Madsen, Kneppers & Associates, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
Years Ended December 31, 2015 and 2014

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Madsen, Kneppers, & Associates, Inc. 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of the Company who have completed 1 year of service, are age 21 or older and who meet the Plan's eligibility requirements. The Plan excludes from eligibility those employees who are non-resident aliens, leased employees or employees governed by a collective bargaining agreement. The Plan is subject to the provisions of ERISA.

Plan Administrator

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Custodial services are provided by RTC, and recordkeeping services are provided by Daily Access Corporation.

Contributions

Eligible participants may contribute up to 100% of eligible compensation up to a maximum of $18,000 and $17,500 in 2015 and 2014, respectively. Eligible participants who are age 50 or more may make an additional catch-up contribution up to $6,000 and $5,500 in 2015 and 2014, respectively. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Company matching contributions are discretionary. The matching contributions for the years ended December 31, 2015 and 2014 were limited to 300% of salary reduction contributions not to exceed 5% of eligible compensation, on a payroll by payroll basis. In addition to a matching contribution, the Company may make a discretionary profit sharing contribution. Participants direct the investment of their contributions into the various investment options offered by the Plan that include cash equivalents and mutual funds.

Administrative Expenses

Certain expenses of maintaining the Plan are absorbed by the Company and excluded from these financial statements. Fees related to the administration of notes receivables from participants are charged directly to the participant's account. Investment related expenses are absorbed by the Plan and are included in administrative expenses in the financial statements.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings or losses, and (c) participant forfeitures, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after 6 years of service. If a participant terminates employment, the non-vested portion forfeited by the employee is used to reduce Company contributions. At December 31, 2015 and 2014, the Plan had forfeited, non-vested amounts of $8,253 and $7,006, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balances in the participant's account and bear interest at interest rates ranging from 3.25% to 8.25%, which are commensurate with local prevailing interest rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Upon termination of service for account balances less than $5,000, the participant is paid a lump-sum distribution. For account balances greater than $1,000, where the participant does not elect either to receive or to roll over the distribution, RTC will establish an IRA rollover account for the benefit of the participant. For account balances greater than $5,000, the participant may elect to receive a lump-sum distribution of the vested balance, periodic installments or annuity distributions. Account balances can be distributed prior to termination or retirement age for hardship claims, death or disability as defined in the Plan agreement.

The normal retirement age under the Plan is 59 ½.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. These require management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions to net assets during the reporting period. Actual results could differ from those estimates as future confirming events occur.

Cash and Cash Equivalents

The Plan considers all unrestricted, highly-liquid investments with an initial maturity of 90 days or less to be cash equivalents.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. At December 31, 2015 and 2014, no allowance has been recorded.

Fair Value Measurements

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Plan determines the fair values of its assets and liabilities based on a fair value hierarchy that includes 3 levels of inputs that may be used to measure fair value (Level 1, Level 2 and Level 3). Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date. Level 2 inputs are inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs reflect the Plan's own assertions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The method and assumption used to estimate the fair value of investments and cash and cash equivalents is to record at observable quoted market prices; therefore, they are classified as Level 1.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned, and dividends are recorded on the ex-dividend date. Capital gain distributions are included in investment income. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

NOTE 3 - REFUND OF EXCESS CONTRIBUTIONS

Contributions received from participants in 2015 and 2014 are net of payments of $23,468 and $29,565, respectively, made to certain active participants to return excess deferral contributions as required to satisfy the relevant non-discrimination provisions of the Plan. The amounts are also included in the Plan's statements of net assets available for benefits as refund of excess contributions at December 31, 2015 and 2014.

NOTE 4 - FAIR VALUE MEASUREMENTS

The following table represents the Plan's fair value hierarchy for its assets measured at fair value on a recurring basis as of December 31,

	2015		
	Level 1	Level 2	Level 3
Investments at Fair Value:			
Equity Mutual Funds	$ 31,831,035	$ -	$ -

NOTE 6 - INFORMATION CERTIFIED BY CUSTODIAN

The Plan's investments are currently held in safekeeping with RTC. Investments are in accordance with the policy set by the Plan administrator or by subsequent policy amendments. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, RTC has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2015 and 2014, the related investment activity reflected in the statements of changes in net assets available for benefits for the years then ended, and the supplemental Schedule H - Line 4(i) - Schedule of Assets (Held At End of Year) as of December 31, 2015.

NOTE 7 - INCOME TAX STATUS

The trust established under the Plan on July 1, 1984 to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes.

On January 1, 2002, the Plan adopted the Daily Access Corp. Defined Contribution Prototype Plan & Trust, which has been amended since receiving its favorable determination. However, the Plan administrator believes the Plan is currently designed and being operated within the applicable requirements of the code.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks.
