To the Trustees of
Womack Machine Supply Co. Retirement Plan

We have conducted a DOL limited-scope audit of the financial statements of the Womack Machine Supply Co. (the "Plan Sponsor") Retirement Plan (the "Plan") for the year ended December 31, 2015 and have issued our report thereon dated September 21, 2016. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information included in those financial statements and supplemental schedule. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America ("GAAS") and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under GAAS, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to Mr. James Templer dated July 11, 2016. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management has the responsibility for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. As described in Note B, the Plan changed accounting policies by early adopting Part II of the Financial Accounting Standards Board Accounting Standards Update No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts and (Part II) Plan Investment Disclosures,* in 2015, which simplified certain aspects of employee benefit plan accounting. Accordingly, the accounting change has been retrospectively applied to prior periods presented as if the policy had always been used. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Significant Audit Findings – continued

Qualitative Aspects of Accounting Practices – continued

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no particularly sensitive or complex estimates that have not been recognized in the financial statements during the year ended December 31, 2015.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive or complex estimates that have not been recognized in the financial statements during the year ended December 31, 2015.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We proposed two adjustments that management elected to record. One entry was proposed to record employee and employer contributions receivable of approximately $16,000 and $7,000, respectively. The other entry was to reverse the prior year liability of approximately $6,000. There were no uncorrected misstatements for the current year.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representations letter dated September 21, 2016.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's independent auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the information and use of the Trustees, the Plan Sponsor and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Whitley Penn LLP
