NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Riverside Community Urban Redevelopment 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible full-time employees of Riverside Community Urban Redevelopment Corp. ("Plan Sponsor"). Eligible employees may elect to make pretax salary deferral contributions. Employees must complete one year of service and are the age of twenty-one or older to be eligible for the discretionary profit sharing contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2014, the Plan Sponsor appointed Ascensus Trust Company ("Ascensus") as the trustee for the Plan. In addition, the Plan adopted the Ascensus, Inc. Prototype Standardized Profit Sharing Plan with CODA. Effective July 1, 2015, the Plan Sponsor appointed Reliance Trust Company ("Reliance") as the trustee for the Plan and the Plan adopted the ADP Retirement Plan Services Non-Standardized 401(k) Profit Sharing Plan.

Contributions

Participants may elect to contribute up to the maximum amount allowed by Internal Revenue Service ("IRS") regulations for the Plan year. If a participant reaches age 50 during the calendar year and is making the maximum Plan or IRS pre-tax contribution, they may make an additional "catch-up" contribution each pay period, up to the annual IRS dollar limit.

The Plan Sponsor matching contributions equal to 100% of the first 3% of participant deferrals, plus 50% of the next 2% of the participant's eligible compensation.

Rollovers

Rollover contributions consist of amounts rolled over by participants from another qualified plan as defined by the Internal Revenue Code ("IRC").

Allocation of Forfeitures

Forfeitures attributable to Plan Sponsor matching contributions are used to reduce the Plan Sponsor's contribution or to pay Plan expenses. At December 31, 2015 and 2014, there were no accumulated forfeitures.

Participant Accounts and Investment Options

Separate accounts are maintained in the name of each participant. Participants direct their contributions to be invested in one or a combination of available investment accounts. Participants may change their investment directive at any time during the year directly the Trustee. Each participant's account is credited with the participant's contribution, an allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all of their accounts in the Plan and actual earnings thereon, except for Plan Sponsor matching contributions in excess of 3% of compensation, which vest 25% per year for five years.

Notes Receivable from Participants

Participants may borrow amounts from the balance of the participant's vested account balance a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. All notes must be repaid within five years unless the note is used to acquire the participant's primary residence in which case the term of the note may be set for a term of up to 30 years. The notes are secured by the balance in the participant's account bear interest equal to the Prime rate. Payments of principal and interest are credited to the participant's account and are paid through payroll deductions.

Notes are in default when payments are not made by the end of the calendar quarter following the quarter in which the payment was due, or the participant makes or furnishes any false representation or statement to the Plan. In the event of default, the entire outstanding note balance, consisting of the missed payments, remaining principal, and all accrued but unpaid interest, will remain as the participant's obligation. If a note has not been fully repaid by the end of its term, the outstanding balance will remain as the participant's obligation.

Payment of Benefits

Upon termination of service, participants may receive their vested interest either in a lump sum amount, partial withdrawals, or installment payments under a systematic withdrawal plan. Participants may also withdraw amounts from their accounts under certain defined conditions. The Plan allows participants who are 59 ½ or older, to take in-service distributions.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Administrative fees are shared between the Plan Sponsor and the Plan participants.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participants shall be fully vested and shall receive a full distribution of the balances in their respective accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis.

Use of Estimates

In preparing the Plan's financial statements in accordance with accounting principles generally accepted in the United States of America, the Plan Sponsor is required to make estimates and assumptions that affect

RIVERSIDE COMMUNITY URBAN REDEVELOPMENT
401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

the reported amounts of Plan assets, liabilities and the reported increases and reductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Valuation of Investments and Investment Income

The Plan's investments are stated at fair value at December 31, 2015 and 2014.

Investment income consists of dividend and interest income. The net appreciation of investments consists of realized gains or losses and the unrealized appreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions are reported based on historical cost.

Notes Receivable from Participants

The Plan allows loans in accordance with the Plan document. For reporting purposes, participant loans shall be classified as notes receivable from participants. In addition, notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Loans are deemed distributions by the Plan when they are determined to be in default.

Administrative Expenses

Certain expenses of the Plan are paid by the Plan Sponsor and are not included in the statements of changes in net assets available for benefits.

Income Taxes

Under the Income Taxes Topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC"), the Plan is required to identify potential uncertain tax positions taken, assess and quantify those positions and record reserves. As of December 31, 2015 and 2014 and for the years then ended, the Plan has identified no uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Recently Issued Accounting Standards

In July 2015, the FASB issued an accounting standards update which:

- a) Part I – requires that fully benefit-responsive investment contracts be measured, presented and disclosed only at contract value;
- b) Part II – eliminates
 - i. the need to disaggregate the investments in accordance with the Fair Value Measurements topic of the FASB ASC, and requires disaggregation based only on general type,
 - ii. the requirement to disclose individual investments that represent 5% or more of the net assets available for benefits,
 - iii. the requirement to disclose net appreciation disaggregated by general investment type;

RIVERSIDE COMMUNITY URBAN REDEVELOPMENT
401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

- c) Part III – provides a practical expedient to permit plans to measure investments and investment related accounts as of a month-end date that is closest to the plans' fiscal year end, when the fiscal year period does not coincide with a month end.

In May 2015, the FASB issued an accounting standards update which removes the requirement to include investments in the fair value hierarchy for which fair value is measured using the net asset value per share practical expedient.

These standards updates are effective for fiscal years beginning after December 15, 2015, with early adoption permitted. The Plan has not early adopted these standards.

Subsequent Events

The Plan has evaluated subsequent events through September 23, 2016, the date the financial statements were available to be issued.

NOTE 3 – SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEES (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by Ascensus and Reliance (collectively the "Trustees"), as of and for the years ended December 31, 2015 and 2014, and furnished to the Plan Sponsor. The Plan Sponsor has obtained certifications from the Trustees as of and for the years ended December 31, 2015 and 2014, that such information is complete and accurate.

GM John Hancock Disciplined Value	\$ 65,885
Hotchkis and Wiley Mid Cap Value Fund	\$ 62,987
John Hancock Disciplined Value	\$ 52,703

NOTE 5 – FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Money market funds: Valued based on institutional bid evaluations in active markets using proprietary models.
- Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded

RIVERSIDE COMMUNITY URBAN REDEVELOPMENT
401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the valuation methods.

The following table sets forth, by level within the fair value hierarchy, the specific funds elected by the Plan at fair value as of December 31:

NOTE 6 – TAX STATUS

The Plan, an adopted prototype plan with ADP Retirement Services as of July 1, 2015, obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Sponsor is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
