Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Optum Partner Services 401(k) Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Trustee, as of December 31, 2015 and 2014 and for the year ended December 31, 2015, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 2 to the financial statements, in 2015 the Plan adopted new accounting guidance related to investments and investment related disclosures. Prior year amounts and disclosures have been revised to reflect the retrospective application of adopting these changes in accounting. Our opinion is not modified with respect to this matter.

Other Matter - Report on Supplementary Information

The supplemental schedules of assets (held at end of year) as of December 31, 2015 and delinquent participant contributions for the year ended December 31, 2015 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules referred to above.

Report on Form and Content in Compliance with Department of Labor's Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The following description of the Optum Partner Services 401(k) Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Effective January 1, 2013, Optum Medical Services, P.C., ("the Principal Plan Sponsor") became the plan sponsor and restated and renamed the plan from WellMed Medical Group P.A. 401(k) Plan to Optum Partner Services 401(k) Savings Plan. The Plan is a multiple employer defined contribution plan and the participating employers are collectively referred to as ("the Employers"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Optum Partner Services Plan Administration Committee ("the Plan Administrator") serves as plan administrator and is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance. Eligible employees are automatically enrolled in the Plan as soon as administratively feasible after their hire date at an employee pre-tax contribution rate of 3% of their eligible pay, unless they decline to participate within a prescribed time limit or they elect a different pre-tax and/or Roth contribution rate.

The Safe Harbor 401(k) Profit Sharing Plan for Employees of Memorial Healthcare Management Services, IPA, GP merged into the Plan on June 1, 2015 with assets totaling $1,222,763. Also the Robert B McBeath, M.D. P.C. 401(k) Profit Sharing Plan merged into the Plan on November 23, 2015 with assets totaling $2,953,607.

Contributions

Each year, participants may contribute up to the maximum dollar amount permissible under the Internal Revenue Code ("the Code"). Elective contributions include pre-tax deferrals, Roth deferrals and rollover contributions. In general, the Plan provides for automatic employee pre-tax contribution rate increases each February until the participant's combined pre-tax and/or Roth contribution deferral rate reaches 6%. Participants are notified of the automatic rate increases in advance and have the opportunity to decline the automatic increase or establish a different automatic increase schedule and amount. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions, subject to limitations imposed by the Code.

The Employers make a safe harbor matching contribution equal to 100% of applicable contributions up to 3% of eligible compensation, plus 50% of the next 3% of eligible compensation for a maximum contribution of 4.5% per payroll period as defined in the Plan document. Participants become eligible for safe harbor matching contributions once they are credited with one year of service. Each employer may, in its discretion, make a profit sharing contribution to the Plan for the benefit of its eligible participating employees, to be allocated pro rata based upon compensation within limitations as determined by the Code. No employer elected to make a discretionary profit sharing contribution for the year ended December 31, 2015.

Participant Accounts

Each participant's account is credited with the participant's salary deferrals, rollover contributions, safe harbor matching contributions, an allocation of the Employer's discretionary profit sharing contribution, if any, and plan earnings (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - Description of the Plan (cont.)

Investments Classification

All investments are participant directed. The Plan is intended to comply with ERISA section 404(c). Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them through a registered investment company. In the event a participant does not make an investment election, contributions are invested in the target date fund closest to the date the participant will attain age 65.

Vesting

Participants are immediately vested in their contributions, rollover contributions, and earnings thereon. Safe harbor matching contributions and discretionary profit sharing contributions and earnings thereon vest in accordance with provisions of the Plan as follows:

Less than 2 years	0%
2 or more	100%

Notwithstanding the vesting schedule above, safe harbor matching contributions and employer discretionary profit sharing contributions, if any, will become fully vested (100%) upon the occurrence of any of the following events while the participant is employed by an Employer: death, attainment of normal retirement age (age 65), disability, partial plan termination with respect to the participant, complete termination of the Plan or complete discontinuance of employer contributions, or a severance from employment as a result of certain corporate transactions.

Forfeited Accounts

As of December 31, 2015 and 2014, forfeited nonvested accounts totaled $23,575 and $5,821, respectively. During the year ended December 31, 2015, employer contributions were reduced by $43,000 from forfeiture accounts. Forfeitures can be used to reduce future employer contributions or to pay certain administrative expenses.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, or termination of employment, as defined in the Plan document. The total vested portion of a participant's account balance is distributed in the form of a lump-sum payment.

There are no amounts owed to the participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2015.

NOTE 1 - Description of the Plan (cont.)

Notes Receivable From Participants

Participants may borrow from their account balance a minimum of $1,000 up to a maximum equal to the lesser of $50,000 (subject to reduction for certain loan balances in the prior 12 months) or 50% of their vested account balance. These loans are secured by the balance in the participant's account. The loans bear interest at rates which will be the prime interest rate quoted by Reuters on the first business day of each month plus one (1) percentage point. Principal and interest are paid ratably through payroll deductions. Participants generally may have up to two outstanding loans at one time.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2015 and 2014.

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employers. Expenses that are paid by the Employers are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Recent Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent) ("ASU 2015-07"). ASU 2015-07 removes the requirement to include investments in the fair value hierarchy for which fair value is measured using the net asset value practical expedient in Topic 820. The Plan has elected to early adopt ASU 2015-07. Accordingly, the Plan has retrospectively modified its fair value disclosures in accordance with ASU 2015-07. The adoption had no effect on the Plan's change in net assets available for benefits or net assets available for benefits as previously reported.

In July 2015, the FASB issued ASU No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965) - I. Fully Benefit-Responsive Investment Contracts; II. Plan Investment Disclosures, and III. Measurement Date Practical Expedient ("ASU 2015-12"). Part I requires fully-benefit responsive investment contracts to be measured, presented and disclosed only at contract value. Part I is only applicable to 2014. Part II requires that investments that are measured using fair value (both participant-directed and nonparticipant-directed investments) be grouped only by general type, eliminating the need to disaggregate the investments by nature, characteristics, and risks. Part II also eliminates the disclosure of individual investments that represent 5 percent or more of net assets available for benefits and the disclosure of net appreciation or depreciation for investments by general type, requiring only presentation of net appreciation or depreciation in investments in the aggregate. Additionally, if an investment is measured using the net asset value per share as a practical expedient and that investment is a fund that files a U.S. Department of Labor Form 5500, as a direct filing entity, disclosure of that investment's strategy is no longer required. Part III is not applicable to the Plan. The Plan has elected to early adopt ASU 2015-12. Accordingly, the Plan has retrospectively modified investment disclosures as described above. The adoption had no effect on the Plan's change in net assets available for benefits or net assets available for benefits as previously reported.

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Subsequent Events

On June 6, 2016 the Redlands Family Practice Medical Group, Inc. 401(k) Plan merged into the Plan with assets totaling $505,428. Also, the Monarch Healthcare Retirement Savings Savings Plan merged into the Plan on June 15, 2016 with assets totaling $3,541,133.

The Plan has evaluated subsequent events through July 29, 2016, the date the financial statements were approved and available to be issued.

NOTE 3 - Information Prepared and Certified by Trustee

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2015 and 2014. Accordingly Fidelity Management Trust Company, ("the Trustee"), has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2015 and 2014 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2015, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2015.

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 4 - Fair Value of Financial Instruments (cont.)

Level 3 - Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Common/Collective Trusts: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less their liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment advisors reserve the right to temporarily delay the withdrawal from the trusts in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - Fair Value of Financial Instruments (cont.)

The table below presents the balances of assets and liabilities measured at fair value on a recurring basis by level within the hierarchy.

	December 31, 2015			
	Total	Level 1	Level 2	Level 3
Mutual Funds	$ 53,453,620	$ 53,453,620	$ -	$ -
Total assets in the fair value hierarchy	53,453,620	$ 53,453,620	$ -	$ -
Instruments measured at net asset value [1]	10,319,251			
Total Investments at fair value	$ 63,772,871			

	December 31, 2014			
	Total	Level 1	Level 2	Level 3
Mutual Funds	$ 38,395,771	$ 38,395,771	$ -	$ -
Total assets in the fair value hierarchy	38,395,771	$ 38,395,771	$ -	$ -
Instruments measured at net asset value [1]	10,206,362			
Total Investments at fair value	$ 48,602,133			

[1] In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

NOTE 4 - Fair Value of Financial Instruments (cont.)

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share as a practical expedient as of December 31, 2015 and 2014, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	Fair Value [1]	Unfunded Commitment	Redemption Frequency (if currently eligible) [2]	Redemption Notice Period
December 31, 2015				
Common collective trust	$ 10,319,251	$ -	Immediate	None

Investment	Fair Value [1]	Unfunded Commitment	Redemption Frequency (if currently eligible) [2]	Redemption Notice Period
December 31, 2014				
Common collective trust	$ 10,206,362	$ -	Immediate	None

(1) The fair value of investments are based on the fair values of the underlying investments in the funds.

(2) Certain events may cause funds held in the common/collective trust and stable value collective trust to be deferred, including, but not limited to, the following:
- (i) Closing or disruption of the financial markets or exchanges in which a transaction is unable to be settled prudently.
- (ii) An emergency situation in which the disposition of assets would be seriously prejudicial to Plan participants.
- (iii) Breakdown in the means of communication normally employed to determine fair market value of an investment.
- (iv) Investments cannot be effected at normal rates of exchange.

None of these events occurred in 2015.

NOTE 5 – Administration of Plan Assets

The Plan's assets are administered under a contract with the Trustee of the Plan. The Trustee invests funds received from contributions, investment sales, interest, and dividend income and makes distribution payments to participants.

NOTE 6 – Related Party and Party-in-interest Transactions

Certain of the Plan's investments are managed by the Trustee, and therefore, these transactions qualify as party-in-interest transactions. The Plan invests in a fund managed by an affiliate of the Trustee. Fees incurred by the Plan for the investment manager services are included in net depreciation in the fair value of the investment. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Employers. No such officer or employee receives compensation from the Plan.

NOTE 7 – Plan Termination

Although it has not expressed any intent to do so, the Principal Plan Sponsor has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 8 - Tax Status

The Internal Revenue Service (IRS) determined and informed the Principal Plan Sponsor by letter dated March 24, 2016 that the Plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

As of December 31, 2015 and 2014, the Plan had investments of $7,332,647 and $7,230,463, respectively, that were concentrated in one mutual fund.

NOTE 10 – Delinquent Participant Contributions

For the year ended December 31, 2015, the Employers did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions, which totaled $1,558, were corrected through the Department of Labor Voluntary Fiduciary Correction Program in 2015. Additionally, the Employers have compensated participants for lost earnings resulting from the delay in contributions.

NOTE 11 – Form 5500 Reconciliation

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2015 and 2014, to Form 5500:

	2015	2014
Net assets available for benefits per the financial statements	$ 64,551,158	$ 49,135,079
Fair market value adjustment of investment contracts	-	42,132

The following is a reconciliation of the changes in net assets available for benefits per the financial statements for the year ended December 31, 2015, to Form 5500:
