THE BANK OF KENTUCKY, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
As of September 11, 2015 and December 31, 2014

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of The Bank of Kentucky, Inc. 401(k) Profit Sharing Plan is provided for general information purposes only. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participants should refer to the Plan document for more complete information.

General

The Plan was established January 1, 1992. All employees of The Bank of Kentucky, Inc. ("Company") who have reached age 21 and completed 6 months of service are eligible to participate in the Plan. The Plan was amended for eligibility effective April 1, 2013. At that date, employees who have reached age 21 and completed 3 months of service are eligible to participate.

Contributions

Participants may contribute pretax salary contributions up to 60% of their annual compensation, not to exceed the maximum amount allowable under federal law. The Plan allows eligible participants to make catch-up contributions in accordance with IRS regulations. The Company may make discretionary matching contributions based on the salary reduction contributions. In addition, the Company may make a discretionary employer profit sharing contribution to the Plan. Participants may also contribute amounts representing distributions from other qualified retirement plans.

Participant Accounts

Each participant's account is credited with the participant's contribution, and an allocation of the Company's matching contributions, profit sharing contribution and investment income or loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

American United Life Insurance Company ("American United") has been assigned the administrative function of maintaining separate accounts of the participants as provided by the Plan. American United has no discretionary authority or responsibility to make sales investments and reinvestments. Under the direction of the participants, American United invests the individual participant accounts in any or all of the Plan's investment options as selected by the participant.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100% vesting in the Company's matching and profit sharing contributions plus earnings thereon after one hour of service on or after December 22, 2014.

Payment of Benefits

Normal retirement age is 65 years. On termination of service, participants will receive a single lump-sum payment at retirement. In the event of a participant's death, any remaining balance will automatically become 100% vested and paid to designated beneficiaries.

Administrative Expenses

Certain expenses for administering the Plan are paid by the Company. The Company provides the Plan with certain accounting and administrative services for which no fee is charged.

NOTES TO FINANCIAL STATEMENTS (CONT'D)
As of September 11, 2015 and December 31, 2014

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeited nonvested accounts totaled \$30,766 at September 11, 2015 and \$16,331 at December 31, 2014. These accounts will be allocated to participant accounts in the same proportion that the participant's compensation bears to the total compensation of all participants. Effective January 1, 2013 the plan was amended to use forfeitures to reduce future employer contributions. Employer contributions were reduced by \$8,084 at September 11, 2015 and by \$16,385 at December 31, 2014 from forfeited nonvested accounts.

Merger

Effective June 2015, the Board of Directors of The Bank of Kentucky approved the merger of this plan into the BB&T's employee benefit plan effective September 11, 2015. As a result, all the investments were transferred from the Plan into the BB&T's employee benefit plan. Effective July 8, 2015, BB&T is the trustee of the Plan.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are presented on the accrual basis of accounting and conform to the accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Adoption of New Accounting Standards

In July 2015, the FASB issued ASU No. 2015-12, "Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans Topic (965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient" ("ASU No. 2015-12). ASU No. 2015-12 removes the requirement to report fully benefit-responsive investment contracts with an adjustment to contract value. Under ASU No. 2015-12, direct investments in fully benefit-responsive investment contracts are measured, presented, and disclosed only at contract value. In addition, this amendment simplifies the investments disclosures required for employee benefit plans, including eliminating the requirements to disclose (i) individual investments that represent 5% or more of net assets available for benefits, (ii) net appreciation (depreciation) individual investment type and (iii) investment information disaggregated based on the nature, characteristics and risks. The requirement to disaggregate participant-directed investments within a self-directed brokerage account has also been eliminated. Self-directed brokerage accounts should be reported as a single type of investment. The update also allows plans to measure investments and investments-related accounts as of a month-end date that is closest to the plan's fiscal year end, when the fiscal period does not coincide with a month-end. ASU No 2015-12 is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Parts I and II are to be applied retrospectively, while Part III is applied prospectively. The Plan has early adopted ASU No. 2015-12 in the Financial Statements as of and for the period of January 1, 2015 through September 11, 2015 and the related Noted to Financial Statements, and where applicable has retrospectively applied the provisions to prior periods presented.

Investments Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements. All Plan assets were transferred to the BB&T's employee benefit plan before the close on business on September 11, 2015.

THE BANK OF KENTUCKY, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONT'D)

As of September 11, 2015 and December 31, 2014

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. The investments are not covered by federal insurance.

In accordance with ASC 946-210 (formerly Financial Accounts Standards Board Staff Positions, FSP AAG INV-1 and SOP 94-4-1, *Reporting of Fully Benefit-Responsive Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans*), statements of assets available for benefits present investment contracts at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount a participant would receive if they were to initiate permitted transactions under the terms of the Plan. As required by ASC 946-210, the statement of net assets available for benefits presents the investment at contract value, which approximates fair value, as reported to the Plan by American United. Consequently, no adjustment from fair value to contract value is reported. See Note 6.

Use of Estimates

The preparation of financial statements in conformity with the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the prototype plan sponsor by letter dated March 31, 2008, that the prototype plan, as then designed, and the related trust was in compliance with applicable sections of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe the Plan, as currently designed and as being operated, is in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2012. There are currently no audits for any tax periods in progress.

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

All of the Plan investments are managed by American United Life Insurance Company. American United Life Insurance Company is the trustee as defined by the plan and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for the investment management services amounted to \$2,290 for the period of January 1, 2015 through September 11, 2015.

Investments at fair value		
Mutual funds	\$ 0	\$ 13,700,745

Total investments	<u>\$ 0</u>	<u>\$ 15,750,753</u>
 Investment loss	 <u>\$ (199,171)</u>	

NOTE 6 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive contract with American United Life Insurance Company ("American United"). American United maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value, which is an appropriate determination of fair value. Contract value, as reported to the Plan by American United, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value, which is an appropriate determination of fair value, of the investment contract at September 11, 2015 and 2014 was \$0 and \$2,050,008, respectively. The crediting interest rate is based on a formula agreed upon by the issuer, but may not be less than 4%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events may limit the ability of the Plan to transact a contract value with American United. Such events include the following: amendments to the plan documents (including complete or partial plan termination or merger with another plan), changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that causes significant withdrawal from the plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS (CONT'D)
As of September 11, 2015 and December 31, 2014

NOTE 6 - INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

American United may terminate the contract with 90 days advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets of at least \$100,000 after 3 contract years have elapsed, plan disqualifications, and failure to adopt modifications to the plan in a reasonable period of time. Upon termination by American United, a market value adjustment may apply. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

	<u>September 11,, 2015</u>	<u>December 31, 2014</u>
Average yields:		
Based on actual earnings	1.62%	1.86%
Based on interest rate credited to participants	1.62%	1.86%

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. No Level 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

NOTES TO FINANCIAL STATEMENTS (CONT'D)
As of September 11, 2015 and December 31, 2014

NOTE 8 - FAIR VALUE MEASUREMENT (Continued)

Level 2 Fair Value Measurements

The guaranteed investment contract with an insurance company for which quoted market prices are not available are valued based on contract value. The contract value, which is an appropriate determination of fair value, of the guaranteed investment contract is determined based on the amounts contributed or transferred to the fund less any withdrawals or transfers out, plus all accrued interest.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 11, 2015 and December 31, 2014.

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through July 27, 2016, the date the financial statements were available to be issued.
