REPORT TO THE BOARD OF DIRECTORS

**KEMBA CREDIT UNION**  
**PROFIT SHARING 401(K) PLAN AND TRUST**

For The Year Ended December 31, 2015

FLYNN & COMPANY, INC.  
*Certified Public Accountants*

To the Board of Directors  
Kemba Credit Union Profit Sharing 401(k) Plan and Trust  
West Chester, Ohio

We have conducted a DOL limited-scope audit of the financial statements of Kemba Credit Union Profit Sharing 401(k) Plan and Trust (the Plan) for the year ended December 31, 2015, and have issued our report thereon dated June 15, 2016. As permitted by 29 CR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator and Plan Sponsor instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note I to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedule taken as a whole. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter dated April 27, 2015. Professional standards also require that we communicate to you the following information related to our audit.

This communication is intended solely for the information and use of the Plan Sponsor, Board of Directors and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

We appreciate the opportunity to be of service to you. If you should have any questions regarding the information contained in this communication, please do not hesitate to contact us.

Very truly yours,

Flynn & Company, Inc.

SIGNIFICANT AUDIT FINDINGS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**Qualitative Aspects of Accounting Practices**

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of fair value measurements in Note C to the financial statements. The level at which the fair value of an asset or liability is measured is based on the highest priority of any available input that is significant to the fair value measurement.

**Difficulties Encountered in Performing the Audit**

We encountered no significant difficulties in dealing with management in performing and completing our audit.

**Corrected and Uncorrected Misstatements**

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no such misstatements to correct, either individually or in the aggregate, to the financial statements taken as a whole.

**Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

SIGNIFICANT AUDIT FINDINGS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

**Management Representations**

We have requested certain representations from management that are included in the management representation letter dated June 15, 2016.

**Management Consultations with Other Independent Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

**Other Audit Findings or Issues**

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

**Other Matters**

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

INTERNAL CONTROL RELATED MATTERS  
FOR THE YEAR ENDED DECEMBER 31, 2015**

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by U.S. generally accepted auditing standards and did not include a consideration of internal control relating to the information summarized in Note I to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

MATTERS OF CONSIDERATION FOR MANAGEMENT  
FOR THE YEAR ENDED DECEMBER 31, 2015**

During our audit, we became aware of the following matter, which we believe represents an opportunity for the Plan.

**Participant Deferrals**

It was noted during the audit of selected participants that there were still a number of participants that had not increased their deferral rate to match up with the change implemented in 2014 for the employer matching rate. We recommend that the Plan Sponsor reiterate to the participants that the employer matching rate was increased from 4% to 5% and as such they are missing out on additional retirement savings by not increasing their deferral rate by the additional 1%.

**KEMBA CREDIT UNION PROFIT SHARING 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE A – DESCRIPTION**

The following description of the Kemba Credit Union Profit Sharing 401(k) Plan and Trust (the "Plan") is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

***General***

The Plan is a defined contribution plan established by Kemba Credit Union, Inc. (the "Company") under the provision of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company. All employees who have completed 1,000 hours of service within a 12 month time period, as defined, are eligible to participate, provided they are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was originally adopted January 1, 1997 but has been amended since that time.

***Plan Administration***

The Plan is administered by Dynamic Pension Services, Inc. (the Plan Administrator) which is appointed by the Board of Directors of the Company. Voya Life Insurance and Annuity Company (the Plan's Trustee), is responsible for the custody and management of the Plan's assets.

***Contributions***

Eligible employees can contribute in any amount up to the maximum percentage of compensation and dollar amount as defined by the Plan, subject to certain limitations under the IRC. The Company provides a mandatory safe harbor matching contribution equal to 100 percent of each participant's contribution up to a maximum of 5 percent of the participant's compensation and an additional profit sharing contribution, which may be made on a discretionary basis, which is dependent on the Company's operating results. The participant contributions and the Company safe harbor matching and profit sharing contributions may be allocated to the investment alternatives made available by the Company, as defined, as the participant directs.

***Participant Accounts***

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer matching contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations of income and expenses are based on the proportion that each participant's account balance bears to the total of all participant account balances.

***Vesting***

Participants are immediately vested in their and the Company's safe harbor matching contributions and the earnings thereon. Vesting in the Company's profit sharing contributions and the earnings thereon is based on years of continuous service. A participant vests a percentage each year of service as follows: Year 1 – 0%; Year 2 – 20%; Year 3 – 40%; Year 4 – 60%; Year 5 – 100%.

**KEMBA CREDIT UNION PROFIT SHARING 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE A – DESCRIPTION (CONTINUED)**

***Forfeited Accounts***

Forfeitures of non-vested Company profit sharing contributions are used to decrease future Company profit sharing contributions, as defined by the Plan. At December 31, 2015 and 2014 there was \$5,479 and \$4,831, respectively, of forfeitures that had not yet been applied to reduce Company profit sharing contributions.

***Payment of Benefits***

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance, installments payments, a life annuity, a term certain annuity with payments guaranteed for 20 years (not to exceed 20 years), or a joint and survivor annuity. If the total vested amount of a terminated participant's account balance is more than \$1,000, but less than \$5,000, the account balance will be automatically distributed to an individual retirement account unless the participant elects to receive the distributions directly or to have the distribution paid directly to another eligible retirement plan. If the participant's balance does not equal or exceed \$1,000 upon termination, the balance will be paid in a single lump sum distribution. Benefits are recorded when paid.

***Notes Receivable - Participant Loans***

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms can range from one to five years for any participant loans, except for loans to purchase a home, which can range up to thirty years. The participant loans are secured by the balance in the participant's account and bear interest at a rate of prime, and mature between August 15, 2015 and October 31, 2044. Principal and interest are paid through payroll deductions. A \$75 loan application fee is charged to the participant's pretax account.

**NOTE B – SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

***Estimates***

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

**KEMBA CREDIT UNION PROFIT SHARING 401(k) PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS**

**NOTE B – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

***Investment Valuation and Income Recognition***

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-59 dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

***Administrative Expenses***

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

***Notes Receivable – Participant Loans***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

***Payment of Benefits***

Benefits are recorded when paid.

***Recently Adopted Provisions***

We have adopted the provisions of Accounting Standard Update 2015-12 issued by the Financial Accounting Standards Board and have retrospectively applied the provisions to these financial statements and notes. The provisions include changes for plan investment disclosures, fully benefit responsive investment contracts and measurement date.

***Subsequent Events***

The Plan has evaluated subsequent events through June 15, 2016, the date the financial statements were available to be issued.

**NOTE C – FAIR VALUE MEASUREMENTS**

ASC topic *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

**KEMBA CREDIT UNION PROFIT SHARING 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)**

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

*Level 2* - Inputs to valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to valuation methodology are unobservable and significant to the fair value measurement. Valuation is generated from model-based techniques that use significant assumptions not observable in the market. These unobservable assumptions would reflect our own estimates of assumptions that market participants would use in pricing the asset or liability. Such valuation techniques include the use of option pricing models, discounted cash flow models and similar techniques.

The asset or liability's fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 or 2014.

*Corporate bonds:* Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing the value on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar bonds, those corporate bonds are valued under a discounted cash flow approach that maximizes observable inputs, such as current yields or similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

**NOTE D – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than the established floor rate. The crediting rate is reviewed on an annual basis for resetting. The contract cannot be terminated before the scheduled maturity date. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE D – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)**

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer.

**NOTE E – TAX STATUS**

Although the Plan has received a favorable opinion letter dated March 31, 2014 from the Internal Revenue Service, it has not been updated for the latest plan amendments. However, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt for the years ended December 31, 2015 and 2014.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2012.

**NOTE F – RELATED PARTY TRANSACTIONS**

Certain plan investments are shares of mutual funds managed by Voya Insurance and Annuity Company (the Trustee of the Plan). As defined by the Plan, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

**NOTE G – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE H – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become fully vested in their account balances.

**NOTE I – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED)**
