NOTES TO FINANCIAL STATEMENTS

December 31, 2013

NOTE A – DESCRIPTION OF THE PLAN

The following description of the Cavallo Point Lodge 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreements for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Cavallo Point LLC (the Company), as defined in the respective Plan documents and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In addition to optional Company contributions to the Plan, the Plan includes a voluntary employee deferred salary arrangement.

Participant Contributions: Each year, eligible participants may contribute to the Plan up to 100% of pre-tax annual compensation, up to a maximum amount determined by the Internal Revenue Service ($17,500 in 2013 and $17,000 in 2012). The Plan allows all participants who have attained age 50 before the end of the Plan year to make catch-up contributions in accordance with Section 414(v) of the Internal Revenue Code ($5,500 for 2013 and 2012). The Plan allows participants to make two kinds of contributions; pre-tax elective deferrals and Roth elective deferrals. Participants may also contribute amounts representing distributions, or roll-overs, from other qualified retirement plans.

Company Contributions: The Company may make voluntary matching contributions to the Plan at the discretion of the Company's Board of Directors. Eligible participants must make elective deferrals to the Plan to receive matching contributions. Additionally, the Company may, at the discretion of its Board of Directors, make a nonelective contribution to the Plan. The nonelective contribution is allocated to all eligible participants.

For the years ended December 31, 2013 and December 31, 2012, the Company did not make any contributions to the Plan.

Participant Accounts: Each eligible participant's account is credited with the participant's salary reduction contributions and allocations of the Company's contributions, if any, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans: Participants may borrow from their fund accounts, a minimum of $500 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in The Wall Street Journal on the 14th of each month, plus two percentage points. Principal and interest are paid through payroll deductions over a period not to exceed five years unless the loan is used to purchase a primary residence. Loans used to purchase a primary residence must be repaid within a period of no more than thirty years.

Vesting: Participants are vested immediately in their salary reduction contributions plus actual earnings thereon. The full amount credited to a participant's account is vested when the participant attains age 65

NOTE A – DESCRIPTION OF THE PLAN - Continued

or when participation terminates by reason of death or disability. The account of a participant otherwise vests as follows:

Years of Service	Percentage Vested
1	33%
2	67%
3	100%

Payment of Benefits: Upon termination of employment, participants with vested account balances less than $5,000 will receive their distribution in a lump sum as soon as administratively feasible. If upon termination of employment with a vested account balance that exceeds $5,000, the Plan will commence distributions to the participant in the manner elected by the participant and allowed by the Plan. On termination of service due to disability, a participant with a vested account balance greater than $5,000 may elect to receive either a lump-sum, part lump-sum and part installments, installment payments or a joint and survivor annuity. If the disabled participant's vested account balance does not exceed $5,000, the Plan will distribute that amount in a lump-sum as soon as administratively feasible. On termination of service due to death, the Plan pays the participant's designated beneficiary in the form and at the time elected by the beneficiary, unless, the participant specified the timing and form of the beneficiary's distribution.

Upon reaching age 59 1/2, a participant may elect to receive all or part of the vested interest in his or her account while employed by the Company.

The Plan allows financial hardship distributions caused by certain events as defined in the Plan.

Forfeited Accounts: Participants who terminate their employment forfeit their unvested balances to the Plan. At December 31, 2013 and 2012, there are no forfeited non-vested accounts.

Investment Options: Upon enrollment in the Plan, eligible participants may direct their contributions in any increments in any of the individual investment options with varying degrees of risk and potential return offered through the group annuity contract with State Street Bank & Trust (see Note C).

NOTE B – SUMMARY OF ACCOUNTING POLICIES

Investment: Investments are stated at fair value.

Cash Equivalents: All highly liquid investments with a maturity of six months or less are considered to be cash equivalents.

Risk and Uncertainties: Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participant's account balances and the amounts reported in the statement of net assets available for plan benefits.

Use of Estimates: The preparation of the Plan's financial statements requires the Plan administrator to make estimates and judgments that affect the reported statements of net assets and changes available for benefits. Such estimates relate primarily to the valuation of investments not traded on an established market. Actual results could differ from those estimates.

Fair Value of Financial Assets and Liabilities: The Plan has adopted FASB ASC 820-10 *Fair Value Measurements*. ASC 820-10 introduces a framework for measuring fair value and expands required disclosure about fair value measurements of certain assets and liabilities. ASC 820-10 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820-10 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value, whereby level 1 uses quoted prices and active markets for identical assets or liabilities when determining fair market value; level 2 uses non active quoted prices for similar assets and liabilities that can be corroborated with market data; and level 3 uses unobservable information with little or no market data. The Plan utilizes the active market approach (level 1) to measure fair value for its variable mutual funds, including personal brokerage account, and level 3 to measure fair value for its fixed account investment funds.

Payment of Benefits: Benefits are recorded when paid.

NOTE C - INVESTMENTS

RE: Cavallo Point LLC – 401k Plan for Year 2013
ADP Plan #679525

To whom it may concern,

Please find this notice as an explanation to the late filing of the 401k Plan under Cavallo Point LLC for Plan Year of 2013. We are filing the amended 2013 5500 form to accompany the Plan for the year to accommodate the requests as the assigned CPA – Linda Lowe, had not provided the form and is not able to be contacted at this time. This has been a detriment on the company as the Company, Cavallo Point Lodge, has not experience such abandoned services by the mentioned CPA. Cavallo Point Lodge had all respective intentions in complying with the Government regulations; however, the above mentioned Individual who specializes in 401k audits has not provided the finished product to satisfy our requirements and the ability to fulfill the satisfaction of the Department of Labor regulations.

Should you need additional information, please feel free to reach out to myself, Stephanie Simontacchi. I will be in contact with another CPA firm to finalize the plans requirements to fulfill the request by the DOL.

We thank you for your support and will conclude with a positive and finalized report/audit.

Sincerely,

Stephanie Simontacchi
