Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Principal Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2015 and 2014 and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

Other Matter

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2015, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Employees' Retirement Savings Plan

Notes to Financial Statements

December 31, 2015 and 2014

1. Description of the Plan

The following description of the Great Dane Limited Partnership Employees' Retirement Savings Plan (the "Plan"), a single employer plan, is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 1995, and is a defined contribution plan covering all salaried and hourly employees (except those who are covered by a collective bargaining agreement, non-resident aliens or leased employees) of Great Dane Limited Partnership (the "Company," "Plan Administrator," and "Plan Sponsor") and its subsidiaries. Employees become eligible to participate in the Plan on the first business day of the month coinciding with or immediately following the completion of 90 days of employment and there is no age requirement.

Effective January 1, 2014, the JTB Employees' Retirement Savings Plan ("JTB Plan") was merged into the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

The Plan provides for participating employees to elect to make, through payroll deductions, pre-tax salary deferral contributions of between 1% and a maximum of 50% of eligible compensation (not to exceed the annual contribution limit, as set by the Internal Revenue Service ("IRS")). For employees joining the Plan on or after January 1, 2014, they are automatically enrolled at 3% of eligible compensation, unless they make an election otherwise.

The Plan has an automatic increase feature. For participants enrolled at less than 6%, their elective deferrals are increased 1% each January 1 until the elective deferral percentage reaches 6%, unless they elect to opt out of the automatic increase feature.

The Company may make a discretionary profit-sharing contribution to qualified participants, which is allocated to the participants' accounts based on eligible compensation. For the years ended December 31, 2015 and 2014, the Company's discretionary profit-sharing contribution was \$78,135 and \$30,525, respectively. The Company may also make discretionary matching contributions to all participants. The Company currently matches 100% of the participant's first 1% of elective salary deferrals and 50% of the next 5% of elective salary deferrals.

Vesting

A participant is immediately 100% vested in the Plan, including Company contributions. As such, there are no forfeitures associated with the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions and an allocation of Plan earnings or losses.

Notes to Financial Statements

December 31, 2015 and 2014

Investment Options

Principal Trust Company ("Principal") is the trustee of the Plan. Principal Financial Group is the recordkeeper of the Plan.

Participants self direct the investment of their accounts into registered investment company funds or a pooled separate account offered by the Plan with the option to reallocate investment elections.

Notes Receivable from Participants

Participants may borrow from their vested account balance, a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their total vested account balance or \$50,000. The money source for new loans includes employee contributions and employee rollover accounts. Interest on these notes is charged at prime plus 1% and the balance generally must be repaid over five years, or fifteen years if the note is used for the purchase of a primary residence. Interest rates on outstanding notes ranged from 4.25% to 9.25% at December 31, 2015 and 2014.

Payment of Benefits

On termination of service, a layoff exceeding 90 days, normal retirement (age 65) or disability, participants may elect to receive the value of his or her account as a lump-sum distribution or a direct rollover to an Individual Retirement Account ("IRA") or an IRS qualified plan. Participants with vested account balances exceeding \$5,000, excluding rollover balances, can take a distribution or defer the distribution. Participants with a vested account balance, excluding rollover contributions, less than \$5,000 but greater than \$1,000 must make a distribution election within 60 days otherwise the balance is automatically rolled to an IRA. Balances less than \$1,000 but greater than \$100 require a distribution election within 60 days otherwise a check is issued for the balance. Balances less than \$100 are issued a check. Under Federal law, benefit payments must begin on the April 1st following the later of the calendar year in which the participant reaches age 70 ½ or stops working for the Company. Benefit payments received before age 59 ½ may be subject to a 10% tax penalty. Participants with a transferred account balance may elect alternative forms of distribution. In the event of death, the participant's beneficiary receives a lump-sum distribution.

Administrative Expenses

Administrative expenses, such as legal, accounting, recordkeeping and trustee fees, are paid entirely by the Company. Loan processing fees and investment management fees are deducted from the participant's account balance.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be fully vested in their accounts and the trustee will distribute Plan assets to participants or their beneficiaries in accordance with the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Great Dane Limited Partnership

Employees' Retirement Savings Plan

Notes to Financial Statements

December 31, 2015 and 2014

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

Events or transactions occurring after the period end through September 19, 2016, the date that the financial statements were available to be issued, have been evaluated in the preparation of the financial statements.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net Appreciation (Depreciation) in Fair Value of Investments

Net realized and unrealized appreciation (depreciation), which includes gains and losses on investments bought and sold, as well as held during the year, is recorded in the accompanying Statement of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions.

Payment of Benefits

Benefits are recorded when paid.

Recent Accounting Pronouncements

In May, 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Codification ("ASC") Update, 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, which removes the requirement to include investments measured using the net asset value ("NAV") practical expedient in the fair value hierarchy. The retrospective application of this guidance is effective for annual periods beginning in 2017. Plan management does not believe the adoption of this guidance will have a material effect on the Plan's financial statements.

In July, 2015, FASB issued ASC Update, 2015-12, *(Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*, which requires: 1.) fully benefit-responsive investment contracts be measured only at contract value, 2.) disaggregation of plan assets only by general type of investment and 3.) measurement of plan assets on the closest month-end date to the plan's fiscal year-end. The application of this guidance is effective for annual periods after December 15, 2015, with early adoption permitted. Plan management early adopted this guidance.

3. Investments

The following table presents investments for which fair value is measured using the NAV per share practical expedient.

December 31, 2015	Fair Value	Redemption Frequency	Redemption Notice Period
Pooled separate account	\$ 22,016,071	Every 30 days	30 days
December 31, 2014	Fair Value	Redemption Frequency	Redemption Notice Period
Pooled separate account	\$ 21,901,715	Every 30 days	30 days

The Plan provides for investments that, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

4. Fair Value

The Plan follows guidance defined in ASC, *Fair Value Measurement (Topic 820)*, which provides a framework for measuring fair value under GAAP. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Quoted market prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's investments are valued at fair value using the following methodologies:

- **Registered investment companies:** valued at NAV per share using available inputs to measure fair value by such companies or funds, for shares held by the Plan at year-end. Generally, mutual funds have a quoted market price in an active market.
- **Pooled separate account:** valued at the NAV of the underlying investments comprising the pooled account.

Great Dane Limited Partnership
Employees' Retirement Savings Plan
Notes to Financial Statements
December 31, 2015 and 2014

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan's investment assets measured at fair value as of December 31, 2015:

	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 90,617,342	\$ -	\$ -	\$ 90,617,342
Pooled separate account	-	22,016,071	-	22,016,071
Total assets at fair value	<u>\$ 90,617,342</u>	<u>\$ 22,016,071</u>	<u>\$ -</u>	<u>\$ 112,633,413</u>

For comparative purposes, the following table presents the Plan's investment assets measured at fair value as of December 31, 2014:

	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 84,582,122	\$ -	\$ -	\$ 84,582,122
Pooled separate account	-	21,901,715	-	21,901,715
Total assets at fair value	<u>\$ 84,582,122</u>	<u>\$ 21,901,715</u>	<u>\$ -</u>	<u>\$ 106,483,837</u>

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. The Plan does not hold any investments requiring Level 3 measurements and there have not been any transfers of assets between the levels from 2014 to 2015.

5. Income Tax Status

The IRS has determined and informed the Company in a letter dated January 30, 2012, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Company and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. There are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements as of December 31, 2015 and 2014. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to income tax examinations for years prior to 2012.

6. Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the financial statements, notes to the financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits.
- Interest and dividend income and interest income on notes receivables from participants, as shown in the Statement of Changes in Net Assets Available for Benefits.
- Net depreciation in fair value of investments, as shown in the Statement of Changes in Net Assets Available for Benefits.
- Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2015.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

7. Related-Party Transactions

Certain Plan investments are managed by Principal. Principal is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan document provides for notes receivables from participants, which also qualify as party-in-interest transactions.
