REPORT OF INDEPENDENT AUDITORS

To the Trustees of
Saturday Knight LTD. 401(K) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Saturday Knight LTD. 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements referred to in the first paragraph.

Change in Accounting Principles

As discussed in Note 3 to the financial statements, the Plan early adopted new accounting guidance, Accounting Standards Update 2015-12, *Plan Accounting Parts I and II*, which simplified the financial statement presentation for its fully benefit-responsive investment contract and eliminates certain disclosures in the notes to the financial statements. In addition, the Plan early adopted Accounting Standards Update 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share*, which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. Our disclaimer of opinion is not modified with respect to these matters.

Other Matter – Supplemental Schedule

The supplemental schedule of Schedule H, line 4i – Schedule of Assets as of December 31, 2015 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by Ossege Combs & Mann, Ltd., who merged with Blue & Co., LLC as of July 1, 2015. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee of the Plan. Their report, dated June 19, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2015

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by

us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SATURDAY KNIGHT LTD. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2015

1. DESCRIPTION OF THE PLAN

The following brief description of the Saturday Knight LTD. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Saturday Knight, LTD. (the "Sponsor") who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). On January 2, 2014, the age requirement was lowered to 18 years old from 21 years old.

Contributions

Each year, participants may elect to contribute up to the IRS's maximum annual limit (\$18,000 in 2015 and \$17,500 in 2014). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants that are age fifty or older, at the end of the Plan year, may elect to make an additional elective deferral up to the IRS's maximum annual limit (\$6,000 in 2015 and \$5,500 in 2014). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 24 mutual funds and one stable value collective trust fund as investment options for participants.

The Sponsor elected to contribute 50% of the first 5% of eligible compensation contributed to the Plan. The Sponsor's contributions are invested for each participant according to the participant's investment choices for his or her elective contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions plus the Sponsor's contribution and an allocation of Plan earnings and expenses. Allocations of Plan earnings are based on the participants' account balances and related earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefit

Upon termination of service, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account or partial withdrawal distributions.

Hardship Withdrawals

Participants are able to withdraw amounts from their accounts in case of financial hardship as defined by the Plan. The withdrawal is subject to tax withholding and a 10% penalty, as required

SATURDAY KNIGHT LTD. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

by the IRS. A participant's elective contributions are suspended for six months following a hardship withdrawal.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Sponsor contributions is based on years of service. A participant is vested based on years of service as follows:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited Accounts

As of December 31, 2015 and 2014, forfeited non-vested accounts totaled \$0 and \$836, respectively. These accounts can be used to pay administrative fees of the Plan and any remaining amounts will be used to reduce future employer discretionary contributions. For the years ended December 31, 2015 and 2014, employer discretionary contributions were reduced by \$3,272 and \$6,266, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 9.5%, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid in level payments generally through payroll deductions on at least a quarterly basis over a period not to exceed 5 years unless the loan is for the purchase of a principal residence upon which the loan repayment period may extend to 10 years.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

SATURDAY KNIGHT LTD. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2015

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Loans to participants are reported at their unpaid balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Except for loan origination fees associated with notes receivable from participants and participant specific investment and distribution fees, all administrative expenses of maintaining the Plan are paid by the Sponsor at its discretion.

Subsequent Events

The Plan has evaluated subsequent events through July 21, 2016, the date the financial statements were available to be issued.

3. CHANGE IN ACCOUNTING PRINCIPLES

During 2015, the Plan early adopted Accounting Standards Update 2015-12, *Plan Accounting, Parts I and II* which simplified accounting for certain investments and eliminated previously required disclosure requirements.

Part I clarifies that indirect investments in fully benefit-responsive investment contracts through stable value collective trusts should be reported at fair value in all the financial statements. Previously, these contracts were recorded at fair value which was \$683,155 and required a \$11,914 adjustment to reduce these contracts to the contract value which was \$671,241 at December 31, 2014. Similarly, the net assets available for benefits at fair value which was \$7,808,900 required a \$11,914 adjustment to reduce net assets available for benefits to the contract value which was \$7,797,986 at December 31, 2014. The adjustments to contract value have been removed and the accounting policy has been revised to reflect this change. The 2014 statement of net assets available for benefits also was retroactively restated to record the net assets available for benefits for these investments at fair value as required by the standard.

Part II eliminates certain disclosure requirements for plans. Specifically, investments will be disaggregated by general type (mutual funds, common stocks, bonds) whereas previously they were disaggregated in much greater detail such as by investment objective or industry. In addition, the disclosure of individual investments with a value equal to or greater than 5% of net assets available for benefits has been removed. And finally, plans will present the net appreciation (depreciation) in the aggregate whereas previously it was detailed by the general type of the investment. The 2014 notes to the financial statements have been retroactively restated as required by the standard.

During 2015, the Plan early adopted Accounting Standards Update 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value Per Share*, which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. As such, certain investments that were measured at net asset value per share practical expedient have not been classified in the fair value hierarchy table. See Note 8.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the sponsor has the right to under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

5. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

- Investments (at fair value) and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits as of December 31, 2015 and 2014.
- Investment income and interest income on notes receivable from participants as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2015.
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2015.

The Plan's independent accountant did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

6. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2015</u>	<u>2014</u>

Net assets available for benefits per Schedule H of the Form 5500	<u>\$ 7,923,741</u>	<u>\$ 7,808,900</u>

SATURDAY KNIGHT LTD. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2015

The following is a reconciliation of total additions from the financial statements to the Form 5500 for the year ended December 31, 2015:

	<u>2015</u>
Total income per the financial statements	\$ 290,636
Income attributed to fully benefit-responsive investment contract	<u>(5,317)</u>
Total income per Schedule H of the Form 5500	<u>\$ 285,319</u>

8. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan's policy is to recognize transfers between levels at the end of the reporting period. There were no transfers between levels during 2015.

SATURDAY KNIGHT LTD. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2015

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2015 in comparison to December 31, 2014.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Commingled Trust:

A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The trust allows for daily liquidity and there are no current withdrawal restrictions; however, the trust may impose withdrawal restrictions at its discretion if warranted by operating conditions.

The following tables set forth by level, within the hierarchy, the Plan's assets measured at fair value as of December 31, 2015 and 2014. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2015				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,101,591	\$ -0-	\$ -0-	\$ 7,101,591

(a) In accordance with Subtopic 820-10, certain investment that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts present in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

9. TAX STATUS

The Plan is based on a volume submitter plan which has received a favorable opinion letter dated March 31, 2008 from the Internal Revenue Service that the volume submitter plan is designed in accordance with applicable selections of the Internal Revenue Code. Although the Plan has been amended since the opinion letter was received, the Plan administrator believes that the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code and, therefore, no income taxes have been provided. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2012.

10. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulation as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Professional fees and the majority of other administration expenses of the Plan were paid by the Sponsor.

The Plan invests in assets held by Fidelity Management Trust Company (Fidelity) for years ended December 31, 2015 and 2014, respectively. Fidelity is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transaction. Fidelity also received fees directly from Plan assets. Eukles Wealth Management is the investment advisor for the Plan and receives payment from the Sponsor. Blue & Co., LLC is the independent auditor of the Plan and receives payment from the Sponsor.
