Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Gibson Sales, L.P. Profit Sharing / 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements. The financial statements of the Plan as of December 31, 2014 were audited by other auditors.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information described in Note 4, which was certified by Fidelity Management Trust Company, the custodian of the Plan (the custodian), except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2015 that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements referred to in the first paragraph.

Other Matter

The supplemental schedule of assets is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the custodian of the Plan. Their report, dated September 14, 2015, indicated that because of the significance of the information they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PROFIT SHARING / 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

Note 1 – Description of Plan:

The following brief description of the Gibson Sales, L.P. Profit Sharing 401(k) Pan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Gibson Sales, L.P. that was established with an effective date of January 1, 1998. The Plan is subject to the provisions of the Employee Income Security Act of 1974 (ERISA). Fidelity Management Trust Company (Fidelity) serves as the Plan asset custodian and record keeper (the Custodian).

Eligibility

Participation in the Plan is limited to employees of Gibson Sales, L.P., who have attained the age of 21 and have completed 6 months of continuous service as defined by the Plan document. Employees may enter the Plan on the first day of the month after they become eligible.

Contributions

The Plan allows deferral contributions, discretionary employer contributions, and employer discretionary match contributions. The Plan has no required matching contribution feature. Each year, participants may elect to contribute up to 60 percent of pretax eligible compensation, as defined in the Plan. Participants who have met certain requirements are eligible to make "catch up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, even if they have not met the requirements to be a participant. For 2015 and 2014, the Company elected to make a discretionary matching contribution to the Plan. Discretionary matching contributions for both years was a 50 percent match on compensation not to exceed 1.5 percent of eligible compensation.

Participant Accounts

Each participant's account is credited with the participant and matching contributions and allocations of Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's profit sharing discretionary contributions is based on years of continuous service and generally begins at 20 percent after two years of credited service and increases to 100 percent after six years of credited service. Vesting in employer discretionary match contributions is immediate.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions into any of the investment options with Fidelity Management Trust Company (a registered investment company). The investment options include a money market interest account, stock funds, and government bond funds. Participants may change their investment options by accessing their personal accounts through the Internet.

NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

Note 1 – Description of Plan: (continued)

Payments of Benefits

The Plan received excess contributions for certain participants. Excess contributions refundable to participants were $24,714 and $70,203 for the 2015 and 2014 Plan year, respectively. Excess contributions are refunded to participants in the first two and a half months of the subsequent Plan year per IRS regulation.

Upon death, disability, retirement, or termination, a participant shall be entitled to receive that participant's account balance in a lump-sum payment. A participant's benefits will be distributed no later than April 1 of the calendar year following the later of: (1) the calendar year in which the participant attains the age of 70 ½ or (2) the calendar year in which the participant retires.

Participants may make withdrawals from their account for hardship purposes as defined by the Plan document. Only employee contributions to the account are available for hardship withdrawals. Subsequent to a hardship withdrawal, no contributions by the employee can be made to the Plan during the six months immediately following the month in which the hardship withdrawal is received.

Forfeited Accounts

Forfeitures of nonvested amounts attributable to the Company's discretionary contributions are first used to pay administrative expenses and any remaining amounts will be used to reduce future employer contributions. Forfeited amounts totaled approximately $2,330 and $4,160 for 2015 and 2014, respectively. The balance for this account as of December 31, 2015 and 2014 was $-0- and $544, respectively.

Amendment and Termination

Although it has not expressed an interest to do so, the Company has the right to amend or terminate the Plan and the related trust at any time subject to the provisions set forth in ERISA. In the event of Plan termination, participants will remain 100 percent vested in the accounts.

Note 2 – Summary of Significant Accounting Policies:

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from those estimates. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's assets are invested in mutual funds offered and managed by the Plan's custodian. Investments are stated at fair value, which is determined by the Plan's custodian based on quoted market prices of the underlying investments included in the funds (Level 1 inputs as defined by FASC Topic 820). The difference between the fair values at the beginning of the year and the end of the year is reflected as net appreciation or depreciation. Investment transactions are recognized as of the trade date. See Note 6 for a discussion of fair value measurements.

These investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the market values of these investments may occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

Payment of Benefits

Benefits are recorded when paid.

Note 3 – Federal Income Taxes:

The Internal Revenue Service has determined, in its letter dated March 31, 2014, that the Fidelity prototype plan as adopted by the Company is a qualified plan under Section 401(a) of the Internal Revenue Code and the trust, under which the Plan operates, was exempt from federal income taxes under Section 501(a) of the Internal Revenue Code effective April 2, 2012. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan administrator believes the Plan is no longer subject to income tax examination for years prior to 2012.

Note 4 – Information Prepared and Certified by Plan Custodian:

The Plan has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan has received certification from the custodian of the market value of all the Plan's investments to participants as of December 31, 2015 and 2014, and of interest income and net appreciation (depreciation) in fair value of investments for the year ended December 31, 2015. The Plan's financial statements and supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2015, have been prepared based upon this certified information and reflect the amounts certified by the custodian.

The Plan's independent public accountants did not perform auditing procedures with respect to this information certified as complete and accurate by the custodian, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Gibson Sales, L.P. Profit Sharing / 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements. The financial statements of the Plan as of December 31, 2014 were audited by other auditors.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information described in Note 4, which was certified by Fidelity Management Trust Company, the custodian of the Plan (the custodian), except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2015 that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements referred to in the first paragraph.

Other Matter

The supplemental schedule of assets is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the custodian of the Plan. Their report, dated September 14, 2015, indicated that because of the significance of the information they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

Note 1 – Description of Plan:

The following brief description of the Gibson Sales, L.P. Profit Sharing 401(k) Pan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Gibson Sales, L.P. that was established with an effective date of January 1, 1998. The Plan is subject to the provisions of the Employee Income Security Act of 1974 (ERISA). Fidelity Management Trust Company (Fidelity) serves as the Plan asset custodian and record keeper (the Custodian).

Eligibility

Participation in the Plan is limited to employees of Gibson Sales, L.P., who have attained the age of 21 and have completed 6 months of continuous service as defined by the Plan document. Employees may enter the Plan on the first day of the month after they become eligible.

Contributions

The Plan allows deferral contributions, discretionary employer contributions, and employer discretionary match contributions. The Plan has no required matching contribution feature. Each year, participants may elect to contribute up to 60 percent of pretax eligible compensation, as defined in the Plan. Participants who have met certain requirements are eligible to make "catch up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, even if they have not met the requirements to be a participant. For 2015 and 2014, the Company elected to make a discretionary matching contribution to the Plan. Discretionary matching contributions for both years was a 50 percent match on compensation not to exceed 1.5 percent of eligible compensation.

Participant Accounts

Each participant's account is credited with the participant and matching contributions and allocations of Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's profit sharing discretionary contributions is based on years of continuous service and generally begins at 20 percent after two years of credited service and increases to 100 percent after six years of credited service. Vesting in employer discretionary match contributions is immediate.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions into any of the investment options with Fidelity Management Trust Company (a registered investment company). The investment options include a money market interest account, stock funds, and government bond funds. Participants may change their investment options by accessing their personal accounts through the Internet.

Note 1 – Description of Plan: (continued)

Payments of Benefits

The Plan received excess contributions for certain participants. Excess contributions refundable to participants were $24,714 and $70,203 for the 2015 and 2014 Plan year, respectively. Excess contributions are refunded to participants in the first two and a half months of the subsequent Plan year per IRS regulation.

Upon death, disability, retirement, or termination, a participant shall be entitled to receive that participant's account balance in a lump-sum payment. A participant's benefits will be distributed no later than April 1 of the calendar year following the later of: (1) the calendar year in which the participant attains the age of 70 ½ or (2) the calendar year in which the participant retires.

Participants may make withdrawals from their account for hardship purposes as defined by the Plan document. Only employee contributions to the account are available for hardship withdrawals. Subsequent to a hardship withdrawal, no contributions by the employee can be made to the Plan during the six months immediately following the month in which the hardship withdrawal is received.

Forfeited Accounts

Forfeitures of nonvested amounts attributable to the Company's discretionary contributions are first used to pay administrative expenses and any remaining amounts will be used to reduce future employer contributions. Forfeited amounts totaled approximately $2,330 and $4,160 for 2015 and 2014, respectively. The balance for this account as of December 31, 2015 and 2014 was $-0- and $544, respectively.

Amendment and Termination

Although it has not expressed an interest to do so, the Company has the right to amend or terminate the Plan and the related trust at any time subject to the provisions set forth in ERISA. In the event of Plan termination, participants will remain 100 percent vested in the accounts.

Note 2 – Summary of Significant Accounting Policies:

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from those estimates. Accordingly, actual results may differ from those estimates.
