Plan Trustees
Olney Bancshares, Inc. Employees
401(k) Retirement Plan and Trust
Olney, Texas

As part of our audit of the financial statements of Olney Bancshares, Inc. Employees 401(k) Retirement Plan and Trust (the Plan) as of and for the year ended December 31, 2015, we wish to communicate the following to you.

AUDIT SCOPE AND RESULTS

Auditor's Responsibility Under Auditing Standards Generally Accepted in the United States of America

An audit performed in accordance with auditing standards generally accepted in the United States of America is designed to obtain reasonable, rather than absolute, assurance about the financial statements. In performing auditing procedures, we establish scopes of audit tests in relation to the financial statements taken as a whole. Our engagement does not include a detailed audit of every transaction. Our engagement letter more specifically describes our responsibilities.

These standards require communication of significant matters related to the financial statement audit that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. Such matters are communicated in the remainder of this letter or have previously been communicated during other phases of the audit. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.

An audit of the financial statements does not relieve management or those charged with governance of their responsibilities. Our engagement letter more specifically describes your responsibilities.

Limited Scope Audit as Permitted by the U.S. Department of Labor

Our audit of the Plan was conducted in accordance with auditing standards generally accepted in the United States of America except as requested by the plan administrator in accordance with the alternative method of reporting as permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974* (ERISA). Under this scope exception, we did not audit investment amounts and transactions prepared and certified by the custodian in accordance with DOL regulation. Accordingly, we were not able to express an opinion on the Plan's financial statements taken as a whole.

Praxity MEMBER GLOBAL ALLIANCE OF INDEPENDENT FIRMS

In addition, we were not able to express an opinion on whether supplementary information in accordance with DOL regulations is fairly stated, in all material respects, in relation to the Plan's financial statements as a whole.

Qualitative Aspects of Significant Accounting Policies and Practices

Significant Accounting Policies

The Plan's significant accounting policies are described in Note 2 of the audited financial statements.

Alternative Accounting Treatments

No matters are reportable.

The following area involves significant estimates for which we are prepared to discuss management's estimation process and our procedures for testing the reasonableness of those estimates:

- Fair value of investments

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Determination of fair values
- Voluntary correction program
- Party-in-interest transactions
- Certification of plan custodian

Audit Adjustments

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments which, in its judgment, are required to prevent the financial statements from being materially misstated. Some adjustments proposed were not recorded because their aggregate effect is not currently material; however, they involve areas in which adjustments in the future could be material, individually or in the aggregate.

Proposed Audit Adjustments Not Recorded

- Attached is a summary of uncorrected misstatements we aggregated during the current engagement and pertaining to the latest period presented that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements as a whole.

Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America. We understand the term related party refers to an affiliate; employer, management, fiduciaries, and members of their immediate families, and any other party with which the Plan may deal if the Plan can significantly influence, or be influenced by, the management or operating policies of the other. The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with the Plan

5. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms and business purpose of those transactions and whether such transactions involved related parties.

6. We have provided you with:

   (a) Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters.

   (b) Additional information that you have requested from us for the purpose of the audit.

   (c) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.

   (d) All minutes of trustee and investment committee meetings held through the date of this letter.

   (e) All significant contracts.

7. All transactions have been recorded in the accounting records and are reflected in the financial statements.

8. We have informed you of all current risks of a material amount that are not adequately prevented or detected by plan procedures with respect to:

   (a) Misappropriation of assets.

   (b) Misrepresented or misstated assets or liabilities.

9. We believe the effects of the uncorrected financial statement misstatements summarized in the attached schedule are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

10. We have no knowledge of any known or suspected:

    (a) Fraudulent financial reporting or misappropriation of assets involving management or employees who have significant roles in internal control.

    (b) Fraudulent financial reporting or misappropriation of assets involving others that could have a material effect on the financial statements.

11. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.

12. Except as reflected in the financial statements, there are no:

    (a) Plans or intentions that may materially affect carrying values of assets and liabilities.

    (b) Material transactions omitted or improperly recorded in the financial records.

    (c) Material gain/loss contingencies requiring accrual or disclosure, including those arising from environmental remediation obligations.

    (d) Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter requiring adjustment or disclosure in the financial statements.

    (e) Agreements to purchase assets previously sold.

    (f) Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.

13. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.

14. The Plan or the Plan Sponsor is not aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the sponsor has sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.

15. Adequate allowances have been provided for any material losses from uncollectible receivables.

16. The fair values of financial assets recognized in the financial statements or disclosed in the notes thereto are reasonable estimates based on the methods and assumptions used. The methods and significant assumptions used result in measurements of fair value appropriate for financial statement recognition and disclosure purposes and have been applied consistently from period to period, taking into account any changes in circumstances. The significant assumptions appropriately reflect market participant assumptions.

17. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.

18. The Plan instrument was restated on September 8, 2015 as provided to you.

19. The Plan operates under a non-standardized profit sharing plan sponsored by Massachusetts Mutual Life Insurance Company. This prototype plan document has been filed with the appropriate agency. The latest opinion letter received from the Internal Revenue Service for this Plan is dated March 31, 2008. The Plan has been amended since this date. However, we believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

20. The Plan has complied with the fidelity bonding requirements of ERISA.

21. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.

22. We have informed you of the existence of any unrecorded transactions, side agreements or other arrangements (either written or oral).

23. Except as disclosed in the financial statements, the Plan has:

    (a) Satisfactory title to all recorded assets, and they are not subject to any liens, pledges or other encumbrances.

    (b) Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.

24. The financial statements disclose all significant estimates known to us. Significant estimates are estimates at the date of the statement of net assets available for benefits which could change materially within the next year.

Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

25. With respect to any nonattest services you have provided us during the year, including preparation of the financial statements and related entries to convert to accrual basis of accounting and related footnotes:

    (a) We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.

    (b) We have established and monitored the performance of the nonattest services to ensure that they meet our objectives.

    (c) We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.

    (d) We have evaluated the adequacy of the services performed and any findings that resulted.

26. We have reviewed the reports of all transactions processed by third-party servicers, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations or uncorrected misstatements.

27. We have complied with the Department of Labor's regulations concerning the timely remittance of participant contributions.

28. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the plan.

29. As applicable, we have complied with the Department of Labor's regulations concerning the services provider fee disclosures in accordance with Sec. 408(b)(2).

30. With regard to supplementary information:

    (a) We acknowledge our responsibility for the presentation of the supplementary information, including its form and content, in conformity with relevant regulatory requirements or other applicable criteria.

    (b) We believe the supplementary information is fairly presented, both in form and content, in accordance with relevant regulatory requirements or other applicable criteria, in material respects.

(c) The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period.

(d) The supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*.

(e) If the supplementary information is not presented with the audited financial statements, we acknowledge we will make the audited financial statements readily available to intended users of the supplementary information no later than the date such information and the related auditor's report are issued.

31. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the plan sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.

Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator ("you") in completing the Form 5500 Schedule C[1] by identifying different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2015 - 12/31/2015 and indirect compensation is presented on a calendar year basis ending 12/31/2015.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because, among other potential considerations, plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan's service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

[1]Please refer to the Schedule C of the Form 5500 and its instructions (available at: http://www.dol.gov/ebsa/5500main.html), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Total Direct Compensation Paid **$16,740.00**

The total amount identified above reflects all fees deducted from plan assets at the plan administrator's direction for the plan year. Service providers which have received portions of these direct fees are listed below, along with the amount of fees they received. Please note that if there is a discrepancy between the total direct fees reported above and the sum of the direct fees reported below, you should contact your other service providers or your plan records to identify the recipient(s) of the fees and any other information relevant to your Schedule C filing.

Recipient: MassMutual Retirement Services, LLC EIN: 26-1589907

Service Codes: 15, 37, 38, 49, 59, 60, 62, 63, 64, 65, 72, 99, 50 (if direct compensation amount reflected below)

Direct Compensation **$16,740.00**

The total amount identified above reflects fees deducted from plan assets at the plan administrator's direction for the 2015 plan year for the above named recipient. Please review other service providers, below, to determine whether direct fees were also paid to them. Also, please review your records to determine whether other service providers may have received any compensation not reported below (e.g., a reimbursement paid to any plan fiduciary, your employee benefits counsel, or a plan auditor).

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to MassMutual Retirement Services, LLC ("MMRS") are the net result of aggregating direct compensation after the effects of adjustments processed in 2015, some of which may have pertained to prior years.

Please review the detailed breakdown at the end of the report for further information.

Indirect Compensation

Float compensation Payor: Reliance Trust Company EIN: 58-1428634 **$8.18**

This is an estimate based on the average annual rate of float compensation (0.02% for 2015) earned on certain processing bank accounts for the 2015 calendar year multiplied by an estimate of the assets related to uncashed checks.* This estimate does not include float earned for any other reason (e.g., if amounts remitted to MassMutual cannot be immediately invested because they are not in good order). Please review or request a copy of the current float disclosure for more information about the other circumstances in which float is earned.

* A complete listing of distribution checks that remain outstanding for your plan is available on the Retirement Plan Access web site under the Standard Reports section (Report R03998-Outstanding Distribution Checks). Uncashed check assets will continue to remain in a float-earning bank account until such time direction is received from the Plan Sponsor, subject to applicable regulation. The Plan Sponsor should consult with the Plan’s/Plan Sponsor’s tax advisor or benefits counsel to determine if assets attributable to uncashed checks should be included on the Form 5500 filing.

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. MassMutual's Code of Conduct generally restricts MassMutual employees from giving to or receiving gifts from customers and/or business partners having a value of over $100, in any individual situation, without prior approval. However, it is possible that one or more of your service providers for the calendar year, including MassMutual, engaged in transactions generating nonmonetary compensation. Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual.

Please consult with your legal or tax advisors if you have any questions.

The list includes any investment option held by the plan on at least one month end during the 2015 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each fund, multiply the rate of fees received from each fund by your plan's year-end balance (or if the fund was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the fund at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

**This amount is the sum of the fund's distribution, management and other fees, which are also identified in the fund's prospectus. Please note that some of the funds available through your service contract or arrangement are funds from the Oppenheimer family of mutual funds, which are affiliated with MassMutual (The Oppenheimer Funds). These affiliated mutual funds have contracts for services with companies that are affiliated with MassMutual. The MassMutual-affiliated companies that provide these services, and are compensated in connection with those services, are listed below. Reliance Trust Company is the custodian of the Plan. Massachusetts Mutual Life Insurance Company (MassMutual) is the record keeper.

Contribution

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to the maximum allowable contribution defined by the Internal Revenue Code (IRC). Employee rollovers are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Company contributions are discretionary as determined by the Company's Board of Directors. Employer contributions are based upon total compensation of all eligible participants that are employed at the end of the plan year. Contributions are subject to certain limitations.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. The vesting schedule is a graded six-year schedule, 20% after two years of vesting service and an additional 20% for each year thereafter. The nonvested balance is forfeited upon termination of service. Forfeitures are used to pay plan expenses and reduce company contributions.

Payment of Benefits

Upon termination of service due to death, permanent disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or a joint and survivor annuity. Upon termination of any other reason, a participant may receive the value of the vested interest in their account as a lump-sum distribution. In-service distributions are allowed for participants reaching age 59 ½ or qualified hardship distributions.

Forfeited Accounts

At December 31, 2015 and 2014, forfeited nonvested accounts totaled $8,817 and $7,361, respectively. These accounts will be used to pay plan expenses and reduce future employer contributions to participants in the same manner as employer contributions. Also, in 2015 and 2014, employer contributions receivable were reduced by approximately $0 and $7,361, respectively, from forfeited nonvested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

The Plan's interest in the collective trust is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan at the Company's discretion.

Transfers Between Fair Value Hierarchy Levels

Transfers in and out of Level 1 (quoted market prices), Level 2 (other significant observable inputs) and Level 3 (significant unobservable inputs) are recognized on the actual transfer date. There were no transfers between Level 1 and Level 2 investments for the years ended December 31, 2015 and 2014.

Note 3: Change in Accounting Principle

In 2015, the Plan adopted Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or Its Equivalent*), which removes the requirement to include investments in the fair value hierarchy measured using the NAV practical expedient. This change was applied retrospectively for all periods presented.

In 2015, the Plan changed its method of accounting for fully benefit-responsive investment contracts by adopting the provisions of ASU 2015-12, *Plan Accounting (Topics 962 and 965): Part I: Fully Benefit-Responsive Investment Contracts*. The effect of the adoption of ASU 2015-12 is to eliminate the reconciliation from fair value to contract value on the statement of net assets. This change was applied retrospectively to all periods presented.

In 2015, the Plan changed its accounting policy on plan accounting disclosures by adopting the provisions of ASU 2015-12, *Plan Accounting (Topics 960, 962 and 965): Part II: Plan Investment Disclosures*. The accounting policy change provided for in ASU 2015-12 changes the Plan's disclosure requirements to eliminate and/or modify certain investment-related disclosures. This change was applied retrospectively for all periods presented.

Note 4: Certification of Plan Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the custodian of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments as shown in the accompanying statements of net assets available for benefits and related disclosures as of December 31, 2015 and 2014
- Investment income as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2015 and 2014
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2015

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 5: Related Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain plan investments are shares of mutual funds managed by subsidiaries of MassMutual, which is the record keeper as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments in the accompanying statements of changes in net assets available for benefits.

Certain plan investments and common collective trusts are managed by subsidiaries of MassMutual. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in interest and dividends in the accompanying statements of changes in net assets available for benefits.

Note 6: Plan Amendments

Effective September 8, 2015, the Plan was restated to include previous amendments which were not included in the previous restated plan document. This restatement was completed in connection with a Voluntary Correction Program and considered to be retrospective.

Note 7: Disclosures About Fair Value of Plan Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 Unobservable inputs supported by little or no market activity and significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2015 and 2014:

		Fair Value Measurements Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2015				
Mutual funds	$ 15,453,852	$ 15,453,852	$ -	$ -
Total assets in the fair value hierarchy	15,453,852	$ 15,453,852	$ -	$ -
Investments measured at NAV (A)	2,714,949			
Investments at fair value	$ 18,168,801			
2014				
Mutual funds	$ 13,096,132	$ 13,096,132	$ -	$ -
Total assets in the fair value hierarchy	13,096,132	$ 13,096,132	$ -	$ -
Investments measured at NAV (A)	1,890,007			
Investments at fair value	$ 14,986,139			

(A) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy, which included common collective trust funds. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2015. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. Level 1 investments included mutual funds. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. The Plan did not have any Level 2 or Level 3 investments for the years ended December 31, 2015 and 2014.

Investments Measured Using the NAV per Share Practical Expedient

Investments measured using the NAV per share practical expedient include the common collective trust fund with Invesco National Trust Company (Invesco). Invesco maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. As of December 31, 2015 and 2014, there are no unfunded commitments.

NAV, as reported to the Plan by Invesco, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV.

There are no reserves against NAV for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a monthly or quarterly basis for resetting.

There are no limitations on redemptions; however, certain events limit the ability of the Plan to transact at NAV with the issuer. Such events include the following: 1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at NAV with participants, is probable.

The investment contract may be terminated by either party upon written notice.

Notes to Financial Statements

December 31, 2015 and 2014

Note 8: Rollover Contributions

During the year, the plan sponsor, through its bank subsidiary, engaged in multiple mergers and acquisitions. As a result of these acquisitions and mergers, plan participants were allowed the option to roll over their account balances; an aggregate of $2,223,511 was rolled into the Plan during the year ended December 31, 2015, and is included in rollovers on the statements of changes in net assets available for benefits.

Note 9: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

Note 10: Tax Status

The Plan operates under a nonstandardized profit-sharing plan sponsored by MassMutual. This prototype plan document has been filed with the appropriate agency and has obtained an opinion letter from the Internal Revenue Service dated March 31, 2008, stating the prototype constitutes a qualified plan under Section 401 of the IRC and the related trust was tax-exempt. The Plan has been amended since receiving the determination letter. However, the plan administrator believes the Plan and related trust are currently designed and are being operated in compliance with the applicable requirements of the IRC.

Note 12: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Note 13: Subsequent Events

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued.

On May 27, 2016, plan participants were notified of a "Black-Out" period to begin on June 28, 2016 and end on July 21, 2016. At the conclusion of the black-out period, the record keeper will be changed to Empower Retirement and the trustee will be changed to Great-West Life & Annuity Insurance Company.
