**Statement by Enrolled Actuary**  
To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.

Grand Rapids, MI

**Report on the Financial Statements**

We were engaged to audit the financial statements of Lake Michigan Credit Union Cash Balance Defined Benefit Plan and Trust which comprise the statements of net assets available for benefits and accumulated plan benefits as of December 31, 2015, and the related statements of changes in the net assets available for benefits and changes in accumulated plan benefits for the year then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED)**

### **Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by CUNA Mutual Group, the custodian of the Plan, except for comparing such information with the related information included in the 2015 financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended of December 31, 2015, that the information provided to the plan administrator by the custodian is complete and accurate.

### **Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements.

### **Other Matter - Supplemental Schedules**

The supplemental schedules of Assets Held at End of Year and Reportable Transactions as of December 31, 2015 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED)**

### **Other Matter - 2014 Financial Statements**

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by CUNA Mutual Group, the custodian of the Plan. Their report, dated September 3, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### **Report on Form and Content in Compliance With DOL Rules and Regulations**

The form and content of the information included in the 2015 financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Lake Michigan Credit Union Cash Balance Defined Benefit Plan and Trust (Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

**General**

The Plan is a defined benefit pension plan covering substantially all employees of Lake Michigan Credit Union Cash Balance Defined Benefit Plan and Trust, the Plan sponsor. The Plan was established in May 1967. Employees become eligible to participate in the Plan on the first date of the Plan year after six months of service and attaining 20 years of age. The Plan is subject to the provisions of the Employer Retirement Income Security Act of 1974 (ERISA).

**Pension Benefits**

Employees with three or more years of service are entitled to annual pension benefits beginning at normal retirement age (65). For employees hired prior to January 1, 2003, there is a defined benefit equal to 30% of the final highest consecutive five-year annual compensation for each year of service plus subsequent accrued benefits from the cash balance pension plan. For employees hired on or after January 1, 2003, the accrued benefit is equal to benefits from the cash balance pension plan.

The cash balance pension plan is funded with 3% of annual compensation based on eligibility, and has periodic interest credits based on 30 year US Treasury rates. The Plan permits early retirement. Employees may elect to receive their pension benefits in the form of a joint and 50% survivor annuity. If employees terminate before rendering three years of service, they forfeit the right to receive the portion of their accumulated plan benefits attributable to the credit union's contributions. Employees may elect to receive the value of their accumulated plan benefits as a lump-sum distribution upon retirement or termination, or they may elect to receive their benefits as a life annuity payable monthly from retirement.

Active employees who become totally disabled receive annual disability benefits that are equal to the early retirement benefits they have accumulated as of the time they become disabled.

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

**Pension Benefits (Continued)**

If a participant dies without being vested, no benefits will be paid. Should the participant be vested, the benefit arising will be generally payable under a joint and 50% survivor form if the participant is married, and a single lump sum distribution, if single.

**Contributions**

Company contribution amounts are actuarially determined. It is the Company's intention to make contributions in amounts sufficient to fund 110% of the Plan's current service cost and the prior two years annuity purchase costs. The Plan has met the ERISA minimum funding requirements for the 2015 and 2014 Plan years.

**Plan Operations**

The Company has appointed CUNA Mutual Group (Custodian) to act as Custodian and the Company to act as Plan administrator. The Custodian is responsible for holding the investment assets of the Plan, executing investment transactions and making distributions to participants. The Plan administrator interprets and communicates the provisions of the Plan and ensures that all government and participant reporting requirements are fulfilled.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated Plan benefits at the financial statement date. While management believes it has consistently applied its best judgment in those areas requiring estimates, actual results could differ from those estimates.

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Income from interest and dividends is recorded as it is earned. Purchases and sales of securities are recorded on a trade date basis. Net appreciation or depreciation of investments is determined using the value at the beginning of the year or purchase price if acquired since that date.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Administrative expenses are generally paid directly by the Company and are excluded from these financial statements. Certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

**Subsequent Events**

For the year ended December 31, 2015, the Company has evaluated subsequent events for potential recognition and disclosure through August 18, 2016 the date the financial statements were available to be issued.

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Adoption of New Accounting Standards**

During 2015, the Financial Accounting Standards Board (FASB) issued ASU No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, and (Part III) Measurement Date Practical Expedient*. Among other updates, this update designates contract value as the only required measure for fully benefit-responsive investment contracts, and therefore reporting such contracts at fair value is no longer required. It also eliminated the requirements for participant-directed and nonparticipant-directed investments to disclose individual investments that represent 5% or more of net assets available for benefits and the net appreciation or depreciation for investments by type. This standard was effective for fiscal years beginning after December 31, 2015 with early adoption permitted. The Plan elected to early adopt this standard, and the impact affected certain footnote disclosures.

During 2015, the Financial Accounting Standards Board (FASB) issued ASU No. 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*. This update permits a reporting entity, as a practical expedient, to measure the fair value of certain investments using the net asset value per share of the investment. Further, under the amendments in this Update, investments for which fair value is measured at net asset value per share (or its equivalent) using the practical expedient should not be categorized in the fair value hierarchy. This standard was effective for fiscal years beginning after December 15, 2016 with early adoption permitted. A reporting entity should apply the amendments retrospectively to all periods presented. The Plan elected to early adopt this standard, and the impact affected certain footnote disclosures.

**NOTE 3 - FAIR VALUE MEASUREMENTS AND DISCLOSURES**

The Financial Accounting Standards Board (FASB) has established three levels of fair value measurement with each level defined by the method used in determining fair value at the Plan's measurement date. In accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*, the following is a summary of the Plan's investment valuation methods:

The mutual funds have been valued using the net asset value of the shares held by the Plan at the end of the Plan year. Using quoted prices for identical investments in active markets that the plan has the ability to access is defined as a level 1 measurement method.

The guaranteed investment contract is comprised an insurance contract that is valued at the net asset value of units of the insurance company's contracts. The net asset value is used as a practical expedient to estimate fair value. In order to ensure all investments categorized in the fair value hierarchy are classified using a consistent approach, these investments are not categorized in the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 4 - ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS**

Accumulated Plan benefits are those future periodic payments, including lump sum distributions that are attributable under the Plan's provisions to the service employees have rendered. Accumulated Plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died or become disabled, and (c) present employees or their beneficiaries. Benefits under the Plan are based on certain employees' compensation (prior to January 1, 2003) and employees' credited amounts of 3% of compensation plus periodic interest credits (after January 1, 2003). Benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to employee service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuation as of December 31, 2015 were (a) life expectancy of participants (mortality table based on the RP2000 non annuitant table projected to 2015 by scale AA pre-retirement and post-retirement), (b) retirement age assumptions (normal retirement age), (c) investment return of 7.50%, and (d) salary increases of 3.0%. The interest rates used to discount the obligation for 2015 and 2014 were 4.50% and 4.00% respectively. The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits. The computations of the actuarial present value of accumulated plan benefits were made as of January 1, 2016 and 2015. Had the valuations been performed as of December 31, there would be no material differences.

Changes to the actuarial assumptions for the current year include mandated changes to mortality and interest rates. The changes also include updating the mortality table to be the same mortality table used for the Funding Target.

**NOTE 5 - TERMINATION**

Although it has not expressed any intent to do so, in the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

1. Benefits attributable to employee contributions, taking into account those paid out before termination;
2. Annuity benefits that former employees and their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable (or would have been payable) during those three years. The amount is further limited to the lowest benefit that would be payable under Plan provisions in effect at any time during the five years preceding Plan termination.
3. Other vested benefits insured by the Pension Benefit Guaranty Corporation (PBGC) up to the applicable limitations;
4. All other vested benefits (that is, vested benefits not insured by the PBGC);
5. All nonvested benefits.

Certain benefits under the Plan are insured by the PBGC if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency, at that time, of the Plan's net assets to provide for accumulated benefit obligations and may also depend on the financial condition of the plan sponsor and the level of benefits guaranteed by the PBGC.

**NOTE 6 - INCOME TAX STATUS**

The Plan obtained a determination letter dated April 18, 2013, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2013.

**NOTE 7 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE**

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2015 and 2014, and the net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2015, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee.

**NOTE 8 - RELATED PARTY TRANSACTIONS**

Certain Plan investments are shares of mutual funds and a common/collective trust fund managed by CMFG Life Insurance Company. CMFG Life Insurance Company is the Custodian, as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment as they are paid through revenue sharing rather than a direct payment.

**Statement by Enrolled Actuary**

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.
