Retirement Committee and Plan Management
Dent Wizard International
Savings and Retirement Plan
St. Louis, Missouri

As part of our audit of the financial statements of Dent Wizard International Savings and Retirement Plan (the “Plan”) as of and for the year ended December 31, 2015, we wish to communicate the following to you.

Audit Scope and Results

Auditor’s Responsibility Under Auditing Standards Generally Accepted in the United States of America

An audit performed in accordance with auditing standards generally accepted in the United States of America is designed to obtain reasonable, rather than absolute, assurance about the financial statements. Our audit was performed in accordance with such standards except as requested by you in accordance with the alternative method of reporting permitted by the Department of Labor (DOL). In performing auditing procedures, we establish scopes of audit tests in relation to the financial statements taken as a whole. Our engagement does not include a detailed audit of every transaction. Our engagement letter more specifically describes our responsibilities.

These standards require communication of significant matters related to the financial statement audit that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. Such matters are communicated in the remainder of this letter or have previously been communicated during other phases of the audit. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.

An audit of the financial statements does not relieve management or those charged with governance of their responsibilities. Our engagement letter more specifically describes your responsibilities.

Qualitative Aspects of Significant Accounting Policies and Practices

Significant Accounting Policies

The Plan’s significant accounting policies are described in Note 2 of the audited financial statements. In the current year, Plan management adopted the following:

- The Plan changed its method of accounting for fully benefit-responsive investment contracts by adopting the provisions of ASU 2015-12, *Plan Accounting Defined Contribution Pension Plans (Topic 962): Part I: Fully Benefit-Responsive Investment Contracts*. The accounting provided for in ASU 2015-12 allows plans to measure, present and disclose fully benefit-responsive investment contracts at contract value. The effect of the adoption of the ASU is to eliminate the requirement to measure fair value of fully benefit-responsive contracts and to present the reconciliation from fair value to contract value on the statement of net assets. This change was applied retrospectively to all periods presented.
- The Plan also changed its accounting policy on plan accounting disclosures by adopting the provisions of ASU 2015-12, *Plan Accounting (Topics 960, 962 and 965): Part II: Plan Investment Disclosures*. The accounting policy change provided for in ASU 2015-12 changes the Plan's disclosure requirements to eliminate and/or modify certain investment-related disclosures. This change was applied retrospectively for all periods presented.

Alternative Accounting Treatments

We had no discussions with management regarding alternative accounting treatments within accounting principles generally accepted in the United States of America for policies and practices for material items, including recognition, measurement and disclosure considerations related to the accounting for specific transactions as well as general accounting policies.

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. The valuation of investments involves a significant area of such estimates for which we are prepared to discuss management's estimation process.

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Change in accounting principle
- Disclosures about fair value of Plan assets
- Risks and uncertainties
- Nonexempt transactions

Audit Adjustments

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments which, in its judgment, are required to prevent the financial statements from being materially misstated. There were no proposed adjustments during the 2015 audit.

Auditor's Judgments About the Quality of the Plan's Accounting Principles

During the course of the audit, we made no observations regarding the Plan's application of accounting principles that we consider to be reportable.

Other Material Written Communication

The attached management representation letter is other material written communication between Plan management and us related to the audit.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all deficiencies, significant deficiencies or material weaknesses have been identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements of the Plan's financial statements on a timely basis.

A deficiency in design exists when a control necessary to meet a control objective is missing or an existing control is not properly designed so that, even if the control operates as designed, a control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We observed the following matter that we consider to be a significant deficiency.

Significant Deficiency

Review of SSAE 16 Report

The Plan's sponsor does not obtain the "Report on Controls Placed in Operation and Test of Operating Effectiveness," also referred to as a "SSAE 16 report," from the Plan's Custodian which is prepared on an annual basis for external audit purposes. We recommend the SSAE 16 report be obtained and reviewed as soon as it becomes available. Items that Plan management should consider in their review process include:

- Reading the independent auditor's report to ensure the opinion is unmodified. If the opinion is other than unmodified, consider the potential impact to the Plan.
- Evaluating any exceptions noted in the report and their potential impact to the Plan.
- Evaluating user controls noted in the report to ensure the controls are in place and are effective at the Plan sponsor level.
- Evaluating the report for any changes in policies and procedures placed in operation. If changes are noted, consider the potential impact on information processed by the Custodian.

We are providing this letter in connection with your audits of the financial statements of Dent Wizard International Savings and Retirement Plan (the Plan) as of and for the years ended December 31, 2015 and 2014, and supplemental schedules as of and for the year ended December 31, 2015. We confirm that we are responsible for the fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedules in conformity with the Department of Labor's Rules and Regulations under ERISA. We are also responsible for adopting sound accounting policies, establishing and maintaining effective internal control, and preventing and detecting fraud.

We understand that you will not express an unmodified opinion on the financial statements of the Plan for the years ended December 31, 2015 and 2014, because at our request you did not audit investment information provided by the custodian.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, the following:

1. We have fulfilled our responsibilities, as set out in the terms of our engagement letter dated February 4, 2016, for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.
2. We have elected to early adopt the provisions of Financial Accounting Standards Board Accounting Standards Update (ASU) 2015-12, Plan Accounting Defined Contribution Pension Plan (Topics 962): Part I: Fully Benefit-Responsive

Investment Contracts and Part II: Plan Investment Disclosures. This change was applied retrospectively to all periods presented.

3. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
5. We have disclosed to you the identity of the Plan's related parties and all the related party relationships and transactions of which we are aware. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America. We understand the term related party refers to an affiliate; employer, management, fiduciaries, and members of their immediate families, and any other party with which the Plan may deal if the Plan can significantly influence, or be influenced by, the management or operating policies of the other. The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with the Plan
6. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms and business purpose of those transactions and whether such transactions involved related parties.
7. We have provided you with:
 - (a) Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters.
 - (b) Additional information that you have requested from us for the purpose of the audit.
 - (c) Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - (d) All minutes of Retirement Committee meetings held through the date of this letter.
 - (e) All significant contracts.
8. All transactions have been recorded in the accounting records and are reflected in the financial statements.

9. We have informed you of all current risks of a material amount that are not adequately prevented or detected by plan procedures with respect to:
 - (a) Misappropriation of assets.
 - (b) Misrepresented or misstated assets or liabilities.
10. We have no knowledge of any known or suspected:
 - (a) Fraudulent financial reporting or misappropriation of assets involving management or employees who have significant roles in internal control.
 - (b) Fraudulent financial reporting or misappropriation of assets involving others that could have a material effect on the financial statements.
11. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.
12. Except as reflected in the financial statements, there are no:
 - (a) Plans or intentions that may materially affect carrying values of assets and liabilities.
 - (b) Material transactions omitted or improperly recorded in the financial records.
 - (c) Material gain/loss contingencies requiring accrual or disclosure, including those arising from environmental remediation obligations.
 - (d) Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter requiring adjustment or disclosure in the financial statements.
 - (e) Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.
13. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
14. The Plan or the Plan Sponsor is not aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the sponsor has sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.

15. No allowances have been considered necessary for any material losses from uncollectible receivables.
16. The fair values of financial assets and liabilities recognized in the financial statements or disclosed in the notes thereto are reasonable estimates based on the methods and assumptions used. The methods and significant assumptions used result in measurements of fair value appropriate for financial statement recognition and disclosure purposes and have been applied consistently from period to period, taking into account any changes in circumstances. The significant assumptions appropriately reflect market participant assumptions.
17. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.
18. The adoption date of the most recent plan amendment was January 1, 2015, as provided to you.
19. The Plan operates under a standardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Massachusetts Mutual Life Insurance Company. This prototype Plan Document has been filed with the appropriate agency and has obtained a determination letter dated May 11, 2009, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and, therefore, not subject to tax. The Plan has been amended since adopting the prototype. However, the Plan Administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
20. The Plan has complied with the fidelity bonding requirements of ERISA.
21. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
22. We have informed you of the existence of any unrecorded transactions, side agreements or other arrangements (either written or oral).
23. Except as disclosed in the financial statements, the Plan has:

- (a) Satisfactory title to all recorded assets, and they are not subject to any liens, pledges or other encumbrances.
 - (b) Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.
- 24. The financial statements disclose all significant estimates known to us. Significant estimates are estimates at the date of the statement of net assets available for benefits which could change materially within the next year. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
- 25. With respect to any nonattest services you have provided us during the year, including preparation of the financial statements, supplemental schedules, and related notes:
 - (a) We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.
 - (b) We have established and monitored the performance of the nonattest services to ensure that they meet our objectives.
 - (c) We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.
 - (d) We have evaluated the adequacy of the services performed and any findings that resulted.
- 26. We have reviewed the reports of all transactions processed by third-party servicers, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations or uncorrected misstatements.
- 27. We represent that the final Form 5500 will contain a Schedule H that reconciles to the Plan's audited financial statements.
- 28. Except as noted in the Supplemental Schedule of Delinquent Participant Contributions, we have complied with the Department of Labor's regulations concerning the timely remittance of participant contributions. We corrected the late remittances by preparing and filing Form 5330 and remitting lost earnings.
- 29. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the plan.

30. As applicable, we have complied with the Department of Labor's regulations concerning the services provider fee disclosures in accordance with Sec. 408(b)(2).
31. With regard to supplementary information:
- (a) We acknowledge our responsibility for the presentation of the supplementary information, including its form and content, in conformity with relevant regulatory requirements or other applicable criteria.
 - (b) We believe the supplementary information is fairly presented, both in form and content, in accordance with relevant regulatory requirements or other applicable criteria, in material respects.
 - (c) The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period.
 - (d) We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.
 - (e) The supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*.
 - (f) If the supplementary information is not presented with the audited financial statements, we acknowledge we will make the audited financial statements readily available to intended users of the supplementary information no later than the date such information and the related auditor's report are issued.

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information ("SAI").

For additional information on soft dollar compensation, refer to the section of the mutual fund's SAI that discusses brokerage allocation and other practices.

Retirement Committee and Plan Management
Dent Wizard International
Savings and Retirement Plan
St. Louis, Missouri

As part of our audit of the financial statements of Dent Wizard International Savings and Retirement Plan (the “Plan”) as of and for the year ended December 31, 2015, we wish to communicate the following to you.

Audit Scope and Results

Auditor’s Responsibility Under Auditing Standards Generally Accepted in the United States of America

An audit performed in accordance with auditing standards generally accepted in the United States of America is designed to obtain reasonable, rather than absolute, assurance about the financial statements. Our audit was performed in accordance with such standards except as requested by you in accordance with the alternative method of reporting permitted by the Department of Labor (DOL). In performing auditing procedures, we establish scopes of audit tests in relation to the financial statements taken as a whole. Our engagement does not include a detailed audit of every transaction. Our engagement letter more specifically describes our responsibilities.

These standards require communication of significant matters related to the financial statement audit that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. Such matters are communicated in the remainder of this letter or have previously been communicated during other phases of the audit. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.

An audit of the financial statements does not relieve management or those charged with governance of their responsibilities. Our engagement letter more specifically describes your responsibilities.

Qualitative Aspects of Significant Accounting Policies and Practices

Significant Accounting Policies

The Plan’s significant accounting policies are described in Note 2 of the audited financial statements. In the current year, Plan management adopted the following:

- The Plan changed its method of accounting for fully benefit-responsive investment contracts by adopting the provisions of ASU 2015-12, *Plan Accounting Defined Contribution Pension Plans (Topic 962): Part I: Fully Benefit-Responsive Investment Contracts*. The accounting provided for in ASU 2015-12 allows plans to measure, present and disclose fully benefit-responsive investment contracts at contract value. The effect of the adoption of the ASU is to eliminate the requirement to measure fair value of fully benefit-responsive contracts and to present the reconciliation from fair value to contract value on the statement of net assets. This change was applied retrospectively to all periods presented.
- The Plan also changed its accounting policy on plan accounting disclosures by adopting the provisions of ASU 2015-12, *Plan Accounting (Topics 960, 962 and 965): Part II: Plan Investment Disclosures*. The accounting policy change provided for in ASU 2015-12 changes the Plan's disclosure requirements to eliminate and/or modify certain investment-related disclosures. This change was applied retrospectively for all periods presented.

Alternative Accounting Treatments

We had no discussions with management regarding alternative accounting treatments within accounting principles generally accepted in the United States of America for policies and practices for material items, including recognition, measurement and disclosure considerations related to the accounting for specific transactions as well as general accounting policies.

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. The valuation of investments involves a significant area of such estimates for which we are prepared to discuss management's estimation process.

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Change in accounting principle
- Disclosures about fair value of Plan assets
- Risks and uncertainties
- Nonexempt transactions

Audit Adjustments

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments which, in its judgment, are required to prevent the financial statements from being materially misstated. There were no proposed adjustments during the 2015 audit.

Auditor's Judgments About the Quality of the Plan's Accounting Principles

During the course of the audit, we made no observations regarding the Plan's application of accounting principles that we consider to be reportable.

Other Material Written Communication

The attached management representation letter is other material written communication between Plan management and us related to the audit.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all deficiencies, significant deficiencies or material weaknesses have been identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements of the Plan's financial statements on a timely basis.

A deficiency in design exists when a control necessary to meet a control objective is missing or an existing control is not properly designed so that, even if the control operates as designed, a control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We observed the following matter that we consider to be a significant deficiency.

Significant Deficiency

Review of SSAE 16 Report

The Plan's sponsor does not obtain the "Report on Controls Placed in Operation and Test of Operating Effectiveness," also referred to as a "SSAE 16 report," from the Plan's Custodian which is prepared on an annual basis for external audit purposes. We recommend the SSAE 16 report be obtained and reviewed as soon as it becomes available. Items that Plan management should consider in their review process include:

- Reading the independent auditor's report to ensure the opinion is unmodified. If the opinion is other than unmodified, consider the potential impact to the Plan.
- Evaluating any exceptions noted in the report and their potential impact to the Plan.
- Evaluating user controls noted in the report to ensure the controls are in place and are effective at the Plan sponsor level.
- Evaluating the report for any changes in policies and procedures placed in operation. If changes are noted, consider the potential impact on information processed by the Custodian.

We are providing this letter in connection with your audits of the financial statements of Dent Wizard International Savings and Retirement Plan (the Plan) as of and for the years ended December 31, 2015 and 2014, and supplemental schedules as of and for the year ended December 31, 2015. We confirm that we are responsible for the fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedules in conformity with the Department of Labor's Rules and Regulations under ERISA. We are also responsible for adopting sound accounting policies, establishing and maintaining effective internal control, and preventing and detecting fraud.

We understand that you will not express an unmodified opinion on the financial statements of the Plan for the years ended December 31, 2015 and 2014, because at our request you did not audit investment information provided by the custodian.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, the following:

1. We have fulfilled our responsibilities, as set out in the terms of our engagement letter dated February 4, 2016, for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.
2. We have elected to early adopt the provisions of Financial Accounting Standards Board Accounting Standards Update (ASU) 2015-12, Plan Accounting Defined Contribution Pension Plan (Topics 962): Part I: Fully Benefit-Responsive

Investment Contracts and Part II: Plan Investment Disclosures. This change was applied retrospectively to all periods presented.

3. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
5. We have disclosed to you the identity of the Plan's related parties and all the related party relationships and transactions of which we are aware. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America. We understand the term related party refers to an affiliate; employer, management, fiduciaries, and members of their immediate families, and any other party with which the Plan may deal if the Plan can significantly influence, or be influenced by, the management or operating policies of the other. The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with the Plan
6. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms and business purpose of those transactions and whether such transactions involved related parties.
7. We have provided you with:
 - (a) Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters.
 - (b) Additional information that you have requested from us for the purpose of the audit.
 - (c) Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - (d) All minutes of Retirement Committee meetings held through the date of this letter.
 - (e) All significant contracts.
8. All transactions have been recorded in the accounting records and are reflected in the financial statements.

9. We have informed you of all current risks of a material amount that are not adequately prevented or detected by plan procedures with respect to:
 - (a) Misappropriation of assets.
 - (b) Misrepresented or misstated assets or liabilities.
10. We have no knowledge of any known or suspected:
 - (a) Fraudulent financial reporting or misappropriation of assets involving management or employees who have significant roles in internal control.
 - (b) Fraudulent financial reporting or misappropriation of assets involving others that could have a material effect on the financial statements.
11. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.
12. Except as reflected in the financial statements, there are no:
 - (a) Plans or intentions that may materially affect carrying values of assets and liabilities.
 - (b) Material transactions omitted or improperly recorded in the financial records.
 - (c) Material gain/loss contingencies requiring accrual or disclosure, including those arising from environmental remediation obligations.
 - (d) Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter requiring adjustment or disclosure in the financial statements.
 - (e) Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.
13. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
14. The Plan or the Plan Sponsor is not aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the sponsor has sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.

15. No allowances have been considered necessary for any material losses from uncollectible receivables.
16. The fair values of financial assets and liabilities recognized in the financial statements or disclosed in the notes thereto are reasonable estimates based on the methods and assumptions used. The methods and significant assumptions used result in measurements of fair value appropriate for financial statement recognition and disclosure purposes and have been applied consistently from period to period, taking into account any changes in circumstances. The significant assumptions appropriately reflect market participant assumptions.
17. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.
18. The adoption date of the most recent plan amendment was January 1, 2015, as provided to you.
19. The Plan operates under a standardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Massachusetts Mutual Life Insurance Company. This prototype Plan Document has been filed with the appropriate agency and has obtained a determination letter dated May 11, 2009, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and, therefore, not subject to tax. The Plan has been amended since adopting the prototype. However, the Plan Administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
20. The Plan has complied with the fidelity bonding requirements of ERISA.
21. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
22. We have informed you of the existence of any unrecorded transactions, side agreements or other arrangements (either written or oral).
23. Except as disclosed in the financial statements, the Plan has:

- (a) Satisfactory title to all recorded assets, and they are not subject to any liens, pledges or other encumbrances.
 - (b) Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.
- 24. The financial statements disclose all significant estimates known to us. Significant estimates are estimates at the date of the statement of net assets available for benefits which could change materially within the next year. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
- 25. With respect to any nonattest services you have provided us during the year, including preparation of the financial statements, supplemental schedules, and related notes:
 - (a) We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.
 - (b) We have established and monitored the performance of the nonattest services to ensure that they meet our objectives.
 - (c) We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.
 - (d) We have evaluated the adequacy of the services performed and any findings that resulted.
- 26. We have reviewed the reports of all transactions processed by third-party servicers, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations or uncorrected misstatements.
- 27. We represent that the final Form 5500 will contain a Schedule H that reconciles to the Plan's audited financial statements.
- 28. Except as noted in the Supplemental Schedule of Delinquent Participant Contributions, we have complied with the Department of Labor's regulations concerning the timely remittance of participant contributions. We corrected the late remittances by preparing and filing Form 5330 and remitting lost earnings.
- 29. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the plan.

30. As applicable, we have complied with the Department of Labor's regulations concerning the services provider fee disclosures in accordance with Sec. 408(b)(2).
31. With regard to supplementary information:
- (a) We acknowledge our responsibility for the presentation of the supplementary information, including its form and content, in conformity with relevant regulatory requirements or other applicable criteria.
 - (b) We believe the supplementary information is fairly presented, both in form and content, in accordance with relevant regulatory requirements or other applicable criteria, in material respects.
 - (c) The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period.
 - (d) We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.
 - (e) The supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*.
 - (f) If the supplementary information is not presented with the audited financial statements, we acknowledge we will make the audited financial statements readily available to intended users of the supplementary information no later than the date such information and the related auditor's report are issued.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Dent Wizard International Savings and Retirement Plan, which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Dent Wizard International Savings and Retirement Plan

Notes to Financial Statements

December 31, 2015 and 2014

Note 1: Description of the Plan

The following description of the Dent Wizard International Savings and Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Dent Wizard International Corporation and its wholly-owned subsidiaries (the “Company”) for the benefit of its employees who have at least 90 days of service. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Massachusetts Mutual Life Insurance Company is the custodian of the Plan and MassMutual Retirement Services serves as the Plan’s third party administrator.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to 25 percent of eligible compensation. Employee rollover contributions are also permitted. The Plan includes an auto deferral election of 3 percent of Plan compensation for all employees who became participants on or after April 1, 2012, and who do not enter into a contrary salary deferral election. Effective January 1, 2015, the Plan was amended to allow for Roth contributions. For those participants with one year of service, the Company makes matching contributions of 50 percent of employees’ salary deferral amounts on the first 6 percent of employees’ compensation. Company profit-sharing contributions are discretionary as determined by the Company’s Board of Directors. There were no profit-sharing contributions made in 2015 or 2014. Contributions are subject to certain limitations.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s contribution and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary contributions, Company matching and profit-sharing contributions, plus earnings thereon.

Notes to Financial Statements

December 31, 2015 and 2014

Payment of Benefits

Upon termination of service, an employee may elect to receive a lump-sum amount equal to the value of their account or installment payments.

Participant Loans

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50 percent of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates as determined by the Plan Administrator.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the plan at year-end.

Dent Wizard International Savings and Retirement Plan

Notes to Financial Statements

December 31, 2015 and 2014

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Tax Status

The Plan operates under a standardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Massachusetts Mutual Life Insurance Company. This prototype Plan Document has been filed with the appropriate agency and has obtained a determination letter dated May 11, 2009, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the *Internal Revenue Code* and, therefore, not subject to tax. The Plan has been amended since adopting the prototype. However, the Plan Administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the *Internal Revenue Code*.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Subsequent events have been evaluated through the date of Independent Auditor's Report, which is the date the financial statements were available to be issued.

Notes to Financial Statements

December 31, 2015 and 2014

Note 3: Change in Accounting Principle

In 2015, the Plan changed its method of accounting for fully benefit-responsive investment contracts by adopting the provisions of ASU 2015-12, Plan Accounting Defined Contribution Pension Plans (Topic 962): *Part I: Fully Benefit-Responsive Investment Contracts*. The accounting provided for in ASU 2015-12 allows plans to measure, present and disclose fully benefit-responsive investment contracts at contract value. The effect of the adoption of the ASU is to eliminate the requirement to measure fair value of fully benefit-responsive contracts and to present the reconciliation from fair value to contract value on the statement of net assets. This change was applied retrospectively to all periods presented.

In 2015, the Plan also changed its accounting policy on plan accounting disclosures by adopting the provisions of ASU 2015-12, Plan Accounting (Topics 960, 962 and 965): *Part II: Plan Investment Disclosures*. The accounting policy change provided for in ASU 2015-12 changes the Plan's disclosure requirements to eliminate and/or modify certain investment-related disclosures. This change was applied retrospectively for all periods presented.

Note 4: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying Statements of Net Assets Available for Benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2015 and 2014.

Dent Wizard International Savings and Retirement Plan

Notes to Financial Statements

December 31, 2015 and 2014

Fair Value Measurements Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2015				
Money Market Account	\$ 2	\$ 2	\$ -	\$ -
Mutual Funds	63,087,281	63,087,281	-	-
	<u>\$ 63,087,283</u>	<u>\$ 63,087,283</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2014				
Money Market Account	\$ 2	\$ 2	\$ -	\$ -
Mutual Funds	59,635,209	59,635,209	-	-
	<u>\$ 59,635,211</u>	<u>\$ 59,635,211</u>	<u>\$ -</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying Statements of Net Assets Available for Benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2015. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of investments with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters. Such investments are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, investments are classified within Level 3 of the hierarchy.

Note 5: Investment Contract with Custodian

The Plan has a fully benefit-responsive investment contract with the Custodian. The Custodian maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

Dent Wizard International Savings and Retirement Plan

Notes to Financial Statements

December 31, 2015 and 2014

The guaranteed investment contract is fully benefit-responsive; therefore, contract value is the relevant measurement. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The average rate of return of the contract as of December 31, 2015 and 2014, was 3.39 percent and 2.94 percent, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan Documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 6: Certification of Plan Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Massachusetts Mutual Life Insurance Company, the Custodian of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits at December 31, 2015 and 2014.
- Investment income and interest income from notes receivable from participants as shown in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2015 and 2014.
- Investments and notes receivable from participants as shown on the Schedule of Assets (Held at End of Year) at December 31, 2015.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 7: Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns 50 percent or more of such an employer or relatives of such persons.

The Company provides certain administrative services at no cost to the Plan and pays certain administrative fees relating to the Plan.

Notes to Financial Statements

December 31, 2015 and 2014

Note 9: Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15 business day of the month following the month in which the participant contributions are withheld by the employer. Employee contributions of \$16, for the year ended December 31, 2015, were not remitted to the Plan within the required time period. These repayments and lost earnings were subsequently remitted and management prepared and filed Form 5330, *Return of Excise Taxes Related to Employee Benefit Plans*, to correct these late remittances.
