The Board of Trustees
Wente Family Estates 401(k) Profit Sharing Plan and Trust

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Wente Family Estates 401(k) Profit Sharing Plan and Trust (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance Company ("John Hancock") and Massachusetts Mutual Life Insurance Company ("Mass Mutual"), the custodians of the Plan, except for comparing such information with the related information included in the 2015 financial statements. We have been informed by the Plan administrator that John Hancock held the Plan's investment assets and executed investment transactions as of December 31, 2014 and for the period from January 1, 2015 to April 30, 2015 and that Mass Mutual held the Plan's investment assets and executed investment transactions as of December 31, 2015 and for the period from May 1, 2015 to December 31, 2015. The Plan administrator has obtained a certification from the custodians as of December 31, 2015 and for the year then ended, that the information provided to the Plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Supplemental Schedule

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2015 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform any auditing procedures with respect to the information certified by the custodians. Their report, dated October 9, 2015, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodians, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING PLAN AND TRUST
Notes to Financial Statements
December 31, 2015

Note 1 - Description of Plan:

The following description of the Wente Family Estates 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 401(k) profit sharing plan established August 1, 1976, and last amended on May 1, 2015 which provides benefits to all members of Wente Bros. Inc. DBA Wente Vineyards (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and section 401(a) of the Internal Revenue Code.

The Company is the Plan Sponsor and retains the services of a third party to assist in the administration of the Plan. During all of 2014 and January through April 30, 2015, the Plan's custodian and third party administrator was John Hancock Life Insurance Company ("John Hancock"). Effective May 1, 2015, the Plan switched custodian and third party administrator to Massachusetts Mutual Life Insurance Company ("Mass Mutual").

Eligibility - Except for excluded employees, all employees of the Company are eligible to participate in the Plan if they are at least 18 years of age. Participants may begin deferring a portion of their compensation into the Plan on the date that eligibility conditions are met. During the year, the Company restated the Plan which includes an auto enrollment feature of 3% of the participant's eligible compensation to be increased by 1% each Plan year unless elected otherwise.

Participant contributions - Participants may defer a portion of their compensation into the Plan including Roth deferrals subject to certain anti-discriminatory tests and to annual additions subject to the statutory limits. Participants age 50 or older are allowed to make "catch up" contributions during a Plan year, subject to statutory limits. Eligible participants may, in certain circumstances, "rollover" funds accumulated under plans in which they previously participated. The Company does not make any matching contributions on rollover funds received.

Note 1 - Description of Plan (continued):

Employer matching contributions - The Company's matching contribution for the current year was 25% of the participant's salary reduction, subject to a maximum of 6% of eligible compensation. The employer matching contribution is calculated based on each pay period. The participant must be employed as of the last day of the contribution period to be eligible for any matching contributions that may be made for that payroll period. Contributions are subject to certain limitations.

The Company may make discretionary non-elective contributions in an amount to be determined by the Board of Directors for each Plan year. For the years ended December 31, 2015 and 2014, the Company contributed approximately $645,000 and $556,000 respectively. Contributions are subject to certain limitations which include that participants must be employed on the last day of the Plan year and must work at least 1,000 hours during the Plan year.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of: (a) the Plan Sponsor's matching and discretionary profit sharing contribution, and (b) Plan earnings and losses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments options - The Plan provides for investments to be directed by participants into a number of investment options held by the custodians. Some Plan investments are units of funds managed by the custodians, therefore, these investments and most investment transactions are party-in-interest transactions. Earnings of each investment fund are allocated to participants' accounts in proportion to each participant's share of that fund. Participants may change their investment options at their own discretion and are responsible for their own investment decisions.

Vesting - Participants are immediately fully vested in their contributions as well as all earnings on those contributions. The Company's matching and discretionary profit sharing contributions vest at a rate of 20% per year starting with the second full year of service.

Forfeited accounts - Forfeitures are used to reduce future employer contributions or pay administrative expenses of the Plan. Forfeitures were immaterial at December 31, 2015 and 2014.

Note 1 - Description of Plan (continued):

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan terms range from one to five years, but may not exceed five years, except for loans used for a purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates. Principal and interest is paid ratably through monthly payroll deductions each pay period.

Benefits paid to participants - The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, disability, death, financial hardship (as defined in the Plan), or termination of employment. In service distributions of a participant's vested account balance are permitted providing the participant has attained normal retirement age (age 59 1/2). Upon termination, the participants or beneficiaries may elect to leave their account balance in the Plan, or receive their total benefits in a lump sum amount equal to the value of the participant's vested interest in their account. The Plan allows for automatic lump sum distributions of participant vested account balances that do not exceed $5,000.

Administrative expenses – The Company pays the administrative costs of the Plan associated with any professional services provided to the Plan. Administrative expenses recorded in the Plan represent custodian fees, other recordkeeping fees paid directly from the Plan to the Plan's custodian and the cost of communications to the participants. Loan and distribution fees and any special handling costs are deducted directly from participants' accounts.

Note 2 - Significant accounting policies:

Basis of accounting - The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Contributions from participants are recorded when withheld from the participant. Benefit payments to participants are recorded when paid.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition - The Plan's investments (mutual funds) are stated at fair value. The shares of registered investment companies are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end. The money market funds are valued at cost plus accrued interest, which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Note 2 - Significant accounting policies (continued):

Net depreciation in fair value of investments - The earnings, expenses, realized gains and losses, and unrealized appreciation (depreciation) in registered investments companies and other investments are recorded in the accompanying financial statements as net depreciation in fair value of investments.

Fair value measurements - The Plan performs fair value measurements in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*. Refer to Note 3 for the fair value measurement disclosures associated with the Plan's investments.

Subsequent events - The Plan has evaluated subsequent events through the date that the financial statements were available to be issued which is the date of the independent auditors' report.

Recent accounting pronouncements - In July 2015, the FASB issued Accounting Standards Update ("ASU") No. 2015-12, Plan Accounting: Defined Contribution Pension Plans (Topic 962) - I. *Fully Benefit-Responsive Investment Contracts; II. Plan Investment Disclosures, and III. Measurement Date Practical Expedient.* In Section I, the amendment designates contract value as the only required measure for fully benefit-responsive investment contracts. In Section II, the amendment eliminates the requirement to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation for investments by general type. The net appreciation or depreciation in investments for the period should be presented in the aggregate, but is no longer required to be disaggregated and disclosed by general type. The amendment also requires that investments (both participant-directed and nonparticipant-directed investments) of employee benefit plans be grouped only by general type, eliminating the need to disaggregate the investments in multiple ways. Finally, in Section III, the amendment provides a practical expedient to permit plans to measure investments and investment-related accounts (e.g., a liability for a pending trade with a broker) as of a month-end date that is closest to the plan's fiscal year-end, when the fiscal period does not coincide with month-end. The ASU is effective for fiscal years beginning after December 31, 2015, should be applied retrospectively for all financial statements presented, and early application is permitted. Plan management has evaluated the impact that will result from the pronouncement, and has elected to early adopt the pronouncement.

Note 3 - Fair value:

The Plan performs fair value measurements in accordance with ASC 820, which defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. The accounting guidance for fair value measurement requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard establishes a fair value hierarchy based on the level of independent, objective evidence surrounding the inputs used to measure fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The fair value hierarchy is as follows:

- Level 1: quoted prices in active markets for identical assets or liabilities;

- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or

- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The fair value calculation may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3 - Fair value (continued):

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2015 (Level 1, 2, and 3 inputs are defined above):

	Fair Value Measurements Using Input Type			
	Level 1	Level 2	Level 3	Total

Note 4 - Investments:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan's independent accountants did not perform any auditing procedures with respect to this information certified by Mass Mutual and John Hancock, the custodians of the Plan, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 - Investments (continued):

The following information included in the financial statements and supplemental schedule was provided by and certified by the Plan's custodians as complete and accurate:

- Investments as shown in the Statement of Net Assets Available for Benefits as of December 31, 2015 and 2014.

- Notes receivable from participants as shown in the Statement of Net Assets Available for Benefits as of December 31, 2015 and 2014.

- Investment income (loss) and other income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2015.

- Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2015.

Note 5 - Party-in-interest transactions:

At December 31, 2015, the Plan held for investment approximately $235,000 in Mass Mutual investment accounts. Mass Mutual has custodial responsibility for investments held in Mass Mutual investment accounts at December 31, 2015. John Hancock investment accounts are made up of pooled separate accounts which John Hancock has custodial responsibility for. At December 31, 2014, the Plan held for investment approximately $20,329,000 in John Hancock investment accounts. John Hancock has custodial responsibility for investments at December 31, 2014.

Note 6 - Plan termination:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, all non-vested account balances would become 100% vested.

Note 7 - Income tax status:

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code. Subsequent to receiving this determination letter, the prototype plan was amended. The Plan Administrator believes that the amended prototype plan, as adopted by the Company, is operating in compliance with the requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8 - Risks and uncertainties:

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participant account balances.
