Independent Auditor's Report

To the Board of Trustees of the
Pipefitters and Plumbers Local 524
Pension and Annuity Plan

We have audited the accompanying financial statements of the Pipefitters and Plumbers Local 524 Pension and Annuity Plan (the Plan), which comprise the statement of net assets available for benefits (modified cash basis) as of June 30, 2015, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2015, and the changes in net assets available for benefits for the year then ended, in accordance with the modified cash basis of accounting as described in Note 2.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held for Investment Purposes as of June 30, 2015 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The Board of Trustees of the Pipefitters and Plumbers
Local 524 Pension and Annuity Plan

Prior Period Financial Statements

The financial statements of Pipefitters and Plumbers Local 524 Pension and Annuity Plan as of June 30, 2014, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated December 1, 2014, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Local 524 Pension and Annuity Plan

Prior Period Financial Statements

The financial statements of Pipefitters and Plumbers Local 524 Pension and Annuity Plan as of June 30, 2014, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated December 1, 2014, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Pipefitters and Plumbers Local 524 Pension and Annuity Plan (the Plan), as amended, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all members of the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry Local Union 524 (Union), employed under the terms of the collective bargaining agreement with the members of the Mechanical Contractors Association of Northeastern Pennsylvania, Inc. (Association). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions - Employers contribute to the Plan four dollars ($4.00) for each hour worked and eight dollars ($8.00) per hour for all hours worked as overtime and double-time by Plan participants. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions).

Participant Accounts - Each participant's account is credited with the employer contributions and allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participants transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are 100 percent vested in their account balance upon their Entry Date.

Benefits - The Participant's individual account will be paid upon the Participant's retirement, total and permanent disability, severance from covered employment, pre-retirement death, or, in the case of certain Participants returning from military service, upon the completion of a fixed number of years of service.

Forfeited Accounts - As of June 30, 2015, there were no forfeited accounts.

Investment Options - Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and collective investment trusts as investment options for participants.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements have been prepared using the modified cash basis method of accounting. Consequently, certain revenues are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by its investment advisers and custodians. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Operating Expenses - All expenses of maintaining the plan are paid by the Plan.

Use of Estimates - The preparation of the Plan's financial statements in conformity with modified cash basis requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Reclassifications - Certain items may have been reclassified from prior years financial statements for comparability purposes.

Subsequent Events - Subsequent events were evaluated through January 28, 2016, which is the date the financial statements were available to be issued.

NOTE 3. INVESTMENTS

The following presents investments that represent 5 percent or more of the Plan's net assets:

	June 30, 2015	June 30, 2014
Collective Investment Trust		
Morley Stable Value Fund	$ 12,797,455	$ 13,493,072
Mutual Funds		
American Funds New Perspective Fund	2,630,970	2,902,411
Dodge & Cox Income Fund	2,380,037	2,153,211
SEI Large Cap Fund	6,224,074	6,419,699

During the years ended June 30, 2015 and 2014 the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by $757,012 and $3,564,170 as follows:

	Year Ended June 30, 2015	Year Ended June 30, 2014
Collective Investment Trust	$ 138,111	$ 105,159
Mutual Funds	618,901	3,459,011
Net Appreciation	$ 757,012	$ 3,564,170

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2015 and 2014.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The Morley Stable Value Fund (SVF) is a collective investment trust maintained by Union Bond and Trust Company (UBT). UBT serves as trustee and has retained Morley Capital Management (MCM) to serve as investment adviser. The contract value of the SVF as of June 30, 2015 and 2014 is $12,797,455 and $13,493,072, respectively. Plan management believes the occurrence of events and circumstances that would cause the SVF to transact at less than contract value is not probable.

Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. These methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2015 and 2014:

	Assets at Fair Value as of June 30, 2015			
	Level 1	Level 2	Level 3	Total

Fair Value of Investments in Entities that Use NAV - The following table summarizes investments measured at fair value based on NAV per share as of June 30, 2015 and 2014 respectively:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice
June 30, 2015				
Collective Investment Trust	$ 12,797,455	N/A	Daily	1 Day
June 30, 2014				
Collective Investment Trust	$ 13,493,072	N/A	Daily	1 Day

NOTE 5. PLAN TERMINATION

Although it is the intent of the trustees to continue the Plan in full force and effect, the trustees reserve the right to terminate the Plan subject to the provisions of ERISA. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants. In the event the Plan is terminated, participants remain one hundred percent (100%) vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the administrator may determine.

NOTE 6. TAX STATUS

The Plan obtained its latest determination letter on November 18, 2015, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2011.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Wells Fargo Bank the Plan's third party administrator and custodian. As such, these transactions qualify as party in interest transactions.
