To the Plan Sponsor and Trustees
Mears Destination Services, Inc. 401(k) Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Mears Destination Services, Inc. 401(k) Savings Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the 2015 information summarized in Note 8, which was certified by SunTrust Bank, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2015, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements referred to in the first paragraph.

Change in Accounting Principles

As described in Note 2 to the financial statements, the Plan adopted the guidance in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)* and FASB ASU 2015-12, *Plan Accounting: Defined Contribution Pension Plans (Topic 962): Part (II) Plan Investment Disclosures*. Our opinion is not modified with respect to that matter.

Other Matter – Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of December 31, 2015, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by SunTrust Bank, the trustee of the Plan. Their report, dated September 18, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Report on Form and Content in Compliance With DOL Rules and Regulations – 2015

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF PLAN

The following brief description of the Mears Destination Services, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by Mears Destination Services, Inc. (the "Employer" and "Plan Sponsor") as a defined-contribution plan. Participating employers in the Plan, which are affiliates of the Employer, include Hello! Florida Destination Management, Inc., Hello! Las Vegas Destination Management, Inc., Hello! Arizona Destination Management, Inc., Hello! Washington, D.C. Destination Management, Inc., Hello! Texas Destination Management, Inc., Executive Pilot Services, Inc., and Mears Global Chauffeured Services Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Federal income taxes on amounts contributed by the participants are deferred in accordance with Section 401(k) of the Internal Revenue Code ("IRC").

Eligibility

Substantially all employees who are at least age 21 and who have completed one year of service, as defined by the Plan agreement, are eligible to participate in the Plan. Employees are eligible to participate in the Plan as of January 1, April 1, July 1, and October 1 coincident with or immediately following the date that the employee satisfies the eligibility requirements. After the first 12-month eligibility service period, the Plan measures the eligibility service period on an anniversary basis.

Plan Restatement

Effective September 1, 2015, the Plan adopted an amended and restated SunTrust Bank Defined Contribution Prototype Plan and Trust in order to bring the Plan into compliance with legislative and regulatory changes. The restatement did not significantly change any Plan provisions.

Participant Contributions

Participating employees can elect to contribute up to 75% of compensation, not to exceed $18,000, or $24,000 for employees over 50 years of age for the year ended December 31, 2015. Employees may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions at any time, or may increase or decrease their level of participation at any time during the Plan year.

Employer Contributions

The Employer may, at its discretion, match participant deferral contributions. For the year ended December 31, 2015, the Employer elected to match 50% of each participant's deferral contributions up to 6% of the participant's compensation, as defined by the Plan agreement. Additionally, the Employer may make periodic nonelective contributions to the Plan at the discretion of the Employer's Board of Directors. Allocations of these Employer discretionary contributions are made to individual participants' accounts based on the ratio of each participant's eligible compensation to the total eligible compensation of all participants for that year. There were no nonelective matching contributions made to the Plan for the year ended December 31, 2015.

Participant Accounts
Individual accounts are established for each participant. Each participant's account is credited with the participant's elective deferrals and (a) matching contributions, (b) discretionary contribution, if any, and (c) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The participant's account is reduced by withdrawals, losses on investments, administrative fees, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
The benefits to which a participant is entitled are those that can be provided by the contributions and earnings thereon, including net unrealized gains and losses, which are credited to the participant's account. Participants are fully vested in their elective contributions and earnings thereon at all times. Participants become fully vested in Employer contributions and earnings thereon upon retirement, at death, upon total and permanent disability, or after two years of service, as defined in the Plan.

Notes Receivable From Participants
Participants may obtain notes based on their vested account balances, subject to certain conditions. The minimum loan permitted is $1,000 and the maximum note amount is the lesser of 50% of the participant's vested account balance or $50,000. Interest rates on participant notes are determined based on a reasonable rate of interest. The rate of interest will be a fixed rate equal to the prime rate of interest at the date of the loan plus 1%. Note payments consisting of principal and interest are made through payroll deductions over a term of one to five years or up to fifteen years for the purchase of a primary residence.

At December 31, 2015, the notes earned interest at a rate of 4.25% and maturities ranged from 2016 to 2029. As of December 31, 2015, all loans are considered collectible. Notes receivable balances are collateralized by the borrower's vested account balances in the Plan.

Payment of Benefits
All of a participant's vested balance is payable upon the participant's normal retirement, termination of employment, total and permanent disability or death, and financial hardship, subject to certain limitations. In the event that the participant's vested accrued benefit is less than $5,000, the Plan administrator may make a distribution without the election or request of a terminated participant. The Plan requires that such distributions of amounts less than $5,000 but greater than $1,000 be rolled over to an individual retirement account unless the participant elects to receive the distribution directly.

Investment Options
Upon enrollment in the Plan, a participant may direct participant deferral contributions and Employer contributions to any of the Plan's investment options offered by SunTrust Bank (the "Trustee"). Participants may change their contribution allocations periodically and transfer amounts between funds daily.

Forfeited Accounts
The Plan allocates forfeited amounts to reduce Employer contributions in the year forfeitures occur. Forfeitures of Employer contributions during the Plan year ended December 31, 2015, totaled $10,251. During 2015, $10,253 of forfeitures were used to reduce Employer contributions. At December 31, 2015 and 2014, there were no forfeited nonvested account balances available to reduce future Employer contributions.

Plan Expenses
Certain administrative expenses are paid by the Plan. These expenses are primarily investment management fees paid to the Trustee. The Employer pays substantially all administrative expenses of the Plan, including legal and audit fees.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation
The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Plan uses the accrual basis of accounting for the presentation of financial statements.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from these estimates.

Notes Receivable From Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisors. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. The net change in the fair value of investments during the Plan year is included in the statement of changes in net assets available for benefits. Net appreciation or depreciation in the fair value of investments consist of the net realized gains or losses on investments sold and the net unrealized gains or losses on investments held.

Payment of Benefits
Benefits are recorded when paid.

Effect of Adopting New Accounting Standards
In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*. ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. Under this new guidance, an entity is required to include those investments as a reconciling item to ensure the total value of investments in the fair value disclosure is consistent with the investment balance on the statements of net assets available for benefits. The amendment is effective for fiscal years beginning after December 15, 2016, and should be applied retrospectively, with early application permitted. Management has elected to adopt the amendment early and, accordingly, the amendment was retrospectively applied; and previously reported financial information pertaining to 2014 has been restated to present the information on a comparable basis.

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Contribution Pension Plans (Topic 962): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient.* This three-part standard simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient. Parts I and II are effective for fiscal years beginning after December 15, 2015, and should be applied retrospectively, with early application permitted. Part III is effective for fiscal years beginning after December 15, 2015, and should be applied prospectively, with early application permitted. Management has elected to adopt Part II early. Accordingly, the amendment was retrospectively applied resulting in the adjustment to or removal of certain investment information disclosures presented in Note 3 to the financial statements for the year ended December 31, 2014. Parts I and III are not applicable to this Plan.

Subsequent Events

Plan management has evaluated subsequent events through September 26, 2016, the date which the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred, which require adjustment to or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

- Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability; and
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs that are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Valued at the NAV as determined by the trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. Participant transactions may occur daily. The Plan has no unfunded commitments related to these collective trust funds and the funds are redeemable on a daily basis without restriction. There is no redemption notice period.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis at December 31, 2015 and 2014, are summarized below:

	2015			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 18,662,160	$ -	$ -	$ 18,662,160
Total assets in the fair value hierarchy				$ 18,662,160
Collective trust measured at net asset value[(a)]				1,707,970
Total investments				$ 20,370,130

	2014			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 18,276,857	$ -	$ -	$ 18,276,857
Total assets in the fair value hierarchy				$ 18,276,857
Collective trust measured at net asset value[(a)]				1,582,900
Total investments				$ 19,859,757

[(a)]Certain investments that are measured at fair value using the NAV per share practical expedient have not been classified in the fair value hierarchy. The NAV amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments and notes receivable from participants are held by the Plan's Trustee, SunTrust Bank, and certain investments are managed by the Trustee or an affiliate of the Trustee. These transactions qualify as party-in-interest transactions. The Plan paid fees for investment management services of $17,478. In addition, there are transaction fees charged by the Trustee that are absorbed in investment income are not readily determinable.

5. PLAN TERMINATION

Although the Employer has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants would become 100% vested in their accounts.

6. INCOME TAX STATUS

Effective September 1, 2015, the Plan Sponsor adopted an amended and restated SunTrust Bank Defined Contribution Prototype Plan and Trust. The Internal Revenue Service ("IRS") determined and informed SunTrust Bank by opinion letter, dated March 31, 2014, that the prototype plan is acceptable under applicable sections of the IRC. The Plan Sponsor relies on the opinion letter and the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Sponsor and Trustees believe the Plan is currently operated in compliance with applicable requirements of the IRC and, therefore, believe the Plan is qualified and the related trust is exempt from federal income taxes as of the financial statement date.

The Plan Sponsor has evaluated tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress.

7. EXCESS CONTRIBUTIONS

To satisfy the relevant nondiscrimination provisions of the Plan, at December 31, 2015 and 2014, excess participant deferral contributions of $32,623 and $33,940, respectively, were refunded to Plan participants after year end. Participant deferral contributions are net of these excess contributions.

8. SUMMARY OF INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

At December 31, 2015 and 2014, and for the year ended December 31, 2015, the Plan Trustee held the Plan's investments and notes receivable from participants and executed investment transactions. Financial information relating to those assets is included in the accompanying financial statements and the supplemental schedule of assets (held at end of year), and such information has been derived from reports certified as complete and accurate by the Trustee. Information provided by the Trustee, which has not been audited by independent accountants, is summarized as follows:

	2015	2014
Mutual funds	$ 18,662,160	$ 18,276,857
Collective trust	1,707,970	1,582,900

	$ 20,976,100	$ 20,489,983

Interest and dividends	1,378,222
Interest income on notes receivable from participants	24,800
	$ (107,772)

9. RISKS AND UNCERTAINTIES

The Plan provides participants with various investment options. All investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2015 and 2014, and for the year ended December 31, 2015, to Form 5500:
