NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Bay Alarm Company Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan that was established in 1960 by Bay Alarm Company (the "Company") to provide benefits to eligible employees, as defined in the Plan document. The Plan was most recently amended and restated effective July 24, 2014 to comply with legislative changes. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Eligibility

All regular employees of the Company of age 18 and older are eligible to participate in the Plan on the first day of the month following their date of hire.

C. Participant Contributions

Participants may elect to contribute up to 60% of eligible pre-tax compensation to the Plan and/or elect to make Roth after-tax contributions. Participants who make pre-tax contributions to the Plan receive an equivalent reduction in taxable compensation. Each participant's pre-tax deferrals and Roth contributions are subject to applicable Code limits. Participants of age 50 and older may elect to make additional catch-up contributions of up to $6,000 for 2015.

Newly eligible employees who do not make an affirmative election to defer compensation to the Plan, including an election not to defer, are auto-enrolled in the Plan 30 days after attaining eligibility at a deferral rate of 3% of compensation. Effective June 1, 2015, the auto-enrollment deferral rate was increased to 5%, and the deferral percentage of each auto-enrolled participant who does not make an alternative election will increase 1% annually to a maximum deferral rate of 10% of compensation.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with participant directions.

D. Company Contributions

The Company is allowed to make discretionary matching contributions, as defined in the Plan, and as approved by the Board of Directors. The Company matched 50% of the first 6% of pay contributed by participants for the 2015 Plan year. The Plan also allows for an annual discretionary profit sharing contribution, which is allocated to participants based on eligible compensation. No discretionary profit sharing contribution was made for the 2015 Plan year.

E. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company contributions and an allocation of Plan earnings or losses and expenses. Participants direct the investment of their accounts among a diversified menu of mutual funds provided under the

Plan. The contributions of participants who do not make an affirmative investment election are invested in the Fidelity Freedom Fund appropriate for the individual's age and projected date of retirement. Each of the Fidelity Freedom Funds offered under the Plan consists of a portfolio of mutual funds intended to meet an investment strategy appropriate for a participant who will reach retirement age at a specified date in the future.

F. Vesting and Forfeitures

Participants are immediately 100% vested in their contributions and related earnings. Participants are fully vested in Company contributions after five years of service. The balance of unapplied forfeitures was approximately $41,000 and $72,000 at December 31, 2015 and 2014, respectively. Approximately $55,000 of forfeitures were used to reduce Company contributions in 2015.

G. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability, attainment of age 59½ or retirement, a participant or beneficiary may maintain his or her account in the Plan or elect to receive benefits payable in a lump sum, installments or an annuity. Hardship distributions are permitted under limited circumstances as defined in the Plan subject to approval of the plan administrator. Benefits are recorded when paid.

H. Notes Receivable from Participants

The Plan allows participants to borrow not less than $1,000 up to the lesser of $50,000 or 50% of their vested account balance. A loan is secured by a participant's vested account, bears a fixed rate of interest commensurate with available market financing rates at loan inception and must be repaid to the Plan within a five-year period unless a loan is used for the purchase of a principal residence, in which case the maximum repayment period may be extended up to ten years. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2015 carry interest rates ranging from 5.25% to 7.0%.

Notes receivable are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

B. New Accounting Pronouncement

The Financial Accounting Standards Board (FASB) recently issued *ASU 2015-12 Plan Accounting: Topic 960, Defined Benefit Pension Plans; Topic 962, Defined Contribution Pension Plans; Topic 965, Health and Welfare Benefit Plans.* ASU 2015-12 includes 3 parts. Parts I and III are not applicable to the Plan. Part II eliminates the requirement to disclose individual investments that represent 5% or more of net assets available for benefits and the

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. New Accounting Pronouncement (Continued)

requirement to disclose net appreciation (depreciation) in fair value of investments by general type of investment. In addition, Part II provides for employee benefit plan investments to be grouped and presented by general type and eliminates the requirement to disaggregate investments in multiple ways.

ASU 2015-12 is effective for fiscal years beginning after December 15, 2015. Earlier application is permitted. The Plan adopted ASU 2015-12 effective December 31, 2014.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could different from those estimates.

D. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 7).

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net depreciation includes gains and losses on investments bought and sold as well as held during the year.

E. Expenses

Mutual fund operating expenses are incurred directly by the funds and are therefore factored into each fund's share value. Recordkeeping and administrative fees totaling approximately $18,000 were paid by the Plan in 2015. Substantially all other expenses incurred for administering the Plan are paid by the Company.

F Risks and Uncertainties

Plan investments include a variety of securities that are exposed to various investment risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in value of investment securities will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by affiliates of the trustee. Purchases and sales of these funds are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 4 - INCOME TAX STATUS

The Company adopted a volume submitter plan that has received an opinion letter from the Internal Revenue Service stating that the form of the Plan qualifies under applicable provisions of the Code. The Company believes that the Plan is operated in accordance with and qualifies under applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2015 and 2014, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2015 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end based upon closing market prices. The following table summarizes Plan investments at December 31 based on the inputs used to value them:

	Level 1	
	December 31,	
	2015	2014
Mutual Funds	$ 46,833,548	$ 44,402,108

NOTE 8 - SUBSEQUENT EVENTS

Effective August 1, 2016, the Plan was amended to automatically increase the deferral rate to 5% for all eligible participants deferring less than 5% who do not make alternative elections. The deferral rate will increase 1% annually to a maximum rate of 10% of compensation for participants who do not make alternative elections.

Management has evaluated subsequent events through September 27, 2016, the date on which the financial statements were available to be issued. There are no other material subsequent events that require recognition or additional disclosure in the Plan's financial statements.
