Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Alerus Financial, the trustee of the Plan. Their report, dated September 24, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

Community Health Professionals 403(b) Plan

Notes to Financial Statements

December 31, 2015 and 2014

Note 1 - Description of Plan

The following description of the Community Health Professionals 403(b) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan that provides benefits to eligible participants as determined according to the provision of the plan agreement. Employees of Community Health Professionals, Inc. (the "Organization") are eligible to participate in the Plan at the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides for employee salary reduction contributions subject to maximum tax-deferred limitations established by the Internal Revenue Code. The Plan accepts rollover contributions from other qualified plans.

Each year, participants can elect to receive an employer contribution from the Organization once they have reached worked 83 hours in a one-month period. Upon electing to receive this employer contribution, participants receive a 2% of eligible compensation contribution to their account each pay period as long as they are employed by the Organization.

The Organization may also contribute an additional discretionary employer contribution to the Plan. This contribution is then allocated to individuals based on each individual's eligible compensation compared to the eligible compensation of all individuals in total.

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of the Organization's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting - Participants are immediately vested 100 percent in their voluntary and rollover contributions plus actual earnings thereon. Additionally, all employees hired before March 1, 2009 are 100 percent vested. Vesting in the remainder of the accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
Over 5 years	100%

Community Health Professionals 403(b) Plan

Notes to Financial Statements

December 31, 2015 and 2014

Note 1 - Description of Plan (Continued)

Payment of Benefits - On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of their account, or annual installments.

Distribution Prior to Termination - In-service withdrawals are subject to varying rules depending on the source of the funds in the participant's account. Participants may withdraw all or part of their deferral contributions account and qualified non-elective contributions account provided they have attained age 59½. Participants may take hardship distributions from their vested account balances. These distributions would be subject to potential penalties and taxation. Participants are advised to consult a tax advisor for the most recent tax laws.

Death Benefits - Upon the death of a participant, the account becomes available for distribution to the participant's beneficiaries.

Forfeitures - Forfeited amounts attributable to the Organization matching portion of a participant's account will be applied to reduce the Organization matching contribution for the Plan year in which such forfeitures occur. Forfeited amounts attributable to the Organization discretionary portion of a participant's account will be reallocated to all participants based on compensation, as defined. For the years ending December 31, 2015 and 2014, forfeited amounts used during the year totaled \$12,258 and \$0, respectively.

Party-in-interest Transactions - Certain plan assets are in investment funds managed by Alerus Financial, the trustee of the Plan. Additionally, there are certain participant accounts still held at American Funds for terminated employees who have not moved their original 403(b) accounts out from under the Plan's old custodial account. Therefore, these transactions qualify as party-in-interest transactions as defined under ERISA guidelines.

Note 2 - Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan.

Basis of Accounting - The Plan prepares its financial statements on the accrual basis. Unrealized gains and losses on the Plan's assets are reported even though no sales of such assets actually took place.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation - Interests in the investments are valued based on the fair market values of the underlying assets. If available, quoted market prices are used to value investments.

Contributions - Contributions to the Plan are accrued, if necessary, to the year to which they apply.

Community Health Professionals 403(b) Plan

Notes to Financial Statements

December 31, 2015 and 2014

Note 2 - Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Net appreciation (or depreciation) in fair value of investments is reflected in the statement of changes in net assets available for benefits and includes realized gains and losses on investments bought and sold and the change in appreciation from one period to the next. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Information Certified by Trustee - The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certification from Alerus Financial that all information relating to the Plan's investments and related investment income is complete and accurate. Information as to the value of the investments in the trust fund managed by the trustee, investment income (loss), and all information in the supplemental schedule is presented in reliance solely upon those certifications.

Note 3 - Plan Termination

Although it has not expressed any intention to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions set forth in ERISA.

Note 4 - Investments (Unaudited)

Investments included in the Plan's net assets available for plan benefits at December 31, 2015 and 2014, are as follows with those representing 5% or more displayed separately:

Total Investments at Fair Value	<u>\$ 4,015,549</u>	<u>\$ 3,706,490</u>

Note 5 - Fair Value Measurements

Financial Accounting Standards Board ASC 820, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. All investments of the Plan were measured using Level 1 inputs.

Level 1 Fair Value Measurements

The fair values of mutual funds holding cash, cash equivalents, common stock, corporate bonds, and U.S. government securities are based on quoted market prices, when available.

Note 6 - Income Tax Status

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 - Subsequent Events

Management has evaluated subsequent events through September 21, 2016, the date on which the financial statements were available to be issued. There are no subsequent events to disclose.
