RE: Late Submission of Form 5500-SF for Plan Year 2013 / Sorkins Rx Ltd 401(k) Profit Sharing Plan & Trust

To Whom It May Concern:

We received a notice from the IRS stating that our annual Form 5500-SF is overdue from plan year 2013. We are writing to inform you that this was an honest administrative error, as our team mistakenly was under the impression that the form had been submitted. This error was due to the unfortunate cost of an internal miscommunication. We have submitted the 2013 Form 5500-SF as of today, March 21, 2016, via the DOL's efast portal. As your records will show, we have successfully submitted these required forms for all other years (2009, 2010, 2011, 2012, and 2014). As such, we are kindly requesting that the NYS DOL and the IRS waive all penalties associated with this late filing as a good-faith courtesy.

Thank you in advance for your understanding and consideration of this matter. Should additional information be required, please do not hesitate to contact me at the following methods of communication:
