REPORT OF INDEPENDENT AUDITORS

To the Trustees of the

United Transportation Union Officer, Staff, LO and GO 401(k) Retirement Plan

We have audited the accompanying financial statements of the United Transportation Union Officer, Staff, LO and GO 401(k) Retirement Plan (the Plan), which comprise the statement of net assets available for benefits as of October 1, 2015, and the related statement of changes in net assets available for benefits for the period January 1, 2015 through October 1, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the information regarding the Plan's net assets available for benefits as of October 1, 2015 and changes therein for the nine month period then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The financial statements of the Plan as of December 31, 2014 were audited by other auditors, whose report dated July 16, 2015, expressed an unmodified opinion on the net assets available for benefits and changes therein for the year ended December 31, 2014 presented in those statements. We were not engaged to audit, review, or apply any procedures to the Plan's 2014 financial statements and accordingly we do not express an opinion or any other form of assurance on the 2014 financial statements.

NOTES TO FINANCIAL STATEMENTS

OCTOBER 1, 2015

NOTE 1. DESCRIPTION OF THE PLAN

The following description of United Transportation Union Officer, Staff, LO and GO 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of SMART Transportation Division, formerly United Transportation Union (the Union), who are age twenty-one or older and have attained one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Additional profit sharing amounts may be contributed at the option of the Union's board of trustees. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts - Each participant's account is credited with the participant's contributions and Union contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Union's contribution portion of their accounts plus actual earnings there on is based on years of continuous service. A participant is 100 percent vested after four years of credited service.

Payment of benefits - On termination of service due to death, disability, retirement or other reasons, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements have been prepared using the accrual basis of accounting.

Investments - The Plan's investments are stated at fair market value based upon quoted market prices.

Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

Administrative Expense - The Union paid certain administrative costs on behalf of the Plan that are not included in these financial statements. The Union does not expect to be reported for these expenses.

Plan Merger - Effective October 1, 2015, the Trustees approved the merger of the Plan into the Sheet Metal Workers' National Supplemental Savings Plan. All assets were transferred on the date.

NOTE 3. TAX STATUS

The Plan adopted a prototype non-standardized profit sharing plan with CODA. The Internal Revenue Service has determined and informed the prototype sponsor by letter dated March 31, 2008 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC; and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan accounts for income taxes in accordance with the Accounting Standards Codification (ASC) Topic *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribed a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Plan performed an evaluation of uncertain tax positions for the period ended October 1, 2015 and the year ended December 31, 2014, and determined that there were no matters that would require recognition in the financial statements or that may have an effect on its tax-exempt status. As of October 1, 2015, the statute of limitations for tax years 2012 through 2014 remains open with the U.S. Federal jurisdiction and the various states and local jurisdictions in which the Plan files returns.

NOTE 4. INVESTMENTS

The following represents the fair value for each of the investment categories as of December 31, 2015 and 2014. Investments that represent 5% or more of the Plan's total net assets are separately identified:

	<u>2015</u>	<u>2014</u>
Investments at fair value as determined by quoted market price		
Mutual funds		
T. Rowe Price Retirement 2015	\$ -	\$ 275,484
T. Rowe Price Retirement 2020	-	532,840
T. Rowe Price Retirement 2025	-	94,600
T. Rowe Price Retirement 2035	-	139,484
T. Rowe Price Growth Stock Fund	-	98,465
Other mutual funds	-	246,311
Investments at estimated fair value		
Money market funds	<u>-</u>	<u>3,525</u>
Total	<u><u>\$ -</u></u>	<u><u>\$ 1,390,709</u></u>

During 2015 and 2014, the Plan's investments, including investments bought and sold during the year, as well as held at the end of the year, appreciated (depreciated) in value by \$(53,315) and \$18,610, respectively.

The Plan reports fair value using a hierarchy for observable independent market inputs and unobservable market assumptions about fair value measurements. Observable inputs are inputs that are based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is measured in three levels based on the reliability of inputs:

Level 1 - quoted prices in active markets for identical investment.

Level 2 - quoted prices in an inactive market or other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credits risk, etc.).

Level 3 - significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments).

NOTE 4. INVESTMENTS (CONTINUED)

Due to the merger the Plan held no investments as of October 1, 2015. The following is a summary of the inputs used as of December 31, 2014, in valuing investments carried at fair value:

	December 31, 2014			
	Total	Level 1	Level 2	Level 3
Money market funds	\$ 3,525	\$ -	\$ 3,525	\$ -
Mutual Funds				
Target date	1,133,341	1,133,341	-	-
Fixed income	53,142	53,142	-	-
International	10,124	10,124	-	-
Other	190,577	190,577	-	-
Total	<u>\$ 1,390,709</u>	<u>\$ 1,387,184</u>	<u>\$ 3,525</u>	<u>\$ -</u>

The Plan's investments in mutual funds are valued at the closing price reported on the active market on which the securities are traded.

The fair value of the Plan's investments in money market funds are estimated based on amortized cost which approximates fair value.

NOTE 5. PARTY IN INTEREST TRANSACTIONS

Certain Plan investments were shares of mutual funds managed by T. Rowe Price. T. Rowe Price was the custodian as defined by the Plan and, therefore, these transactions qualified as exempt party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than direct payment. The Union pays directly any other fees related to the Plan's operations.

NOTE 6. SUBSEQUENT EVENTS REVIEW

Subsequent events have been evaluated through May 24, 2016, which is the date the financial statements were available to be issued. This review and evaluation revealed no new material events or transaction which would require an additional adjustment to or disclosure in the accompanying financial statements.
