Report on Financial Statements

We were engaged to audit the accompanying financial statements of Big Sandy Superstores 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Community Trust and Investment Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2015 and 2014 and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Effect of Adopting New Accounting Standard

As discussed in Note 2 to the financial statements, management of the Plan has elected to apply the early adoption provisions of FASB ASU 2015-12, *Plan Accounting: (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient - consensuses of the Emerging Issues Task Force*. Our opinion is not modified with respect to this matter.

Emphasis of Matter – Plan Restatement

As discussed in Note 9 to the financial statements, the Board of Directors of Big Sandy Distribution, Inc. approved an amendment and restatement of the Plan, effective January 1, 2015. The restatement modified the Plan to be a multiple employer plan to include the employees of Big Sandy Furniture, Inc., who were formerly covered under the Big Sandy Furniture, Inc. 401(k) Plan. Additionally, the name of the Plan was changed from Big Sandy Distribution, Inc. 401(k) Plan to Big Sandy Superstores 401(k) Plan. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2015 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**BIG SANDY SUPERSTORES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014**

(1) DESCRIPTION OF THE PLAN

The following description of the Big Sandy Superstores 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a qualified, defined contribution multiple employer plan that provides participant-directed investment programs to all eligible employees of the Big Sandy Distribution, Inc. (the "Company"), Big Sandy Furniture, Inc. and Big Sandy Furniture Trucking who have completed one year of service and have attained the age of 21. Employees may enroll in the Plan on the first day of the month coinciding with or next following the date on which an employee meets the eligibility requirements.

The Plan is a prototype plan sponsored by Community Trust and Investment Company. Broker's commissions associated with investment transactions and investment management fees are paid by the Plan. The Plan is regularly updated to comply with tax legislation. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions

Each year, participants are able to contribute a percentage of their pay to the Plan, up to the maximum allowable contribution, as defined in Federal legislation. This amount is then deposited in the participant's account as a 401(k) contribution. Upon becoming eligible to participate, employees are automatically enrolled at a 3% pre-tax contribution level. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants may rollover amounts from other eligible retirement plans to the Plan. The amounts transferred shall be allocated to the participant's rollover contribution account. Such amounts and any earnings or losses shall be fully vested at all times.

Employer Contribution

Beginning January 1, 2015, Big Sandy Distribution, Inc. and Big Sandy Furniture Trucking contribute a safe harbor contribution of 100% of the first 3% of employee contributions and 50% of employee contributions in excess of 3% up to 5% to the Plan. Compensation earned before first becoming eligible to participate is excluded in determining the amount of the contribution. Big Sandy Furniture, Inc. employees are not eligible for a safe harbor contribution. Each participating employer may also make additional discretionary matching contributions. No discretionary contributions were made by the Company during the Plan year ended December 31, 2015.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution, (b) the Company's contribution and (c) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	0%
2	20
3	40
4	60
5	80
6	100

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the investment options available to the Plan. Participants may change their allocation percentages at any time.

Payment of Benefits

Employees are eligible for retirement benefits upon reaching age 65 and are also eligible for benefits due to death or disability. Participants or their beneficiaries may elect a single lump sum payment of their entire vested account balance, or a portion of their vested account balance. Participants may make hardship withdrawals under prescribed circumstances, up to the value of their vested account balance. Withdrawals after the attainment of age 59 ½ can be made without penalty.

If a participant terminates employment for any reason and at any age (including retirement), and the value of the participant's vested benefit does not exceed \$1,000, including any rollover contributions, then a distribution will automatically be paid to the participant. Any distribution under this provision will be paid in a lump-sum distribution within a year after the participant terminates employment.

Forfeited Accounts

Nonvested accounts of terminated employees are used to offset plan expenses or reduce the employer's contributions. Forfeited nonvested accounts totaled \$525 at December 31, 2015 and \$744 at December 31, 2014. During 2015, forfeitures of \$1,704 were utilized to offset plan expenses.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using U.S. generally accepted accounting principles and the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. At December 31, 2015 and 2014, the Plan held no contracts that are considered fully benefit-responsive.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

New Accounting Pronouncements

In July 2015, the FASB issued ASU No. 2015-12, *Plan Accounting: (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient – consensus of the Emerging Issues Task Force*. The amendments in the Update are effective for fiscal years beginning after December 15, 2015, with earlier application being permitted, and should be applied retrospectively. The ASU is divided into three parts and amends employee benefit plan accounting and disclosure requirements for several areas, including the following:

- Fully benefit-responsive investment contracts are to be measured, presented and disclosed only at contract value
- Disclosure of individual investments that represent 5 percent or more of net assets available for benefits is no longer required
- Disclosure of the net appreciation or depreciation for investments by general type is no longer required
- Investments (both participant-directed and nonparticipant-directed) of employee benefit plans are to be grouped only by general type (i.e. mutual funds, government securities, pooled separate accounts, common stocks, corporate bonds, self-directed brokerage accounts, etc.) and not further disaggregated by nature, characteristics and risks
- If an investment is measured using the net asset value per share (or its equivalent) practical expedient in FASB ASC 820 and that investment is in a fund that files a U.S. Department of Labor Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity, disclosure of that investment's strategy is no longer required
- Provides a practical expedient to permit plans to measure investments and investment-related accounts (for example, a liability for a pending trade with a broker) as of a month-end date that is closest to the plan's fiscal year-end, when the fiscal period does not coincide with a month end

The Plan has elected to early implement the provisions of ASU No. 2015-12. As a result, the presentation of several disclosures was amended to comply with the new requirements.

Reclassifications

Certain reclassifications have been made to December 31, 2014 information to conform to the 2015 presentation.

Subsequent Events

Subsequent events have been evaluated through July 26, 2016, which is the date the financial statements were available to be issued.

(3) INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

	December 31,	December 31,
	2015	2014
Assets:		
Investments at fair value	\$ 4,922,510	\$ 2,594,600
	Year Ended	
	December 31, 2015	
Investment Income:		
Interest and dividend income	\$ 64,394	
Net depreciation in fair value of investments	(136,591)	
Total	<u>\$ (72,197)</u>	

(4) FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under *FASB ASC 820* are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as: a) quoted prices for similar assets or liabilities in active markets, b) quoted prices for identical or similar assets or liabilities in inactive markets, c) inputs other than quoted prices that are observable for the asset or liability, d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange

Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014:

<u>December 31, 2015</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Big Sandy Distribution, Inc., the Plan sponsor, provides to the Plan certain accounting and administrative services for which no fees are charged. Additionally, Big Sandy Distribution, Inc. paid certain consulting and advisory fees on-behalf of the Plan.

As of December 31, 2015, Community Trust and Investment Company is the trustee, and therefore, transactions with them qualify as party-in-interest transactions. Fees paid to Community Trust and Investment Company by the Plan amounted to \$5,487 for the year ended December 31, 2015.

(6) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(7) TAX STATUS

The Plan is a prototype plan offered by Community Trust and Investment Company. Community Trust and Investment Company obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(8) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(9) PLAN MERGER

On December 23, 2014, the Board of Directors of Big Sandy Distribution, Inc. approved an amendment and restatement of the Plan, effective January 1, 2015.
