To the Management of
Treecon Resources, Inc. 401(k) Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Treecon Resources, Inc. 401(k) Plan (the "Plan") as of and for the year ended September 30, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered Treecon Resources, Inc. 401(k) Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by U.S. generally accepted auditing standards and did not include a consideration of internal control relating to the information summarized in Note 8 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first two paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

To the Management of
Treecon Resources, Inc. 401(K) Plan

We have audited the financial statements of Treecon Resources, Inc. 401(K) Plan for the year ended September 30, 2015, and have issued our report thereon dated February 24, 2016. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated September 25, 2015. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Treecon Resources, Inc. 401(K) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2015. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of you and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of management of Treecon Resources, Inc. 401(K) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Langley, Williams & Co, LLC

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the Treecon Resources, Inc. 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Treecon Resources, Inc. 401(k) Plan, which comprise the statements of net assets available for benefits as of September 30, 2015 and 2014, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described below in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by American Funds, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended September 30, 2015 and 2014, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

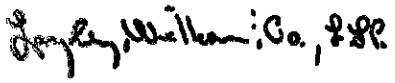

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule H, Line 4I-Schedule of Assets are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Treecon Resources, Inc.
401(k) Plan

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Treecon Resources, Inc. ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan for the benefit of eligible employees, which covers substantially all of the employees of Treecon Resources, Inc. and other commonly controlled corporations.

To become a participant, an employee must have obtained 21 years of age and must have completed one year of service and be credited with 1,000 hours of service.

Contributions and Funding Policy

Each calendar year, participants may contribute a percentage of their salary up to a maximum of $18,000 for calendar year 2015 and $17,500 for calendar year 2014, as defined in the Plan. Participants who have attained age 50 or older before the end of the Plan year are eligible to make catch-up contributions up to $6,000 for calendar year 2015 and $5,500 for calendar year 2014. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans but will not become a participant in the Plan until the eligibility and entry date requirements are met. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions up to 4% are eligible to receive a Safe Harbor matching contribution equal to 100%. The employer may make an employer match at his discretion based on the amount the participant contributes. The employer shall determine the amount of any additional 401(k) contribution to be made to the Plan out of current or accumulated net profits. These will be discretionary contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participants may borrow from their contribution accounts up to a maximum equal to the lesser of $50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made or 50% of their vested account, reduced by any outstanding loan balance. Participants may have only one loan outstanding at any time and the maximum term of the loan is 5 years unless the loan is taken for the purchase of a primary residence. Participant accounts are pledged as collateral for participant loans. The interest rate will be determined by the Plan Administrator at a reasonable rate by reviewing the interest rates charged for similar types of loans by other lenders.

Principal and interest is paid ratably through monthly payroll deductions. If any payment of principal and inerest, or any portion thereof, remains unpaid by the end of the calender quarter following the calendar quarter in which the loan payment is due, they will be considered to be "in default." For purposes of Code Section 72(p), the Participant shall then be treated as having a deemed distribution regardless of whether or not a distributable event has occurred.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN - (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus earnings and market fluctuations. The vested portion of the value of the participant's employer contributed account shall be based on the number of years of service. The vesting schedule is as follows:

Years of Vesting Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

In addition, certain special contributions that are made to the Plan on the employee's behalf will always be 100% vested. If any of these special contributions are made to the Plan, the employee will always have an immediate ownership interest in such contributions. Examples of special contributions that may be made to the Plan include:

Safe Harbor Contributions
Qualified Employer Contributions (QNECs)

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive either a lump-sum equal to the value of the participant's vested interest in his or her account or in the form of an annuity.

Distributions must commence no later than the first day of April following the calendar year in which the later of termination of employment or age 70½ occurs.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A brief summary of the significant accounting and reporting policies followed by the Plan in the preparation of its financial statements is presented below.

Date of Management's Review

Subsequent events were evaluated through February 24, 2016, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of September 30, 2015 and 2014, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid by the Company.

NOTE 3 - FAIR VALUE MEASUREMENTS

Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - FAIR VALUE MEASUREMENTS – (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are based primarily on quoted prices for similar assets or liabilities in active or inactive markets and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of September 30, 2015 and 2014:

	Fair Value	Fair Value Measurements Using: Quoted Prices in Active Markets for Identical Assets (Level 1)
September 30, 2015		
Mutual Funds	$ 454,063	$ 454,063
Total assets at fair value	$ 454,063	$ 454,063
September 30, 2014		
Mutual Funds	$ 160,017	$ 160,017
Total assets at fair value	$ 160,017	$ 160,017

Gains and losses included in changes in net assets available for benefits for the years ended September 30, 2015 and 2014, are reported in net appreciation in fair value of investment securities.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - INVESTMENTS

The following presents investments at September 30, 2015 and 2014 that represent 5% or more of the Plan's net assets:

	2015	2014
American Funds 2020 Target Date Fund R2, 4,353 shares and -0- shares, respectively	$ 47,793	$ -
American Funds 2025 Target Date Fund R2, 6,529 shares and 2,755 shares, respectively	$ 75,537	$ 33,661
American Funds 2035 Target Date Fund R2, 3,188 shares and -0- shares, respectively	$ 38,126	$ -
American Funds 2045 Target Date Fund R2, 2,435 shares and 1,103 shares, respectively	$ 29,483	$ 14,207
American Funds 2055 Target Date Fund R2, 1,692 shares and -0- shares, respectively	$ 24,738	$ -
American Funds Fundamental Invs R2, 676 shares and -0- shares, respectively	$ 32,828	$ -
American Funds Growth Fund of Amer R2, 681 shares and -0- shares, respectively	$ 27,299	$ -
Blackrock High Yield Bond Inv C, 4,267 shares and 1,764 shares, respectively	$ 31,705	$ 14,466

During the year ended September 30, 2015, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by $35,108 as follows:

Mutual Funds	$ 35,108

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - TAX STATUS

The Plan is part of a prototype plan of July Business Services and the Internal Revenue Service has determined and informed the Plan by a determination letter on October 29, 2008, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2011.

NOTE 7 - SEPARATED PARTICIPANTS

At September 30, 2015, accounts totaling $8,016 belong to six participants who at the date of the financial statements have not directed disbursement of their accounts.

NOTE 8 - CERTIFIED INFORMATION

For the year ended September 30, 2015, American Funds, as custodian of the Plan, holds all of the Plan's investment assets and executes transactions therein. Financial information relating to the assets is included in the accompanying financial statements and is based on information provided by the custodian. The Plan administrator has instructed the independent certified public accountants not to examine the information certified as complete and accurate by the custodian. The custodian's certificate applies to substantially all Plan assets and transactions for the dates presented, as well as the Statement of Assets Held for Investment Purposes.

The following information was compiled from data certified by the custodian as being complete and accurate:

a. Information included in the statement of net assets available for benefits:

Investments at fair value
Loans to participants

b. Information included in the statement of changes in net available for benefits:

Dividends and interest
Net appreciation (depreciation) in fair value of investment securities
Administrative expenses

NOTE 9 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

NOTE 10 - SUBSEQUENT EVENTS

Except for the paragraph below, management of the Plan is not aware of any subsequent events through February 24, 2016, the date the financial statements were available to be issued, for events requiring to be recorded or disclosed in the financial statements for period ended September 30, 2015 and 2014.

Effective February 2, 2016, the Plan had the following amendments:
