INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
First Gilmer Bankshares Employee Savings Plan
Gilmer, Texas

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of First Gilmer Bankshares Employee Savings Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Massachusetts Mutual Life Insurance Company (Mass Mutual), the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan Administrator that Mass Mutual holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the custodian as of December 31, 2015 and 2014, and for the year ended December 31, 2015, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 2 to the financial statements, in 2015 the Plan early adopted the provisions of Accounting Standards Update (ASU) No. 2015-07: *Fair Value Measurement: Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or Its Equivalent);* ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans, Defined Contribution Pension Plans, Health and Welfare Benefit Plans: (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures.* Our opinion is not modified with respect to this matter.

Other Matter - Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2015 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report of Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the First Gilmer Bankshares Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering full-time employees of First National Bank of Gilmer (member of a controlled group, referred to herein as the "Company") who are age 18 or older. Employees are eligible to participate in salary deferrals after a ninety day waiting period. Participants are eligible for matching and profit sharing contributions upon completion of one year of service and 1,000 hours. Entry dates for matching and profit sharing contributions will be the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date on which eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). First Gilmer Bankshares is the plan sponsor.

PLAN ADMINISTRATION

The managers of the Plan sponsor appoint the Plan Administrator and Plan Trustees. The Plan Administrator and Plan Trustees are employees of the Company.

The custodian of the Plan, Mass Mutual, is responsible for managing the Plan's investment assets. Alliance Benefits Group performs the Plan's administrative duties such as preparation of the Form 5500, participant recordkeeping, and compliance testing. Employees of the Company may perform certain other administrative functions; however, such employees receive no compensation from the Plan.

CONTRIBUTIONS

Participants may elect to contribute amounts up to 75% of eligible compensation not to exceed the imposed by the Internal Revenue Code (IRC) ($18,000 for 2015). Pursuant to the IRC 414(v), participants that reach age 50 before the close of the Plan year may make catch-up contributions, and their elective deferral limitation is $24,000 for 2015. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts and a money market fund as investment options for participants. The Company may also make a discretionary, non-elective matching contribution and a discretionary profit sharing contribution as determined by the Company. For 2015, the discretionary match was 50% of each dollar contributed up to 2.5% and the profit sharing contribution was 7.5% of eligible compensation.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, an allocation of the Company's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan as defined in the Plan document. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately 100% vested in their voluntary contributions and rollover contributions plus actual earnings thereon. In the event the Company makes a discretionary, non-elective contribution or profit sharing contribution on behalf of active participants, vesting in the contribution plus actual earnings thereon is based on years of continuous service (1,000 hours during a plan year) as follows:

Years of Service	% Vested
1	20%
2	40%
3	60%
4	80%
5	100%

Full vesting also occurs at retirement (normal retirement age is sixty-five years), disability, or death.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum amount equal to the lesser of 50% of the participant's account balance or $50,000. Participants may only have three loans outstanding at any time. Notes are secured by the balance in the participant's account and bear interest at a rate equal to 1% above the prime rate and will be fixed for the duration of the loan. Principal and interest are paid ratably through payroll deductions.

PAYMENT OF BENEFITS

Participants are entitled to the benefits that can be provided from their individual account balances, subject to vesting, upon retirement, death, hardship, or termination. Payment is required to be made as soon as administratively feasible after one of these events occurs. The participant may elect to defer distribution until April 1 of the calendar year following the calendar year in which the participant reaches 70 ½ years of age. The vested portion of the participant's benefits may be distributed to the participant or his beneficiary in the form of a single lump-sum payment, partial withdrawals or installments (for required minimum distributions) or as a direct rollover to an IRA. Vested balances less than $5,000 at termination of employment are paid as a lump sum.

FORFEITURES

Under the provisions of the Plan, a participant who terminates employment before becoming vested in the employer's matching or profit sharing contribution forfeits these amounts when any vested amounts are distributed. Forfeitures will be allocated to participants in the same proportion that a participant's compensation bears to the total compensation of all participants. At December 31, 2015 and 2014, forfeited non-vested accounts totaled $20,625 and $11,369, respectively. During 2015, $11,369 of forfeitures, including earnings, were allocated to participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

RECENT ACCOUNTING PRONOUNCEMENTS

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-07, *Fair Value Measurement - Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)* ("ASU 2015-07"). ASU 2015-07 eliminates the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value ("NAV") per share practical expedient. ASU 2015-07 also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the NAV per share practical expedient. Investments that calculate NAV per share (or its equivalent), but for which the practical expedient is not applied will continue to be included in the fair value hierarchy along with the related required disclosures. ASU 2015-07 is effective for fiscal years beginning after December 15, 2016, and is to be applied retrospectively, with early adoption permitted. Management has elected to adopt ASU 2015-07 early.

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans, Defined Contribution Pension Plans, Health and Welfare Benefit Plans: (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient.* Part I eliminates the requirement to measure the fair value of fully benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measurement for fully benefit-responsive investment contracts. Part II eliminates requirements to disclose individual investments that represent 5% or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

RECENT ACCOUNTING PRONOUNCEMENTS - CONTINUED

also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics, and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan assets. Part III is not applicable to the Plan. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Parts I and II are to be applied retrospectively. Management has elected to adopt Parts I and II of ASU 2015-12 early.

The early adoption of these ASUs resulted in changes to the disclosures in the notes to the financial statements, but did not affect any of the amounts in the statement of net assets available for benefits or statement of changes in net assets available for benefits. Management believes that the new accounting standards reduce the complexity of plan accounting while maintaining the usefulness of the information provided to users of the financial statements.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at the unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2015, and 2014, no allowance for credit losses has been recorded. If a participant does not make loan repayments, and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on terms of the Plan document.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded when paid. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

The Plan permits the payment of Plan expenses to be made from the Plan's assets. If the expenses are paid using the Plan's assets, then the expenses will generally be allocated among the accounts of all participants in the Plan.

RECLASSIFICATION

The money market fund investment balance was reclassified to an investment contract with an insurance company in 2015 and applied retrospectively. The reclassification had no impact on net income (loss) for the Plan.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule as of December 31, 2015 and 2014, and for the year ended December, 31, 2015, was obtained from data that has been prepared and certified to as complete and accurate by the custodian, Mass Mutual.

	2015	2014
Investments at fair value	$5,225,023	$5,369,137
Investments at contract value	574,945	$ 516,556
	$5,799,968	$5,885,693

Investment loss (includes loan interest of $10,698)	$ (151,770)

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs preset.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2015 and 2014:

Pooled Separate Accounts: Valued at net asset value (NAV) of shares held by the Plan at year end. Units of pooled separate accounts are valued at the net asset value as published daily by Mass Mutual on its website. The redemption frequency and notice periods of each of these pooled separate accounts is daily, and there are no redemption restrictions on unfunded commitments.

In accordance with U.S. GAAP, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy.

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

Investment measure using the net asset value per share practical expedient:

The following table summarized investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2015 and 2014, respectively:

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2015				
Pooled separate accounts	$ 5,255,022	N/A	Daily	None

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2014				
Pooled separate accounts	$ 5,369,137	N/A	Daily	None

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintains a fully benefit-responsive investment contract with Hartford Life Insurance Company. The insurance company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The insurance company is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2015 and 2014, was $574,945 and $516,556, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Mass Mutual. Such events include the following: all group variable funding agreements in this class of business are amended, changed, or altered due to changes in any applicable laws and it is determined that obligations under this Agreement or ability to maintain this class of business are thereby materially affected. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) the Plan or Plan trust fails to maintain its special tax qualified or exempt status under 401(a) of the Code, (b) Plan sponsor fails to provide information necessary to perform the agreement and fails to remedy the failure within 31 days from the date of notification, (c) the Plan trust is amended in a way that adversely affects our obligations under this Agreement, (d) the assets held or the Participants covered under the Agreement are less than the amount required for the Agreement to be a group funding agreement under any applicable insurance law, (e) the Plan sponsor changes in a manner that causes the Plan sponsor to no longer be considered an entity which is authorized or eligible to sponsor this Agreement, (f) no contributions are made to Mass Mutual during any consecutive 12 month period, or (g) at any time the contributions or balances are less than the amount required for this class of business under the underwriting standards in effect as of the Agreement Effective Date.

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY - CONTINUED

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts managed by Mass Mutual, the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services totaled $5,687 for the year ended December 31, 2015. Notes receivable from participants held by the Plan are also considered party-in-interest transactions.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan with respect to either a portion or all of the participants by delivering to the custodian written notice of such termination. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan Sponsor has adopted a prototype plan which received a favorable tax determination letter from the Internal Revenue Service that it qualifies under Section 401(a) of the Internal Revenue Code and is, therefore, not subject to tax under present income tax law. The Plan Administrator and tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2012.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment securities. Investments securities are exposed to various risks, such as interest rate, credit, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 26, 2016 the date the financial statements were available to be issued.
