Jan O'Brien and Kim Di Nino
bswift, LLC Retirement Trust

We have audited the financial statements of bswift, LLC Retirement Trust (the "Plan") as of and for the period ended October 30, 2015 and as of and for the year ended December 31, 2014 and have issued our report thereon dated August 10, 2016. Professional standards require that we provide you with the following information related to our audit, which is divided into the following sections:

Section I - Internal Control Related Matters Identified in an Audit

Section II - Required Communications with Those Charged with Governance

Section I includes any deficiencies we observed in the Plan's accounting principles or internal control that we believe are significant. Current auditing standards require us to formally communicate annually matters we note about the Plan's accounting policies and internal control.

Section II includes information that current auditing standards require independent auditors to communicate to those individuals charged with governance. We will report this information annually to Jan O'Brien and Kim Di Nino of bswift, LLC Retirement Trust.

Section III presents recommendations related to internal control, procedures, and other matters noted during our current year audit. These comments are offered in the interest of helping the Plan in its efforts toward continuous improvement, not just in the areas of internal control and accounting procedures, but also in operational or administrative efficiency and effectiveness.

We would like to take this opportunity to thank the Plan's staff for the cooperation and courtesy extended to us during our audit. Their assistance and professionalism are invaluable.

This report is intended solely for the use of Jan O'Brien and Kim Di Nino and management of bswift, LLC Retirement Trust and is not intended to be and should not be used by anyone other than these specified parties.

bswift, LLC Retirement Plan's written response to the significant deficiencies (and material weaknesses) identified in our audit has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Section I - Internal Control Related Matters Identified in an Audit

In planning and performing our limited scope audit of the financial statements of bswift, LLC Retirement Trust (the "Plan") as of and for the period ended October 30, 2015, we considered the Plan's internal control over financial reporting (internal control) other than those controls over investments and related investment activity. Our limited scope audit was performed in accordance with auditing standards generally accepted in the United States of America except, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, we did not perform any auditing procedures with respect to certified information except for comparing such information to the related information included in the financial statements. We considered internal control as a basis for designing our procedures to enable us to express an opinion as to whether the form and content of the information included in the financial statements, other than that derived from the certified information, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis.

A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Plan's internal control to be a significant deficiency:

Review of SOC-1/SSAE 16

Based on our inquiries, we understand that SOC-1/SSAE 16 reports on internal controls placed in operation at the service organizations (i.e., Fidelity) engaged to assist with administration of the Plan are not being reviewed by plan management. Because of the significant reliance placed on Fidelity, Sure Payroll, and Single Point, we recommend that the SOC-1/SSAE 16 reports be reviewed on an annual basis in order to ensure that the Plan has proper controls in place to rely on the services provided by the service organizations and that any exceptions noted in the SOC-1/SSAE 16 reports, if any, are appropriately investigated.

Section II - Required Communications with Those Charged with Governance

Our Responsibility Under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated February 13, 2016, we conducted our audit in accordance with professional standards except that, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we did not perform any auditing procedures with respect to certified information except for comparing such information to the related information included in the financial statements. Because of the significance of the information that we did not audit, we did not express an opinion on the financial statements taken as a whole. The form and content of the information included in the financial statements, other than that derived from the certified information, were audited by us in accordance with auditing standards generally accepted in the United States of America and were subjected to tests of your accounting records and other procedures as we considered necessary to enable us to express an opinion as to whether they are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of your responsibilities. As part of our audit, we considered the applicable internal control of bswift, LLC Retirement Trust. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our meeting about planning matters on June 9, 2016.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by bswift, LLC Retirement Trust are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the period ending October 30, 2015.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus.

There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Section II - Required Communications with Those Charged with Governance (Continued)

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were the Plan's valuation of investments.

Management has informed us that in determining the appropriateness of the estimate of investment values, they have recorded the fair values based on market values provided by the investment custodian, plus any applicable valuation adjustments. We performed no specific procedures related to the valuation of investments due to the limited scope nature of the engagement.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Disagreements with Management

For the purpose of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We did not detect any misstatements as a result of audit procedures.

Significant Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, and plans and strategies that may affect the risks of material misstatement with management each year prior to our retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition of our retention.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 10, 2016.

Section II - Required Communications with Those Charged with Governance (Continued)

Other Information in Documents Containing Audited Financial Statements

Our responsibility for other information in documents containing the Plan's financial statements and report does not extend beyond the financial statements. We do not have an obligation to determine whether or not such other information is properly stated. However, we read the Plan's 5500 filing and nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information or manner of its presentation appearing in the financial statements.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of bswift, LLC Retirement Trust (the "Plan"), which comprise the statement of net assets available for benefits as of October 30, 2015 and December 31, 2014 and the related statement of changes in net assets available for benefits for the period ended October 30, 2015 and the year ended December 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company (the "Trustee"), except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and participant notes receivable and executes related transactions. The plan administrator has obtained certifications from the Trustee as of October 30, 2015 and December 31, 2014 and for the period ended October 30, 2015 and for the year ended December 31, 2014 that the information provided to the plan administrator by the Trustee is complete and accurate.

To the Plan Administrator
bswift, LLC Retirement Trust

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements October 30, 2015 and December 31, 2014

Note 1 - Plan Description

The following description of bswift, LLC Retirement Trust (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The following is a description of the provisions of the Plan before the Plan was merged. See Note 7 for additional information on the Plan's merger.

General - The Plan is a defined contribution plan covering all full-time employees of bswift, LLC (the "Company") who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides for employee salary 401(k) contributions up to a maximum of 90 percent of the annual compensation subject to the maximum tax-deferred limitations established by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan provides for discretionary employer matching contributions of a percent, if any, to be determined annually based on a percentage of the participant's deferral contributions. The Company can make annual discretionary profit-sharing contributions in an amount to be determined at the plan year end. There were no discretionary profit-sharing contributions for 2015 and 2014.

Vesting - Participants are fully vested in rollover contributions, employer profit-sharing contributions, employer matching contributions, qualified nonelective contributions, regular contributions, and related earnings and are fully vested at all times and are not subject to forfeiture for any reason.

Hardship Withdrawals - Participants may request that all or a portion of their account be distributed in the case of severe financial hardship, as defined in the plan document. The Company must approve any such hardship withdrawals.

Benefit Payments - Distributions are payable upon the retirement, death, disability, or termination of employment in the form of a lump-sum or rollover amount equal to the vested balance of a participant's account.

Party-in-interest Transactions - Certain plan assets are in investment funds managed by Fidelity Management Trust Company or its affiliates. Fidelity Management Trust Company is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions as defined under ERISA guidelines.

Note 1 - Plan Description (Continued)

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on the participant's compensation or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Participant Notes Receivable - Participants may borrow from their accounts subject to certain maximum and minimum amounts as prescribed in the Plan and in the Internal Revenue Code. Notes receivable are collateralized by the participant's account balance and bear interest at a market rate.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation - The Plan's investments are stated at fair value.

The money market fund is valued at fair value based on its outstanding balance. All other investments are valued based on quoted market prices. See Note 5 for additional information.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Participant Notes Receivable - Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Benefit Payments - Benefits are recorded when paid.

Administrative Expenses - Various administrative costs are paid by the Company.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Note 2 - Summary of Significant Accounting Policies (Continued)

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events - The financial statements and related disclosures include evaluation of events up through and including August 10, 2016, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information

Fidelity Management Trust Company (the "Trustee") holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements are based solely on information provided by the Trustee.

Significant investments at end of year are as follows:

	2015	2014
Mutual funds:		
FID FREEDOM 2045	\$ -	\$ 1,184,571
FID FREEDOM 2050	-	920,990
FID FREEDOM 2040	-	772,468
FID BLUE CHIP GR	-	592,265
FID FREEDOM 2035	-	518,129
Money market fund - FID RETIRE MMKT	-	348,679

Note 4 - Tax Status

The Plan, as adopted, is a volume submitter plan of Fidelity Basic Plan Document No. 14, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated March 31, 2008. The Plan has not individually sought its own determination letter.

Note 5 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

Note 5 - Fair Value Measurements (Continued)

The following table presents information about the Plan's assets measured at fair value on a recurring basis at December 31, 2014. The Plan did not hold any assets at October 30, 2015.

Level 1 - Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2 - Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3 - Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances whereby inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

Assets Measured at Fair Value on a Recurring Basis at December 31, 2014

	Level 1	Level 2	Level 3	Balance at December 31, 2014
Mutual funds:				
Fixed-income investments	\$ 237,607	\$ -	\$ -	\$ 237,607
International investments	572,007	-	-	572,007
Mid-cap investments	7,322,905	-	-	7,322,905
Small-cap investments	516,248	-	-	516,248
Money market fund	-	348,679	-	348,679
Total	<u>\$ 8,648,767</u>	<u>\$ 348,679</u>	<u>\$ -</u>	<u>\$ 8,997,446</u>

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the end of the reporting period. There were no transfers between levels of the fair value hierarchy during 2015 or 2014.
