TO THE PLAN ADMINISTRATOR
VRC MANAGEMENT INC. 401(K) PLAN

We have audited the financial statements of VRC Management, Inc. 401(k) Plan for the ten months ended October 31, 2015, and have issued our report thereon dated July 29, 2016. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility under U. S. Generally Accepted Auditing Standards

As stated in our engagement letter dated May 12, 2016, our responsibility as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U. S. Generally Accepted Accounting Principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to management.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by VRC Management, Inc. 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the period ended 2015. We noted no transactions entered into by the Company during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Estimates in Financial Statements

Accounting estimates are an integral part of the financial statements and are based upon management's knowledge about past and current events and assumptions about future events.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no misstatements proposed by us.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated July 29, 2016.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Company's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Company's auditors. These discussions occurred in the normal course of our professional relationship with VRC Management, Inc. 401(k) Plan and our responses were not a condition to our retention.

INDEPENDENT AUDITOR'S REPORT

TO THE PARTICIPANTS AND PLAN ADMINISTRATOR
VRC MANAGEMENT, INC. 401(k) PLAN

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of VRC Management, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits in liquidation as of October 31, 2015 and December 31, 2014, and the related statement of changes in net assets available for benefits in liquidation for the ten months ended October 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by State Street Bank and Trust, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the ten months ended October 31, 2015 and the year ended December 31, 2014, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As described in Notes 1 and 6 to the financial statements, VRC Management, Inc., the Plan's sponsor, terminated the Plan effective October 31, 2015. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which investments in registered investment companies and common collective trusts and the accumulated benefit information are stated, from the ongoing plan basis to the liquidation basis for periods after January 1, 2014. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

FOR THE 10 MONTHS JANUARY 1, 2015 THROUGH OCTOBER 31, 2015

AND THE YEAR ENDED DECEMBER 31, 2014

1. DESCRIPTION OF PLAN

VRC Management, Inc. 401(k) Plan, (the "Plan") was established on January 1, 2008, was amended and restated effective January 1, 2011 to, among other provisions, include all eligible non-union employees that are employed at Falls Village, Northfield, Geneva, Medina, Heart to Heart and Andover Village; collectively the nursing homes managed by VRC Management, Inc. The following description of the VRC Management, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The plan was terminated, effective October 31, 2015.

General – The Plan is a defined contribution plan covering substantially all employees of VRC Management, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). As a result of the 2011 amendment and restatement, the Plan established an auto enrollment feature for all eligible participants.

Administration – The Plan is administered by the Plan Sponsor or persons appointed by the Plan Sponsor. The administrator has the responsibility for interpreting the Plan and authorizing disbursements. The assets of the Plan are held by State Street Bank and Trust Company (State Street), the Trustee of the Plan, and ADP Retirement Services (ADP) serves as record keeper for the Plan.

Participants' Account – Each participant's account is credited with an allocation of (a) his or her elective deferral, (b) the Company's contribution, if applicable, (c) Plan earnings, (d) forfeitures of terminated participants' non vested accounts, and (e) charged with an allocation of administrative expenses, if any. Allocations by the Plan are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Funding Policy – The Company's funding policy is to make the contributions to the Plan as soon as administratively feasible.

Investments – Upon enrollment in the Plan, a participant may direct contributions among investment options and may change their investment options on any normal business day.

Contributions – Participants may make pre-tax contributions in 1% increments up to 90% of their salary per pay period under the 401(k) plan provisions up to the maximum amount set by law. Effective under the Amended and Restated Plan, the Company elected to adopt a Safe Harbor 401(k) Plan. As such, the Company will make safe harbor matching contributions to the account of each eligible participant in the amount equal to the sum of 100% of the participant's elective deferral up to 4% of the participant's compensation. The safe harbor contribution will be calculated based on each payroll period.

Notes receivable from participants – The Plan allows participants to borrow against their vested account balance in the Plan, at the discretion of the Trustee. Participants may borrow up to the lesser of (a) 50% of their vested account balance or (b) \$50,000, reduced by the highest outstanding loan balance during the preceding one-year period. The minimum loan amount is \$500. The loans are secured by the balance in the participant's account and bear a market rate of interest ranging from 5.25% to 6.00%, which is determined on the loan origination date. Principal and interest is paid through payroll deductions over a period of no greater than 60 months.

Payment of Benefits – Benefits will be paid from the Plan upon the occurrence of any of the following events:

Retirement - a participant, upon retirement from employment with the Company, at either normal retirement date or at any time thereafter, shall be entitled to receive the entire balance in his or her account.

Disability - In the event a participant becomes totally disabled, the participant shall be entitled to receive the entire balance in his or her account.

Death - upon death of a participant, the beneficiary of the participant shall be entitled to receive the entire balance in his or her account remaining at death.

Termination of Employment - upon termination of employment with the Company for any reason other than death or total disability, a participant shall be entitled to the vested balance in his or her account.

Hardship – A participant shall be entitled to a hardship withdrawal of the participant's share of salary deferrals after maximum participant loans have been withdrawn, the participant will not be allowed to make salary deferral contributions for a period of twelve months after receiving a hardship distribution.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Vesting – Participants are 100% vested in their and all safe harbor contributions credited to the Plan.

Forfeitures – The Company has the option to use forfeited non-vested unallocated accounts to reduce the employer's discretionary contribution or to reallocate these funds to participants in the same manner as Company's contributions. At both October 31, 2015 and December 31, 2014, forfeited unallocated accounts totaled \$0.

Termination – During 2015, VRC Management, Inc., the Plan Sponsor, elected to terminate the Plan. As a result, the plan assets were liquidated and merged into ADP TotalSource Retirement Savings Plan, effective October 31, 2015 and all Plan assets were withdrawn.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which investments in registered investment companies and common collective trusts and the accumulated benefit information are stated, from the ongoing plan basis to the liquidation basis for periods after January 1, 2014.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value (See Note 5) which is based on the quoted market values on the last business day of the Plan year. The change in the difference between current value and the cost of investments and gain or loss on the sale of investments are reflected in the statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. The cost of investments sold is based on the average cost of the investments.

Notes receivable from participants – Participant loans are measured as receivables at their unpaid principal balance plus any accrued but unpaid interest which approximates estimated fair value. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded at October 31, 2015 or December 31, 2014. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reclassified as distributions based upon the Plan document.

Benefit Payments – Benefits are recorded when paid.

Accounting Estimates – Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of changes in net assets. Actual results could vary from the estimates that were used.

3. INVESTMENTS

The following table presents the fair market value of the investments that represent five percent or more of the Plan's net assets.

<u>Investments</u>	<u>2015</u>			<u>2014</u>		
American Century One Choice 2025	\$	-	*	\$	311,202	
American Century One Choice 2045		-	*		289,931	
American Century One Choice 2015		-	*		246,111	
American Century One Choice 2035		-	*		170,091	
Invesco Stable Asset		-	*		85,039	

* Amount is less than 5% of Plan Assets but is shown for comparative purposes.

During 2015, the Plan's investments in mutual funds and common collective trusts (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$18,851 and \$26, respectively.

4. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

State Street Bank and Trust, current trustee of the Plan, held the Plan's investment assets and executed transactions therein as of and for the ten months ended October 31, 2015 and December 31, 2014. The following is a summary of the Plan's financial information certified by the Trustee as complete and accurate in accordance with section 2520.103-8 of the Department of Labor's rules and regulations for reporting and disclosure under the Employee Retirement Income Security Act of 1974. Also, the information included in the supplementary schedule, Schedule of Assets (Held at End of Year) was certified by State Street Bank and Trust.

	<u>2015</u>			<u>2014</u>		
Value of interest in registered investment companies	\$	-		\$	1,306,002	
Value of interest in common collective trusts	\$	-		\$	156,025	

Changes in net assets for the ten months January 1, 2015 through October 31, 2015, not audited, include the following:

Net investment loss from registered investment companies	\$ (18,851)
Net investment loss from common collective trusts	\$ (26)
Dividends from registered investment companies	\$ 18,662

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. VALUATION OF INVESTMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active market;
- Inputs other than quoted prices that are observable for assets or liabilities;
- Inputs that are derived principally from or corroborated by observable inputs for substantially the full term of the asset or liability.

If the assets or liabilities has a specified (contractual term), the Level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 31, 2015 and December 31, 2014.

Mutual funds – Valued at the net asset value of shares held by the Plan at year-end.

Common collective trusts – Valued at the net asset value of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There are no redemption restrictions upon which the participant may redeem investments in the fund.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

As discussed in Notes 1 and 6, the Plan was terminated effective October 31, 2015 and all participant accounts were withdrawn. Accordingly, at October 31, 2015 no investments were held.

A summary of the Plan's investments at December 31, 2014 showing their year-end valuations and valuation source is as follows:

Fair Value Measurements Using:			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
<u>December 31, 2014</u>			
Registered Investment Companies			
Blended Funds	\$ 1,032,721	\$ 1,032,721	\$ -

Small Cap Funds	11,949	-	11,949
Mid Cap Funds	8,296	-	8,296
Total Common Collective Trusts	<u>156,025</u>	<u>-</u>	<u>156,025</u>
Total value of interest in investments	<u>\$ 1,462,027</u>	<u>\$ 1,306,002</u>	<u>\$ 156,025</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

6. PLAN MERGER AND TERMINATION

As discussed in Note 1, the Plan Sponsor elected to terminate the Plan during 2015. As a result, the plan assets were liquidated and merged into ADP TotalSource Retirement Savings Plan, effective October 31, 2015. All participants were 100% vested in their account at the date of the termination election.

7. TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are managed by ADP Retirement Services. State Street Bank and Trust is the trustee of the Plan as defined by the Plan agreement. These transactions qualify as party-in-interest. Administrative fees related to the administration of the Plan are paid by the Plan. Other administrative fees are paid by the Plan Sponsor on behalf of the Plan.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. TAX MATTERS

In connection with the January 1, 2011 amendment and restatement, the Plan was modified to a prototype plan document sponsored by ADP. ADP received an opinion from the Internal Revenue Service (IRS), dated March 31, 2008, which states that the prototype plan document satisfies the provisions of Section 401 of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan's administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United State of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has determined that the Plan does not have any uncertain tax positions and the associated unrecognized benefits that materially impact the financial statements or related disclosures.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2012.

10. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets per the financial statements to the Form 5500 for ten months January 1, 2015 through October 31, 2015 and the year ended December 31, 2014:

	2015	2014
Net assets available for benefits per the financial statements	\$ -	\$ 1,491,653
Less: Employee contributions receivable	-	(5,748)
Less: Employer contributions receivable	-	(4,807)
Less: Deemed distributions of participant loans	-	(3,427)
Net assets available for benefits per the Form 5500	<u>\$ -</u>	<u>\$ 1,477,671</u>

Transfers from the plan per the financial statements were \$1,284,873. This differs from the \$1,281,446 in transfers per Form 5500 by \$3,247, as explained by the deemed distributions of participant loans shown above.

11. SUBSEQUENT EVENTS

Subsequent events are those events or transactions that occur following the Statement of Financial Position date, but before the financial statements are issued, or are available to be issued. ASC Section 855, *Subsequent Events*, requires disclosure regarding the date through which subsequent events have been evaluated and the basis for determining that date. Subsequent events have been evaluated through August 10, 2016, which is the date the financial statements were available to be issued.
