INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of and Participants in the
Arby's Restaurant Group, Inc. Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Arby's Restaurant Group, Inc. 401(k) Retirement Plan (the "Plan") which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Mercer Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2015, and for the year ended December 31, 2015, that the information provided to the plan administrator by the insurance company is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these 2015 financial statements.

Other Matter- Supplemental Schedule

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is required by the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA and is presented for the purpose of additional analysis and is not a required part of the 2015 financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the 2015 supplemental schedule referred to above.

Other Matter – 2014 Financial Statements

The financial statements of the plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated May 27, 2015, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements; (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014**

1. DESCRIPTION OF PLAN

The following description of the Arby's Restaurant Group, Inc. 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the official plan document for complete information.

General

The Plan is a defined contribution plan covering substantially all employees of Arby's Restaurant Group, Inc. (the Sponsor) except for nonresident alien employees, leased employees or independent contractors of the Company and employees working outside the United States. The Plan, as adopted by the Company effective August 1, 2011, is a profit-sharing plan with a 401(k) arrangement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility and Participant Contributions

Employees of the Company are eligible for participation in the Plan if they have attained age 21 and have completed 60 days of service, as defined by the Plan. Effective January 1, 2014, the Company amended the Plan's entry date from the first day of the payroll period following the completion of the 60 days of service to the first day of each month following the completion of the 60 days service requirement. Participants may direct their contributions as well as their allocable Company contributions into any investment option offered by the Plan.

Participants may elect to defer up to 75% of compensation, before taxes, subject to certain Internal Revenue Code ("IRC") limitations. An employee may terminate his or her election to participate at any time. Participants may also elect to make supplemental catch-up contributions, subject to IRC limitations. Employees may roll over into the Plan amounts that represent a "qualified total distribution" or a complete distribution from an individual retirement account or individual retirement annuity, as defined by the IRC and the Plan.

Company Contributions

The Company adopted a safe-harbor matching formula whereby the Company matches 100% up to 3% of each participant's plan contributions and 50% of the next 2% of each participant's plan contributions. In order for participants to be eligible for the Company's matching contribution, they must have completed one year of service, as defined by the Plan and be at least age 21. Employee match entry dates are January 1 and July 1. The Company, at its discretion, may also make a profit-sharing contribution to the Plan. The Company did not elect to make a profit-sharing contribution in 2015.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, allocation of the Company's contributions and Plan earnings and is charged with withdrawals, recordkeeping fees and administrative fees and an allocation of Plan losses. Allocations are based on participant earnings (losses) or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

1. DESCRIPTION OF PLAN – CONTINUED

Vesting

Participants are vested 100% at all times in their 401(k) salary deferral, safe-harbor matching contributions, rollovers, and any investment earnings on these amounts.

Withdrawals and Distributions

Generally, a participant's vested account balance is payable by lump-sum distribution, between ages 59½ and 70½, upon his or her retirement or disability. Upon termination of employment, the vested portion of the participant's account may be withdrawn in a lump sum or left in the Plan. If the vested amount is \$5,000 or less, a lump-sum distribution is required.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The minimum amount that can be borrowed is \$1,000. The loans are secured by the balance in the participant's account and bear interest at the current prime lending rate plus 1%. The Plan adjusts the interest rate on a quarterly basis. Principal and interest are paid ratably through payroll deductions. Repayments of the loans are made in substantially equal payroll deductions amortized over the life of the loan. Participants may have only one loan outstanding at any time. The loans must be repaid within five years, unless used to purchase a primary residence, in which case the term may be extended to twenty years.

Plan Administration

The Plan is administered by the Company. Mercer Trust Company (the "Trustee") is the Trustee of the Plan, and Mercer HR Services, LLC is the record keeper for the Plan.

Administrative Expenses

The Company pays substantially all administrative costs of the Plan, except for recordkeeping fees and various fees associated with processing loans and withdrawals which are paid by the participant.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Risks and Uncertainties

The Plan's investments include mutual funds and a common collective trust fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Mutual funds: Valued at quoted market prices at year end.

Common collective trust fund: Valued at net asset value ("NAV") as determined by the issuer of the collective trust fund based on the fair market value of the underlying investments. There are no redemption restrictions or unfunded commitments relative to the common collective trust fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Adoption of New Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-07, Fair Value Measurement (Topic 820): *Disclosure for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*, which exempts investments measured using NAV practical expedient in FASB Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, from categorization within the fair value hierarchy. This guidance requires retrospective application and is effective for public business entities for fiscal years, and interim periods within those years, beginning after December 15, 2015. For all other entities, the guidance is effective for fiscal years, and interim periods within those years, beginning after December 15, 2016. Early adoption is permitted. Management elected to early adopt the provisions of this new standard. Accordingly, the amendment was retrospectively applied, resulting in revision to Note 4. The impact of adopting this amendment is reflected in the financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965) – (I) Fully Benefit-Responsive Investment Contracts, (II) Plan Investment Disclosures, and (III) Measurement Date Practical Expedient (a consensus of the FASB Emerging Issues Task Force)* (the Update). The purpose of this Update is to simplify plan accounting.

- The amendments in Part I of this Update designate contract value as the only required measure for direct investments in fully benefit-responsive investment contracts. Fully-benefit responsive investment contracts will be presented at contract value; accordingly there will no longer be an adjustment from fair value to contract value on the face of the financial statements.
- The amendments in Part II of this Update will eliminate the requirements for plans to disclose (1) individual investments that represent 5 percent or more of net assets available for benefits and (2) the net appreciation or depreciation for investments by general type for both participant-directed investments and nonparticipant-directed investments. The net appreciation or depreciation in investments for the period will still be required to be presented in the aggregate. In addition, if an investment is measured using the net asset value per share (or its equivalent) practical expedient in ASC Topic 820, *Fair Value Measurement and Disclosures*, and that investment is in a fund that files a U.S. Department of Labor Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity, disclosure of that investment's strategy will no longer be required.
- The amendments in Part III of this Update reduce complexity in employee benefit plan accounting by providing a practical expedient that permits plans to measure investments and investment-related accounts as of a month-end date that is closest to the Plan's fiscal year-end, when the fiscal period does not coincide with month-end.

The Update may be adopted in whole or by part (I, II, and III), as applicable. The amendments in this Update are effective for fiscal years beginning after December 15, 2015. Early adoption is permitted. Upon adoption, the amendments in Parts I and II shall be applied retrospectively to all periods presented; the amendments in Part III shall be applied prospectively. The Plan adopted amendments in Part II of this Update for the 2015 plan year, and the amendments in Part II were retrospectively applied to as of December 31, 2014. Prior year disclosures in footnotes have been revised to reflect the retrospective application. The impact of adopting these amendments is reflected in the financial statements and the accompanying notes.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

DECEMBER 31, 2015 AND 2014**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 and 2014. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability and are returned to participants in accordance with IRS regulations. There were no excess contributions as of December 31, 2015.

3. FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014**

3. FAIR VALUE MEASUREMENT – CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2015 and 2014:

Fair value measurements as of December 31, 2015

	Level 1	Total
Mutual funds	\$ 49,896,150	\$ 49,896,150
Total mutual funds		49,896,150
Investments using net asset value (a)		4,173,076
Total investments, at fair value		\$ 54,069,226

Fair value measurements as of December 31, 2014

	Level 1	Total
Mutual funds	\$ 46,029,629	\$ 46,029,629
Total mutual funds		46,029,629
Investments using net asset value (a)		3,888,239
Total investments, at fair value		\$ 49,917,868

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

4. INFORMATION CERTIFIED BY PLAN TRUSTEE

The following is a summary of the unaudited information regarding the Plan as of December 31, 2015 and 2014, and for the year ended December 31, 2015, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by the Trustee, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the Trustee that such information is complete and accurate.

5. PARTY IN INTEREST TRANSACTIONS

Certain fees to administer the Plan have been paid to Mercer HR Services, LLC, the record keeper for the Plan, and therefore these transactions qualify as exempt party-in-interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100 percent vested in their Sponsor contributions.

7. TAX STATUS

The Plan uses a prototype plan document sponsored by Mercer HR Services, LLC. The prototype plan document received an opinion letter from the Internal Revenue Service ("IRS"), dated March 31, 2008, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The prototype plan document has been amended since receiving the opinion letter. However, Mercer HR Services, LLC, believes that the prototype plan document is currently designed and operated in compliance with the applicable requirements of the IRC. The Plan itself has not received a determination letter from the IRS. However, Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

7. TAX STATUS – CONTINUED

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken.
