Managements' Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2015 and 2014, and the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Report of Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, together referred as "Supplemental Information," are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the information is fairly stated in all material respects in relation to the financial statements as a whole.

JD RUSH COMPANY, INC.
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014

NOTE A — DESCRIPTION OF PLAN

The following description of JD Rush Company, Inc. Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing plan covering represented employees of JD Rush Company, Inc., West Coast Pipe Inspection and Maintenance, Inc., Trymax International, Inc., Tryad Service Corporation and JD Rush Corporation. The Plan was established as of July 1, 1995. All regular employees become eligible and may begin to participate in the Plan after becoming age 21 and completing three months of service.

The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investments Committee determines the appropriateness of the Plan's investments, monitors investments' performances, and reports to the Plan's Board of Trustees.

Contributions

The Plan is a salary reduction plan in which the employee determines the amount to be contributed. The employees may also roll over amounts from other retirement plans. The employer matches 50% up to 6% for highly compensated employees and up to 4% for non-highly compensated employees. The Plan allow for additional discretionary contributions.

Effective January 1, 2015, the Plan was amended to allow employer matches to be suspended or reduced if the Employer is operating at an economic loss for the Plan year. Employer match was not reduced or suspended for the year ending December 31, 2015.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant's earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

The Plan does allow for participants to borrow funds from the Plan assets. The maximum amount of any loan is the lesser of $50,000 or 50% of the vested interest of the participants in the Plan. The $50,000 maximum amount will be reduced by the participant's highest outstanding loan balance in the previous twelve months, even is amounts have been repaid. A participant may have no more than one loan outstanding at one time. The loans are secured by the balance in the participant's account and bear interest at 3.25%, which commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through semi-weekly payroll deductions

NOTE A — DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are 100% vested upon joining the plan of employee deferrals, matching contributions made for non-highly compensated employees plus actual earnings thereon. Vesting in the Company's discretionary contributions portion and matching contributions made for highly compensated employees is based on years of continuous service. Participants must work 1,000 hours in a plan year for their vesting to increase. Vesting schedule is as follows:

2 years of service	25%
3 years of service	50%
4 years of service	75%
5 or more years of service	100%

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. At December 31, 2015 and 2014, the account balances of employees who terminated service but had not received a distribution from the Plan totaled $913,423 and $917,027, respectively.

Investment Options

Participants may direct the manner in which their accounts are invested among the Plan's investment funds.

Forfeited Accounts

At December 31, 2015, forfeited non-vested accounts totaled $0. These accounts will be used to pay plan expenses or reduce future employer contributions. Also in 2015, employer contributions were reduced by $103 from forfeited non-invested accounts.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through July 25, 2016, which is the date of the financial statements were available to be issued.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The accounts of the plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis. Investment income is recognized when received, and disbursements are recognized when made. Additionally, security investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the plan in accordance with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2015 and 2014, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The investment Committee determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gain and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

All expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements.

Reclassifications

Certain reclassifications have been made to the 2014 financial statements presentation to conform to the 2015 presentation.

NOTE C — FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than the quoted price that are observable and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the average inputs to measure fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be activity traded. The fair value of common stock are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

The fair values of corporate bonds and U.S. government securities are valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings.

NOTE C — FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value at December 31, 2015 and 2014:

	Fair Value	Quoted Prices In Active Markets for Identical Assets/Liabilities (Level 1)	Other Observable Inputs (Level 2)
December 31, 2015			
Value of interest in pooled separate accounts	$ 5,250,351	$ 3,313,735	$ 1,936,616
Value of interest in common/ collective trust accounts	911,625	0	911,625
Total	$ 6,161,976	$ 3,313,735	$ 2,848,241
December 31, 2014			
Value of interest in pooled separate accounts	$ 5,889,886	$ 3,609,431	$ 2,280,455
Value of interest in common/ collective trust accounts	888,081	0	888,081
Total	$ 6,777,967	$ 3,609,431	$ 3,168,536

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2015 and 2014 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and Levels 2 and into and out of Levels 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2015, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE D — RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Principal Life Insurance Company. Principal Life Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $1,664 for the year ended December 31, 2015.

NOTE E — PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE F — INCOME TAX STATUS

The Company and the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt. The Company has submitted a request for a determination letter as of December 31, 2015.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examination for the years prior to 2012.

NOTE G — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits

NOTE H — INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following is a summary of the Plan's investment information as of December 31, 2015 and 2014, and for the years then ended, included in the Plan's financial statements and supplemental schedules, that was prepared by, or derived from, information prepared by Principal Life Insurance Company, the trustee of the Plan, furnished to the Plan management. The Plan management has obtained certifications from the trustee that such information is complete and accurate.
