2014. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

	December 31, 2014
Assets:	
Investments, at fair value	\$ 2,161,737

(5) TAX STATUS

The Plan was a prototype plan offered by Community Trust and Investment Company. Community Trust and Investment Company obtained its latest opinion letter on March 31, 2008, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan was designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan was qualified. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for

any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

(6) FAIR VALUE MEASUREMENTS

The Plan has determined the fair value of certain assets and liabilities through the application of FASB ASC 820, *Fair Value Measurements*.

Under this statement, the Plan groups assets and liabilities at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets that the plan has the ability to access at the measurement date (e.g. prices derived from NYSE, NASDAQ or Chicago Board of Trade).
- Level 2: Inputs are inputs other than quoted prices included within Level 1 that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.
- Level 3: Inputs are unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the plans own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances. An example could be real estate valuations, which require significant judgment.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014.

Mutual funds - Valued at the net asset value of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2014:

<u>December 31, 2014</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds:				
Money Market	\$ 1,850	\$ -	\$ -	\$ 1,850
Domestic Equity	914,527	-	-	914,527
International Equity	271,042	-	-	271,042
Balanced Equity	758,893	-	-	758,893
Fixed Income	215,425	-	-	215,425
Total assets at fair value	<u>\$ 2,161,737</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,161,737</u>

(7) TRANSACTIONS WITH PARTIES IN INTEREST

Big Sandy Furniture, Inc., the Plan sponsor, provided to the Plan certain accounting and administrative services for which no fees were charged. Additionally, Big Sandy Furniture, Inc. paid certain consulting and advisory fees on-behalf of the Plan.

Community Trust and Investment Company was the trustee, and therefore, transactions with them qualify as party-in-interest transactions.
